FINANCE AND FUNCTIONS REPORT**

The Depute Clerk presented the Annual Finance Report, with income and expenditure figures, and the Annual Functions Report for the period April 2023 to March 2024. Ms Sinclair explained that both reports require to be published on the Licensing Board's website by 30 June 2024 to comply with the Licensing (Scotland) Act 2005.

The Chair commented that it is a challenge to meet the financial balance as the fees are set by statute and that our fees are already at the top of the fee structure and therefore the Board is unable to increase them. He intimated that previously the Board asked for action to be taken to review other Licensing Board's or engage with the Scottish Government.

Councillor Cassidy stated that it would be worthwhile writing to the Scottish Government again and speak with neighbouring Board's with a view to consider a joint letter being submitted.

Ms Sinclair confirmed that she would contact Renfrewshire Licensing Board and the SOLAR Group for their views.

Members approved both reports.

**LICENSING BOARD – CHILDREN AND YOUNG PERSONS POLICY**

Ms Sinclair addressed the Board in terms of the most recent update to the Children and Young Persons Policy, in particular to Children being permitted in licensed premises from 8.00pm – 1.00am whilst attending a family orientated private function (such as a wedding, golden/silver anniversary or special birthday celebration e.g. 18<sup>th</sup> birthday party). Ms Sinclair brought to the attention of the Board that the Policy is not clear what the position is around children attending a non-family orientated private function and sought Members views on whether or not this should be clarified.

Councillor Robertson moved that Children are permitted to attend non-family private functions to 11.00pm, which was unanimously agreed.

The Chair confirmed the motion and requested that the Depute Clerk e-mail Members with a final draft of the updated Policy for approval.

**APPLICATIONS GRANTED UNDER DELEGATED AUTHORITY FOR THE PERIOD FROM 1  
FEBRUARY TO 30 APRIL 2024**

Aiden Sharkey was present representing the applicant.

Ms Sinclair advised that the premises have been operating on occasional licences since 13 September 2023 and that she had declined granting further licences under delegated authority due to the Board's concerns that no Provisional or Grant of Premises Licence application has been submitted. She confirmed that there is a Provisional Premises Licence in place for the premises, however is in a different name to that of the applicant and is due to expire in September this year.

The Licensing Standards Officers had no comment to make on the application.

Mr Aiden Sharkey explained that the applications submitted are a continuation of the occasional licences previously in force. The initial intention with this premises was for an application for transfer to be lodged. Unfortunately, the previous licence holder is no longer available and he explained that he was having difficulty in obtaining consent to the transaction to lodge an application. As such the new owner will submit a new application for a Provisional Premises Licence to be processed when the current licence expires. He intimated that it is due to these circumstances that they have been unable to progress their application. He confirmed that an appropriate application will be submitted imminently and requested that they continue with the use of occasional licences.

Councillor McVey noted that there is an outdoor drinking area included in the occasional licence application and asked that the terminal hour of such should be to 9.00pm as the Board's Policy. Mr Sharkey confirmed that this is accepted.

Councillor Robertson moved grant of the applications as amended and that further occasional licence applications submitted are granted under delegated authority with clear progress on the Provisional Premises Licence Application being kept under review, which was unanimously agreed.
