All of the Above wheelchair accessible vehicles (WAVs) are licenced specifically to provide a service to the disabled community.

Please note that taxi licence holders are self-employed. The availability of vehicles as shown is an indication only and Inverclyde Council has no authority to insist that operators provide a 24/7 service.

When booking a WAV you should make known your specific access requirements. All of the vehicles listed can accommodate a standard wheelchair; passengers should confirm suitability of the vehicle for their needs.

**xi driver is permitted to refuse to carry an assistance dog unless they have medical permission to do so, as authorised by Inverclyde Council. Passengers travelling with an assistance dog should indicate this at the point of boo
ngers should note that most cars licensed by Inverclyde Council as stardard taxis and private hire vehicles can carry a folded stardard wheelchair in the boot of the car - minimum boot space in standard licensed vehicles is 16 cub**

Any enquiries or complaints should be referred to Inverclyde Council's Licensing Section: Telephone 01475 712139 or email licensing.section@inverclyde.gov.uk.
