
Report:	Policy and Resources Committee	Date:	20 June 2017
Report By:	Wilma Bain, Corporate Director, Education, Communities and Organisational Development	Report No:	PR/16/17/WB/MM
Contact Officer:	Miriam McKenna, Corporate Policy and Partnership Manager	Contact No:	01475 712042
Subject:	Education, Communities and Organisational Development and Environment, Regeneration and Resources Corporate Directorate Improvement Plans - Refresh		

1.0 PURPOSE

- 1.1 The purpose of this report is to present to the Policy and Resources Committee the Education, Communities and Organisational Development and Environment, Regeneration and Resources Corporate Directorate Improvement Plans (CDIPs) year two refresh, with attention drawn to the 'corporate' elements of these plans. The corporate elements of these plans are the actions in relation to Finance, Legal and Property, Organisational Development, HR and Communications and Corporate Policy/Community Planning.

2.0 SUMMARY

- 2.1 Both CDIPs have been refreshed for 2017/18 with the main changes made to section 5, the three year overview and 1 year action plan. The plans have been submitted to the relevant service Committees but, as in previous years, these plans are submitted to this Committee in relation to the corporate services.
- 2.2 Attached at appendix one are the refreshed ECOD and ERR CDIPs for the consideration of the Committee. The plans have been based on self-evaluation carried out by services and develop service areas following on from the actions in last year's plans. APPENDIX
- 2.3 The CDIP actions have also been considered in light of the Best Value Assurance Report recommendations, with appropriate actions developed to deliver on these.
- 2.4 As in previous years, performance reports on the actions relating to corporate activity, namely Finance, Legal and Property, Organisational Development, HR and Communications and Corporate Policy/Community Planning, will be made to every second meeting of this Committee.
- 2.5 On the agenda for this Committee is a roll up report of the progress made across year one of the two CDIPs, set out by wellbeing outcome, to allow Members to scrutinise progress made on delivering the year one action plans.

3.0 RECOMMENDATIONS

- 3.1 It is recommended that the Policy and Resources Committee:
- approves the Education, Communities and Organisational Development CDIP refresh
 - approves the Environment, Regeneration and Communities CDIP refresh
 - agrees that performance reports on the 'corporate' elements of these plans are made

to every second meeting of this Committee.

Education, Communities and
Organisational Development**

**Scott Allan, Corporate Director
Environment, Regeneration and
Resources**

4.0 BACKGROUND

- 4.1 CDIPs are a key component of the Council's Strategic Planning and Performance Management Framework. They are the principal vehicle for managing and delivering the strategic outcomes in the Single Outcome Agreement 2013/17 and the Council's Corporate Statement 2013/17, as well as the wellbeing outcomes which are Safe, Healthy, Achieving, Nurtured, Active, Respected, Responsible and Included (SHANARRI).
- 4.2 The CDIPs 2016/19 are based on a robust self-evaluation process. The Plans comprise a three year rolling plan which includes an overview for 2016/19, together with a one year detailed plan. It was agreed in 2016 to deliver the initial improvement actions during 2016/17, followed by a yearly review and refreshment process. This report fulfils the yearly review and refreshment process.
- 4.3 The CDIPs 2016/19 contain improvement actions to be delivered by the Education, Communities and Organisational Development Directorate and the Environment, Regeneration and Resources Directorate. The Policy and Resources Committee is asked particularly to consider the actions for Organisational Development, HR and Communications, Corporate Policy, Finance and Legal and Property.
- 4.4 The Plans also contain key performance indicators, comprising statutory performance indicators and local performance indicators which provide an important measure of how the Directorate's Services contribute to the Council's strategic aims.
- 4.5 Reports on progress with delivery of the Corporate Services improvement actions will be submitted to every second meeting of this Committee.

5.0 IMPLICATIONS

- 5.1 Financial implications - one-off costs:

Cost centre	Budget heading	Budget year	Proposed spend this report	Virement from	Other comments
n/a	n/a	n/a	n/a	n/a	n/a

Financial implications - annually recurring costs/(savings):

Cost centre	Budget heading	With effect from	Annual net impact	Virement from	Other comments
n/a	n/a	n/a	n/a	n/a	n/a

- 5.2 Human Resources: There are no direct human resources implications arising from this report.
- 5.3 Legal: There are no direct legal implications arising from this report.
- 5.4 Equalities: The CDIPs set out their commitment to ensuring equality of opportunity in everything they do. There is a specific section in both plans about what the Directorate is doing in relation to equality and diversity.
- 5.5 Repopulation: Provision of Council Services which are subject to close scrutiny with the aim of delivering continuous improvement for current and potential citizens of Inverclyde support the Council's aim of retaining and enhancing the area's population.

6.0 CONSULTATION

6.1 The appropriate officers were consulted on the refreshment of the CDIPs.

7.0 CONCLUSION

7.1 The ECOD CDIP and ERR CDIP refresh are presented for Policy and Resources Committee approval. It is recommended that progress reports on the Corporate Services performance indicators and improvement actions from both the Education, Communities and Organisational Development and Environment, Regeneration and Resources CDIP's are submitted to every second meeting of this Committee.

1. Introduction by the Corporate Director, Education, Communities and Organisational Development

On behalf of the Education, Communities and Organisational Development (ECOD) Directorate, I am pleased to present our Corporate Directorate Improvement Plan (CDIP) 2016/19. We carried out a comprehensive review of the original Plan early in 2016 to ensure that our improvement actions and performance information are still relevant to delivering the Council's wellbeing outcomes which are Safe, Healthy, Achieving, Nurtured, Active, Respected, Responsible and Included (SHANARRI).

The CDIP is an integral part of the Council's Strategic Planning and Performance Management Framework. It assists in shaping the strategic direction for the Directorate and outlines key programmes, actions and improvements which we will deliver during the next three years.

As a Directorate, our activities are clearly focussed around the concept of a *Nurturing Inverclyde*. This approach is based on the development of early intervention and preventative spend projects through partnership working. We aim to make Inverclyde a place which nurtures all its citizens, ensuring that everyone has the opportunity to enjoy a good quality of life with good mental and physical wellbeing. Our approach puts the child, citizen and community at the centre of service delivery. The improvement actions in this Plan are linked to the SHANARRI wellbeing outcomes which will help to deliver all the Single Outcome Agreement 2013/17 Outcomes and, in particular:

- Outcome 2 - Communities are stronger, responsible and more able to identify, articulate and take action on their needs and aspirations to bring about an improvement in the quality of community life;
- Outcome 6 - A nurturing Inverclyde gives all our children and young people the best possible start in life; and
- Outcome 8 - Our public services are high quality, continually improving, efficient and responsive to local people's needs.

Our CDIP has been developed using robust self-evaluation. The Directorate's four Services have taken into consideration a wide range of data, stakeholder views and reviewed how the services we deliver work to achieve the eight wellbeing outcomes. Each aspect of our Plan reflects national and local priorities and is focussed on improving the quality of our services and the lives of local children, citizens and communities.

Some of the key improvements which had already been agreed to be implemented during the course of the original CDIP include:

- the development of a new Local Outcome Improvement Plan (LOIP) from 2017 onwards to include the duties placed on the Council and Community Planning Partnership by The Community Empowerment (Scotland) Act 2015;
- further development of the Council's commitment to equalities consistently in Council Services to ensure better outcomes for people with protected characteristics;
- embedding the principles and techniques of good self-evaluation across Council Services;
- progressing the work of the *Nurturing Collaborative* to help deliver tangible improvements in outcomes and reduce inequalities for vulnerable children;
- the improvement of library and museum facilities in Inverclyde; and
- the delivery of the Scottish Attainment Challenge and Raising Attainment for All initiatives.

One of our greatest challenges in the coming year is to continue to deliver high quality services to our customers in extremely challenging financial circumstances. We are committed to adopting a solution-focussed and *can do* attitude to our work. We will continue to develop and promote robust self-evaluation both in our own Directorate and across the Council, in order to enhance current good practice and constantly develop and improve as a local authority.

Other challenges facing the Directorate during the next year include:

- a reduction in employees and pressure on service delivery levels
- the continuing implementation of major pieces of legislation such as The Children and Young People (Scotland) Act 2014, the Education (Scotland) Act 2016 and The Community Empowerment (Scotland) Act 2015
- welcoming and supporting refugees in our community
- tackling poverty
- implementing welfare reform
- closing the attainment gap
- helping our young people to stay safe
- a reducing population
- areas with significant levels of deprivation
- limited economic opportunities
- a growing elderly population
- legislative changes in employment law, health and safety and pensions
- changes in the National Terms and Conditions for Local Government Employees
- reviewing the ageing public space CCTV in Inverclyde
- reviewing community facilities in Inverclyde
- labour market issues, particularly supply teacher shortages
- school re-provisioning and education service changes.

Examples of key achievements delivered by the Directorate during 2013/17 are:

- winning a CoSLA Gold Award in 2013 for the *Nurturing Inverclyde* approach
- winning a CoSLA Silver Award in 2013 for the Mentors in Violence Prevention initiative
- rolling out the Mentors in Violence Prevention initiative to a wide range of schools
- implementation of the No Knives, Better Lives Peer Education Group which helps deliver the No Knives Better Lives campaign – the initiative was the overall winner of the British Red Cross Humanitarian Awards 2015
- the Community Learning and Development (CLD) Service Adult Learning and Literacies winning a Scottish Qualifications Authority (SQA) Star Award as the Lifelong Learning Centre of the Year 2015
- Inverclyde has one of the highest Duke of Edinburgh participation rates
- opening of IYOUTHzones in Port Glasgow and Gourock; examples of the facilities offered at the venues are internet and computer access, arts and crafts, a pool table, café and meeting rooms
- the number of CLD staff and volunteers who were supported to develop their skills through increased opportunities for accreditation and training
- increased accreditation for Modern Apprentices in Youth Work
- the range of accreditation has increased to better meet learners' individual needs
- an Outreach and Engagement Customised Award was developed in partnership with the SQA
- we achieved Volunteer Friendly Award status, driving up the quality of volunteering programmes and recognising the contribution volunteers made to delivering CLD services
- we carried out an Adult Achievement Award pilot project
- we developed a Physical Education Strategy and implemented two hours of PE in every school in Inverclyde
- we implemented the Food Standards Agency's Cross-Contamination Guidance in all food businesses in the area
- we rolled out the Housing Energy Efficiency Programme in Inverclyde; over 1,300 social rented and privately owned homes benefited from this area-based programme
- a number of projects were completed under the Strategic Housing Investment Plan; 169 new affordable homes were built in Inverclyde
- we were recognised as a Living Wage accredited employer which means that everyone working at the Council receives a minimum hourly wage which is significantly higher than the national minimum wage

- the Council was recognised as the Best Government Services Employer in the UK 2016 at the Bloomberg Business Best Employer Awards 2016
- a partnership working pledge was established with the trades unions
- A Local Housing Strategy 2017/21 was published.

Through this Plan, we hope to support and challenge our employees to improve the quality of the services we provide. We look forward to building on the progress that has been achieved from 2013 to 2017 and continuing to make further achievements during the next three years.

Wilma Bain
Corporate Director, Education, Communities and Organisational Development

2. Strategic Overview

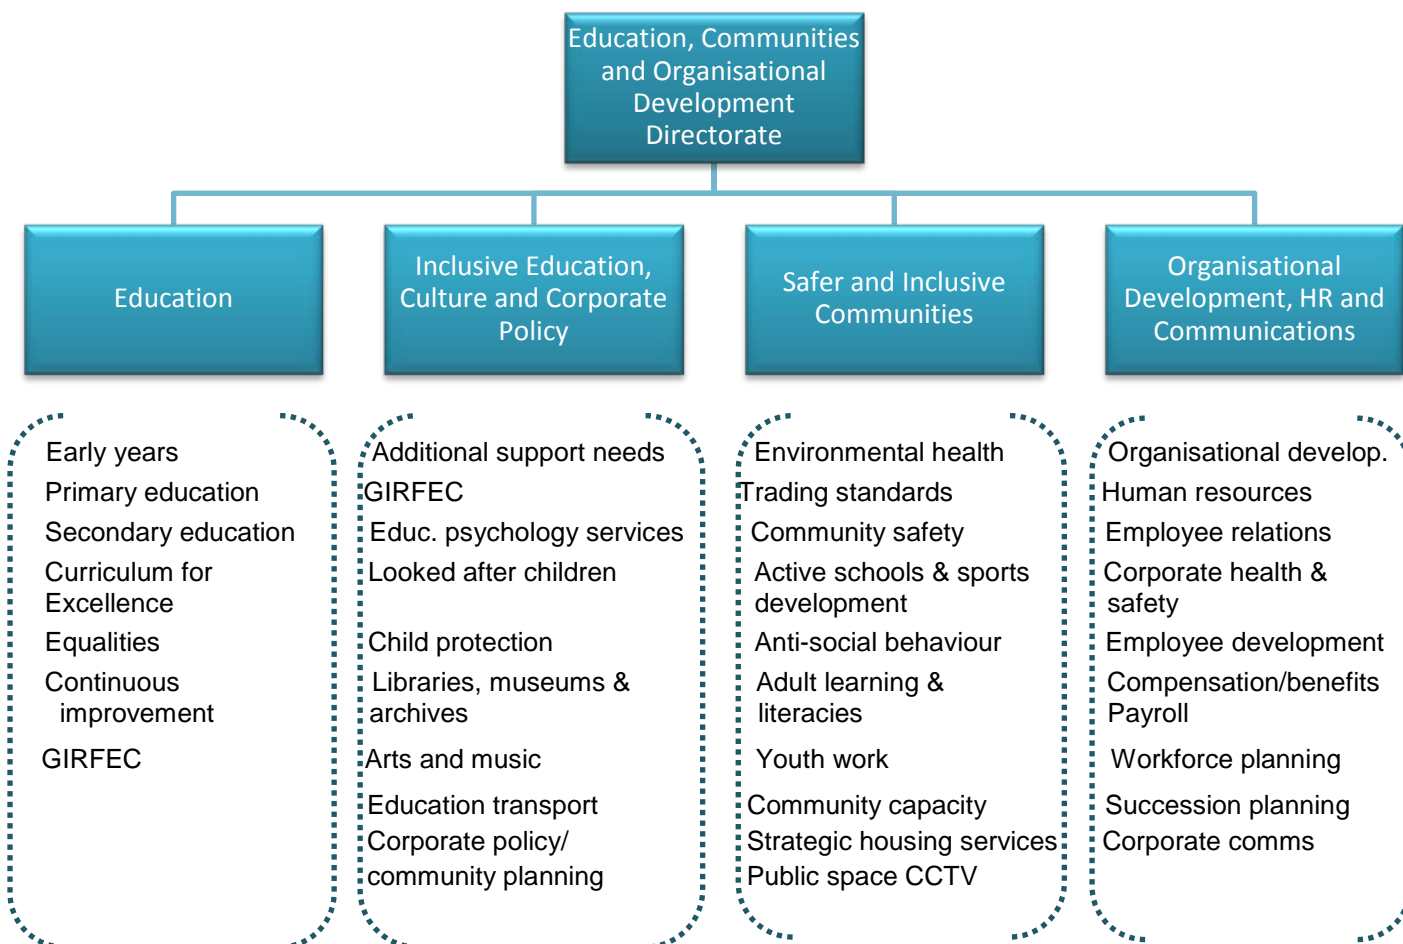

2.1 Purpose and scope of the Directorate

The primary roles of the Directorate are to:

- provide education, culture and lifelong learning;
- support safer and inclusive communities; and
- provide the corporate back office functions of human resources, organisational development, communications, corporate policy and partnership working.

These services all sit within the Council's vision of a *Nurturing Inverclyde* where we are **Getting it Right for Every Child, Citizen and Community**, working towards the achievement of the wellbeing outcomes, where all our children, citizens and communities are Safe, Healthy, Achieving, Nurtured, Active, Respected, Responsible and Included.

The Directorate comprises four services. The Directorate's management structure is:

2.2 National and local context

New legislation emerging from the Scottish and UK Governments will directly impact on the nature of the services that the Directorate provides during the next three years. Legislation that will come into effect during the life of the Plan includes:

- The Children and Young People (Scotland) Act 2014
- The Community Empowerment (Scotland) Act 2015
- legislative changes in employment law, health and safety and pensions
- changes in the National Terms and Conditions for Local Government Employees
- The Education (Scotland) Act 2016
- The Community Justice (Scotland) Act 2016.

There are a number of consultations around proposed issues such as Public Sector Exit Payments and the Trade Union Bill which we will keep abreast of, to be aware of any potential impacts on service delivery.

Additionally, between 2016/17 and 2017/18, the Scottish Parliament Elections and a Local Government Election will take place which may have an impact on legislation as well as national and local priorities. The 'rolling' nature of this Plan will allow services to adapt to any changes. The UK Government Election called for June 2017 may also impact on the delivery of this plan.

Public Sector Reform

Significant transformation for public services continues in Scotland with major reforms being undertaken by the Scottish Government in local government, health, social care and the uniformed services. Public services still face serious challenges with the demand for services set to increase dramatically over the medium term, while public spending becomes even further constrained. This means that the Council will, in effect, have to achieve more with less.

To manage this, we continue to identify where we can focus on early intervention, reducing costs and improving performance. This is a challenging agenda for the Council and the Directorate has a key role to play in helping the Council get it right by providing support for parents and young children at the early stages of a child's life; helping children and young people to achieve in education and move onto employment; providing further learning and training opportunities; tackling anti-social behaviour at an early stage and improving our other prevention work.

In addition to the above, the Directorate operates and delivers services within a diverse policy and legislative framework which is detailed below:

All Services in the Directorate

- The Equality Act 2010
- Curriculum for Excellence
- The Community Empowerment (Scotland) Act 2015
- The Schools (Health Promotion and Nutrition) (Scotland) Act 2007
- The Children and Young People (Scotland) Act 2014
- The Mental Health Strategy for Scotland 2012/15
- Working for Growth: A Refreshed Employability Framework for Scotland 2012
- Strategic Guidance for Community Planning Partnerships: Community Learning and Development 2012
- The Requirements for Community Learning and Development (Scotland) Regulations 2013
- National Improvement Framework
- The Welfare Reform Act 2012
- The Local Government in Scotland Act 2003
- The Early Years Collaborative

- The Raising Attainment for All Programme 2015
- Scottish Attainment Challenge

There is also legislation which is specific to the Directorate's individual Services some of which is attached as Appendix 1. Much of the legislation is listed in the Council's scheme of delegation <http://www.inverclyde.gov.uk/law-and-licensing/standing-orders-and-scheme-of-administration>.

2.3 Customer focus

The Directorate's customer base is varied and wide. It includes all Inverclyde's children and their parents, those living in communities served by the Community Wardens, as well as communities supported by Community Learning and Development (CLD) employees. It also extends to the media, people with an interest in libraries, culture and the arts, as well as those that are seeking employment with the Council. In addition, the Directorate provides support to colleagues in the Council through the functions of Corporate Policy and Organisational Development, Human Resources and Corporate Communications.

Corporate customer engagement takes place through our  [Citizens' Panel](#) which the Inclusive Education, Culture and Corporate Policy Service has responsibility for. Two Citizens' Panel surveys are carried out each year, the results of which are reported to the Council's Policy and Resources Committee and posted on the Council's website. Newsletters are also sent to Citizens' Panel members to let them know how their comments have been taken on board.

Council Services use customer engagement as an essential tool to measure satisfaction and feedback received is used to improve service delivery. Other forms of customer engagement carried out by the Directorate during the past three years include:

- food hygiene inspections of business premises under a new cross-contamination inspection regime
- an end of programme evaluation for all CLD participants (on-going)
- a survey of young people to ascertain the need for a town centre youth facility
- a survey of employee new starts and leavers (on-going)
- feedback forms were issued to all delegates attending corporate training courses (on-going)
- online survey of applicants and the wider public using the national recruitment portal  [My Job Scotland](#) (on-going)
- in partnership with the Health and Social Care Partnership, a Health and Wellbeing Survey was conducted in all secondary schools in Inverclyde in 2013; the Survey was followed up in 2015 by a Health and Wellbeing Conference for young people entitled *#Clyde Conversations*
- an Employee Survey was carried out in Winter 2015
- our Budget Consultation processes
- learner-led action research in adult literacies
- Libraries engagement on the relocation of the Central Library
- a public consultation on the School Transport Policy
- development of a Youth Participation Strategy
- developing a 'penny for youth thoughts' Youth Council
- a second *#Clyde Conversations* conference for young people
- development of a Local Housing Strategy 2017/21

Between now and March 2019, we plan to engage with our stakeholders in the following ways:

- further budget consultation processes
- engagement on and the development of a new Local Outcome Improvement Plan to replace the SOA and building community capacity to engage
- carrying out a geographical needs and strengths assessment
- development of locality plans

- learner-led action research
- Café Conversations - needs analysis events for English for Speakers of Other Languages learners
- an Employee Survey
- on-going evaluation on the Libraries service delivery.

We also carry out formal and informal engagement with customers through pupil councils, the Youth Council, parent councils and community groups, Adult Learners Forum in Inverclyde and the WOOPi Advisory Group, as well as on-going engagement with individuals through the Community Wardens' service.

The Council's educational psychology service (EPS) engaged in a Validated Self-Evaluation Activity in partnership with the Education Authority, key local authority partners/stakeholders and HM Inspectors, Education Scotland. The themes reflect the Scottish Government's national priorities and relate to the contributions made by the EPS to raising attainment, addressing disadvantage and supporting and implementing *Getting it Right for Every Child*. The evaluative activity enabled the EPS to evidence the impact and outcomes of early intervention and prevention across the full range of service delivery.

Additional stakeholder services that we engage with include other public sector organisations and the voluntary sector through community planning and the development of the Single Outcome Agreement/Local Outcome Improvement Plan (LOIP). The Community Planning Partnership includes the Third Sector Interface which is the medium through which the Partnership engages with the voluntary sector.

Additionally, through community planning, community engagement is co-ordinated through the Community Engagement and Capacity Building Network. The Network engages with a wide variety of audiences around the local Single Outcome Agreement Outcomes/LOIP and other topic areas. The Our Place Our Future engagement in particular is a far reaching community wide engagement, using the Place Standard, to identify the key issues to be included in the LOIP and Locality Plans.

2.4 Equality

The ECOD Directorate is committed to ensuring equality of opportunity in everything that it does. The Head of Education chairs the Council's Corporate Equality Group, which takes the lead in ensuring the Council meets its duties under The Equality Act 2010.

Services carry out equality impact analysis (EIA) on new or significantly changing policies, strategies and procedures, as well as on budget saving proposals. EIAs completed or planned by the Directorate include:

Completed

- Pay and Grading Model
- Stress Policy
- Conditions of Service
- Single Outcome Agreement 2013/17
- Inverclyde Libraries Service Plan 2014/15
- Inverclyde's Sexual Health Action Plan
- Inverclyde Sports Framework
- The Watt Library Complex Heritage Lottery Fund bid
- Budget saving proposals
- 3 Year Plan for Community Learning and Development

Planned

- McLean Museum Service Plan
- Schools Transport Review
- Equality and Diversity at Work

- Supporting Attendance Policy
- Infection Control Policy
- Conditions of Service
- Respect and Dignity at Work
- LOIP 2017/22
- Locality Plans
- Proposed budget savings
- Revised Pay and Grading Model
- LGBTQI Charter for Young People (LGBTQI Scotland)

The Council also has a series of Equality Outcomes and every Service in the Directorate will continue to work towards the achievement of these during the next year. Details of these Outcomes can be viewed here  [Equality and Diversity](#).

The Council's overarching Equality Outcomes are:

1. Inverclyde Council's employees and elected members are able to respond confidently and appropriately to the needs of service users and colleagues.
2. Inverclyde's children, citizens and communities are able to access our services and buildings with ease and confidence
3. Measures to prevent and eradicate violence against women and girls are making Inverclyde a place where all individuals are equally safe and respected and all women and girls can expect to live free from such abuse and the attitudes that perpetrate it
4. There are no barriers in recruitment, training and promotion opportunities for the Inverclyde Council workforce.
5. All Inverclyde residents have an opportunity to share in the area's economic growth.

Education Equality outcomes

- Ed1. All children and young people have the support that they need in relevant areas
- Ed2. Outcomes for all pupils are improved regardless of gender, ethnicity or any barriers to learning
- Ed3. All school communities recognise and respect people of diverse age, race, faith, gender, sexual orientation, disability and ethnic culture.

In section 6 of this Plan, there are a number of improvement actions of particular relevance to delivery of the Council's duties under The Equality Act 2010.

The performance management of this document will help the Council to monitor how it is performing towards the achievement of its Equality Outcomes.

2.5 Sustainability of the environment

The Directorate supports implementation of the Council's flagship *Green Charter* environmental policy which aims to reduce energy and waste and promote the sustainable use of resources in the Council and across our community. For example, employees are encouraged to use the recycling facilities provided in Council premises or participate in our *Cycle to Work* scheme. The scheme is a Government-approved salary sacrifice initiative which allows staff to hire a bike and accessories to a value of £1,000 for the

purpose of cycling to work (or for part of the journey). The project assists employees to reduce journey costs, traffic congestion and pollution; it also helps to support performance of one of our sustainable development performance indicators i.e. *to reduce CO₂ emissions within the scope of influence of the local authority*, also known as our *area-wide emissions*.

The Directorate's Services are encouraged to help the Council reduce its carbon emissions which in turn supports delivery of the Council's Carbon Management Plan 2011/16. Employees are provided with information to help them reduce their energy consumption in the office, for example, by switching off monitors when not using PCs; turning lights off; buying recycled paper; restricting the use of colour printing; considering the environment before printing any documents and turning taps off after use.

Our educational establishments also have a critical role to play in the implementation of our corporate *Green Charter* environmental policy by promoting sustainable development and environmental sustainability. It is vital that young people gain an early understanding of key environmental issues and become aware of ways they can make a difference through their personal actions. Our *Schools Green Charter* initiative therefore seeks to reduce the environmental impact of Inverclyde's educational establishments and help promote a culture of environmental sustainability by educating young people on the subject of sustainability. Every school in Inverclyde has signed up to the *Green Charter* with a view to taking actions to reduce their environmental impact and achieve the *Eco Schools Green Flag* award.

The delivery of our School Estate Management Plan aims to ensure that all Inverclyde schools are replaced or fully modernised by 2020. Mindful of research into the positive impact of good environmental conditions on pupil attainment, the designs for our new schools place a strong emphasis on natural ventilation, high levels of natural day light and appropriate temperature control, together with energy and carbon reduction measures. This is further enhanced with other environmental sustainability initiatives such as a small wind turbine at Inverclyde Academy, a biomass boiler at the joint campus in Port Glasgow and photovoltaic cells at various sites.

To promote energy efficiency in our communities, the Directorate works in partnership with Home Energy Scotland (HES), the Inverclyde Home Energy Advice Team (iHEAT), the Home Energy Efficiency Programme (HEEPS) and the Scottish Energy Efficiency Programme.

HES provides information about heating and insulating homes, saving energy and cutting costs. i.HEAT offers a free and impartial home visit service, as well as advice on all aspects of home energy use, including how to reduce energy bills. The Council also promotes grant availability and improved energy efficiency to owners through the HEEPS programme. To find out more about these services, visit [Home Energy Efficiency Services](#).

2.6 Risk management

The key risks that the Directorate faces include:

- financial - financial pressures are affecting all public sector agencies and the Directorate needs to closely monitor budgets to ensure service delivery remains efficient, effective and value for money;
- reputation - potential for lack of buy-in and support for local government benchmarking projects and equality and diversity outcomes could lead to non-compliance with legislation or adverse external criticism resulting in a negative impact on the Council's reputation;
- legal and regulatory - potential for lack of support and buy-in could lead to non-compliance with legislation particularly regarding The Equality Act 2010, The Community Empowerment (Scotland) Act 2015 and the Statutory Performance Indicators Direction 2015; and

- operational and business continuity - potential for possible inconsistencies in the roll-out of corporate systems and the potential for failure to implement policies and procedures could all have detrimental impacts on operational and business continuity.

The detailed risk management plan is attached at as Appendix 2 on page 69.

Opportunities exist to act in a more corporate manner across Directorates in order to reduce risks and these will be explored over the life of this plan.

2.7 Competitiveness

As part of the requirement to demonstrate best value, the ECOD Directorate sets out its approach to the competitiveness agenda as part of this CDIP.

Competitiveness is a complex area and not simply an issue of delivering services for the least cost. In the public sector, competitiveness can perhaps be better described as *challenge* and *improvement* as this is what the Directorate requires to do to drive continuous improvement and best value.

The Audit Scotland *Best Value Toolkit 2010: Challenge and improvement* sets out the following definitions:

Challenge

- The organisation has a proven record of adjusting its services as a result of internal or external challenge, achieved with an improvement of services.
- The organisation can justify that its delivery methods, whether in-house or otherwise, offer best value, within the context of its wider objectives.
- As part of its strategic approach to procurement and commissioning it undertakes objective options appraisal to explore and optimise a wide range of contract or partnership options. The organisation understands the impact of its activities on the local economy, and makes decisions based on clear policy objectives.

Improvement

- The organisation continually challenges and improves its performance. It has reviewed, or has plans to review, its services to ensure best value - an improvement programme is in place which takes account of customer and staff feedback and is readily available to citizens. It assigns responsibility, accountability and resources appropriately following improvement reviews.
- It uses the 'four Cs' (Consult, Compare, Challenge, Compete) effectively in reviewing services. Reviews are timely and the council can demonstrate improved outcomes and value for money as a result. Improvements are targeted in line with priorities, and performance indicators and satisfaction measures in reviewed areas are satisfactory or improving.
- It can demonstrate impact through improved service, or governance outcomes, and monitors and regularly reviews the quality and progress of its improvement activity.

Our self-evaluation guidance *Are we Getting it Right for Every Child, Citizen and Community?* supports the Directorate to carry out robust self-evaluation, using data from a variety of sources which informs the development of improvement actions, including those set out in section 6 of this Plan. A variety of processes are used to gather the data which informs on-going self-evaluation across the Council and is used to develop and adapt services to better meet the needs of customers.

The benchmarking information derived from the Improvement Service's Local Government Benchmarking Framework (LGBF) will also inform areas where the Directorate will focus attention and carry out further detailed internal analysis, in addition to learning from better performing councils.

The Council is currently involved in a number of LGBF benchmarking family groups around the topics of libraries, equalities, museums, human resources and looked after children. The family group process is

used to assess performance, learn from good practice, highlight the Council's own good practice to other authorities and deliver improvement across the local authorities who make up the groups.

In addition to the LGBF family groups, a number of the Directorate's service areas already participate in well-established benchmarking activity such as:

- environmental health via the Association for Public Service Excellence, with future development of Trading Standards
- health and safety
- HR policy
- Education Services' benchmarking across local and national networks, as well as WITH our 'virtual comparators'
- educational psychology benchmark with neighbouring services (Argyll and Bute, West Dunbartonshire, Renfrewshire, North Ayrshire)
- through the Scottish Attainment Challenge initiative, we will benchmark with the other six authorities involved
- for school attainment, virtual comparison is now possible through the INSIGHT system (an online tool for secondary schools and local authorities to benchmark and improve the performance of pupils in the senior phase); comparisons can be made at authority level, school level and wider achievement
- employee survey benchmarking via Public Service Improvement Framework network
- the Duke of Edinburgh Awards Scheme is compared on a yearly basis, for example, participation rates, success and completion
- submitting core facts on our school estate to Scottish Government which is published annually for all authorities
- submission of Active Schools Monitoring reports to **sportScotland**.

Over the years we have worked with other local authorities to help them learn from our good practice and vice versa. Education Scotland inspections show that we perform really well in our schools in comparison to our comparator authorities and the Council has been working with the Scottish Government regarding the implementation of The Children's and Young People (Scotland) Act 2014 to develop examples of good practice from Inverclyde.

The development of the Participation measure (which will follow on from the School Leavers Destination Results) will allow CLD services across the board to compare like for like as well as identify how well Inverclyde is doing in relation to its virtual comparators and/or comparator authorities.

The developing Scottish Improvement Framework will compare literacy and numeracy via Standardised Testing and indicators for health and wellbeing, which will allow services to benchmark to identify how well we are supporting all our children and young people.

3. Summary of Resources

The Directorate's budget for 2017/18 is outlined below

Expenditure and FTE numbers

Resource Statement: Education and Communities

<u>Service</u>	<u>2017/18</u>		
	<u>Gross Exp</u>	<u>Net Exp</u>	<u>FTE</u>
	<u>£000's</u>	<u>£000's</u>	-
Director	141	141	1
Education	71492	70255	1022.78
Inclusive Education, Culture	12424	11435	308.09
Safer & Inclusive Communities	9252	8505	152.93
Education & Communities Committee Total	93309	90336	1484.42
Organisational Development & Human Resources	1763	1587	37.86
Corporate Policy	188	188	4
Policy & Resources Committee Total	1951	1775	40.86
Education and Communities Directorate Total	95260	92111	1525.28

4. Self-Evaluation and Improvement Plan

The Improvement Plan for the Directorate is attached at section 6. It has been developed based on robust self-evaluation using both formal (such as external audit, inspection reports, validated self-evaluation) and informal self-evaluation techniques (such as service self-assessment).

Self-evaluation carried out by the services in the Education, Communities and Organisational Development Directorate includes:

- **Human Resources and Organisational Development** – review of performance indicators; Public Services Improvement Framework review undertaken in 2015; general benchmarking of HR policies and practices across Scotland; gathering best practice; self-assessment against the Annual Governance Statement; Internal Audit reports; customer satisfaction survey (HR Operations); CDIP performance reporting; employee opinion survey
- **Corporate Communications** - national communications advisory group (cross-boundary working and campaigns, links into other organisations, for example, the Scottish Government marketing team), employee opinion survey
- **Educational Psychology** – validated self-evaluation; annual review with the senior management team members; evaluation of professional development initiatives; Education Scotland; audit of reciprocal teaching; cross-authority work with West Dunbartonshire; Education Scotland good practice visits
- **Libraries and Museums** – internal service self-evaluation using the Public Libraries Quality Improvement Framework Toolkit; involvement in the Clydeview Learning Community inspection; customer engagement exercises
- **Corporate Policy** – using the Scottish Performance Management Forum to benchmark and peer review; the Local Government Benchmarking Framework; customer satisfaction survey; Audit Scotland Assessment of Public Performance Reporting; self-assessment against Audit Scotland reports; leadership evaluation for community planning; Citizens' Panel surveys.
- **Education** – Standards and Quality reports at both centre and service level, Improvement Plans at both centre and service level, How Good is Our School? 3 and 4, How Good is our Early Learning and Childcare? The National Improvement Framework, School and Care Commission inspection reports, self-assessment against the requirements of the Education (Scotland Bill), Insight Benchmarking toolkit, School reviews.
- **Safer and Inclusive Communities** – development of the Association for Public Sector Excellence Performance Network for Environmental Health; internal audits of Trading Standards and Environmental Health; external audit of Food Safety by Food Standards Scotland; ASSD benchmarking of Active Schools monitoring data; Education Scotland inspection of the Clydeview Learning Community included an assessment on *How Good is our Culture and Sport?*; regulatory benchmarking via the Scottish Food Liaison Committee, West of Scotland Food Liaison Group, West of Scotland Health and Safety Liaison Group, Health and Safety Co-ordinating Group, Public Health and Housing Liaison Group, Scottish Pollution Control Co-ordinating Committee, Scottish Health Protection Network, Society of Chief Officers of Environmental Health, Society of Chief Officers of Trading Standards Scotland (and sub groups), Association of Local Authority Chief Housing Officers.

The main findings from our self-evaluation were:

- **Human Resources and Organisational Development** – Performance indicators are improving, some internal communication and training issues require to be addressed, some service improvements have been highlighted, Inverclyde Council tends to be similar to other authorities regarding HR policy and practices. The Annual Governance Statement highlighted areas requiring action; internal audit improvement actions in our action plan; customer satisfaction surveys highlighted good practice with high satisfaction in some areas together with other areas for improvement; many indicators in our own employee opinion survey have improved on 2013 responses.

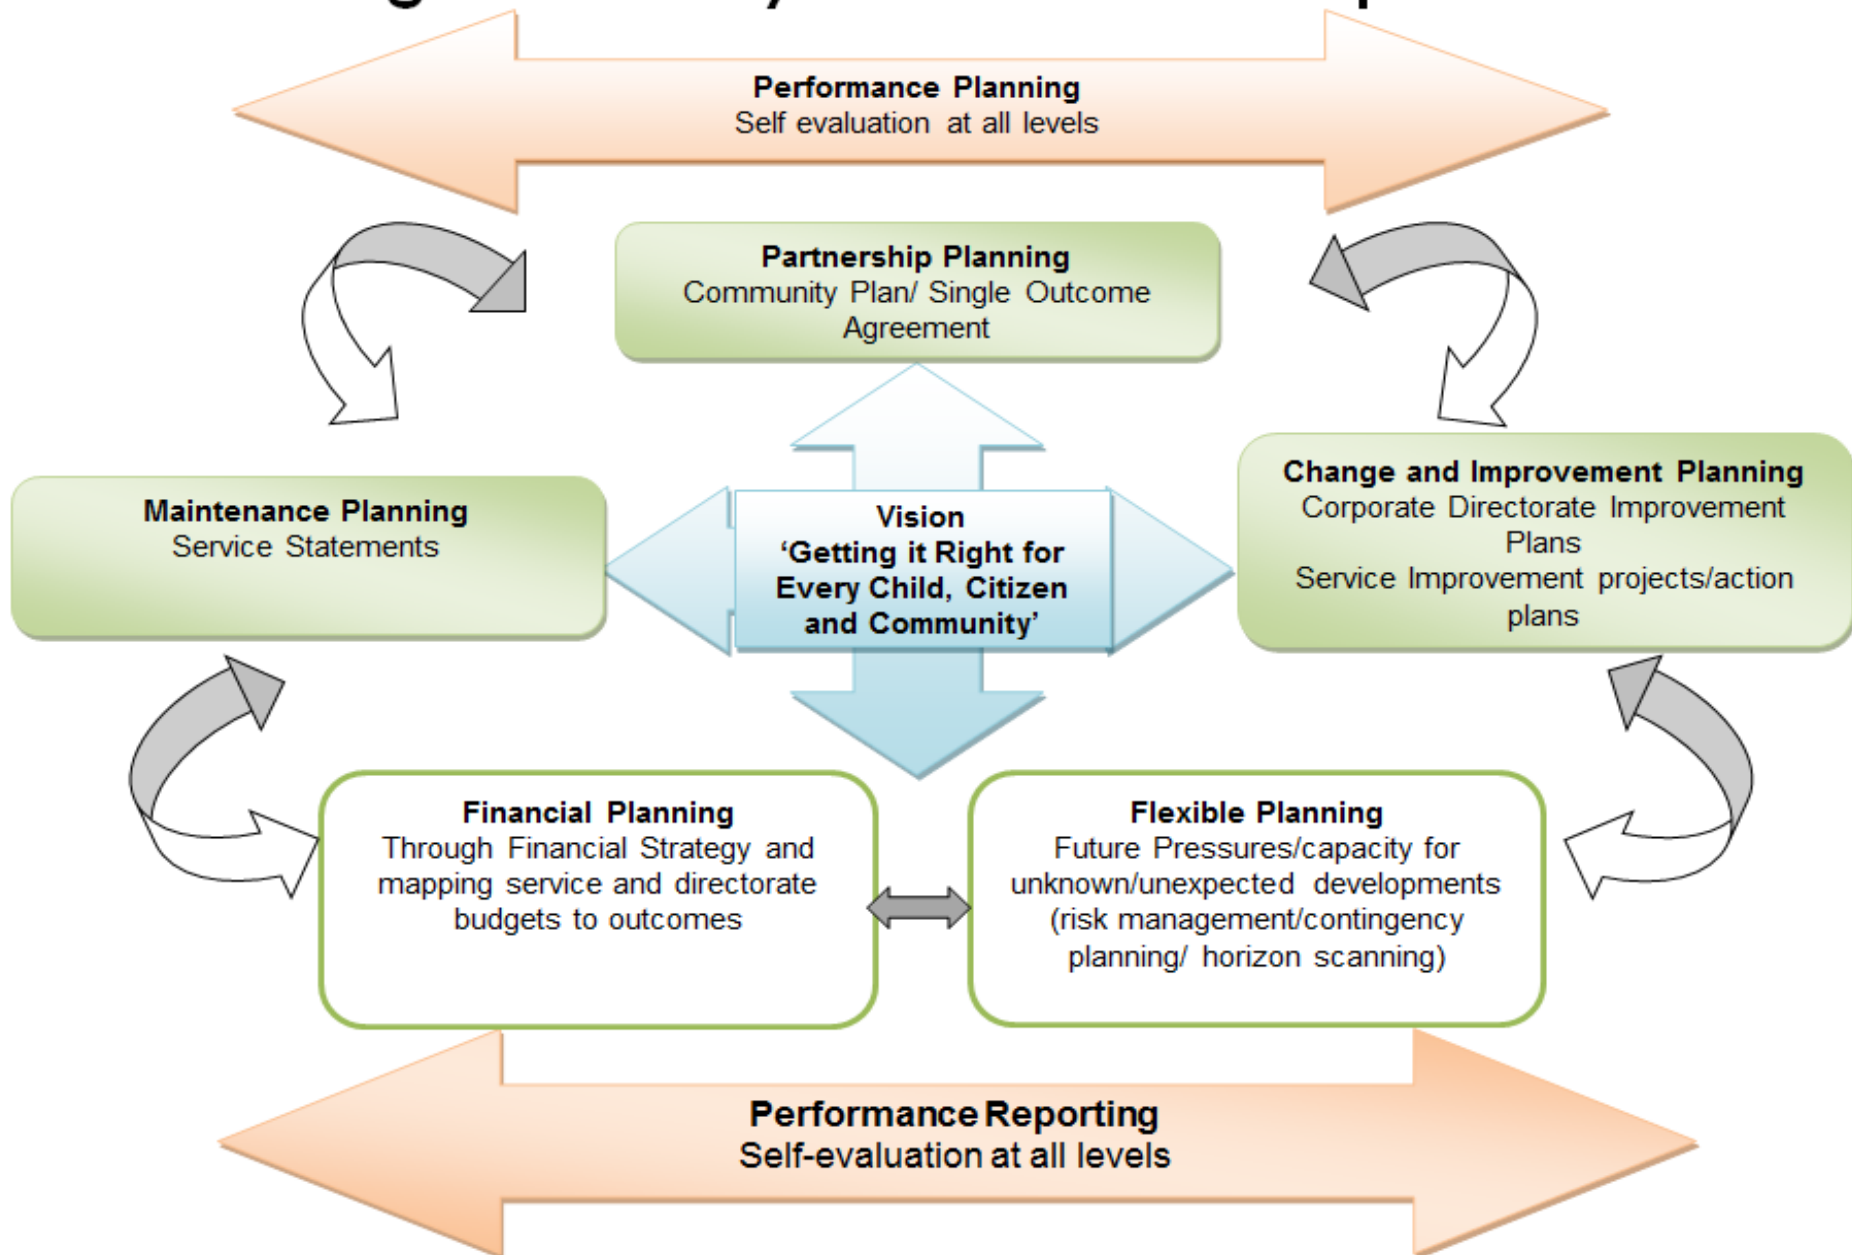

- **Educational Psychology** – the validated self-assessment affirmed that Educational Psychology has robust self-evaluation processes in place, contributing positively to a reduction in exclusions and an increasing number of pupils educated in their local communities. Annual reviews evidence significant contributions to supporting school staff in meeting the needs of children and young people in educational establishments. The implementation of Positive Relations, Positive Behaviour Policy has had a positive impact. A review of reciprocal teaching identified further needs for support in roll-out while the good practice visit captured work on meeting the mental health needs of children and young people.
- **Libraries and Museums** – Small service delivery improvements were identified which feed into service planning, vision and strategy development. Customer feedback mechanisms have been developed.
- **Corporate Policy** – developments regarding Public Performance Reporting to include the creation of infographics; customers are generally happy with the service provided. Further improvement actions identified for the Community Planning Partnership include leadership, vision and relationships, which will be supported by the service.
- **Education** – new priorities have been identified regarding to The Education (Scotland) Bill, benchmarking has highlighted Inverclyde attainment levels compare well with our virtual comparators, but continued work is required to support our pupils, there remains an attainment gap between our most and least affluent communities.
- **Safer and Inclusive Communities** – both external and internal audits indicated that the service delivered was *good* or *very good*. Through benchmarking via Association for Public Sector Excellence, some room for improvement has been identified, although this process is still at an early stage. Trading Standards was identified as being too small to be resilient but internal reorganisation and recruitment should ensure that the service is stronger going forward. ASD is progressing well, although additional effort will be required to maintain progress on two hours of PE per week in schools. The *How Good is our Culture and Sport?* and Community Learning and Development parts of the inspection of Clydeview Learning Community identified an *excellent* and three *very goods*.

Strategy development and service reviews which will be taking place over the life of this plan include:

- revision and development of volunteering in Inverclyde
- preparation, approval and delivery of the Council's People and Organisational Development Strategy
- Community Safety Strategy
- Waivers' Policy
- School Transport Review
- Anti-Social Behaviour Strategy Review
- Review of summer playschemes.

The diagram on the following page sets out the planning cycle for the Council, including the various levels of planning that take place. All of this requires to be underpinned by self-evaluation. Corporate Directorate Improvement Plans sit within change and improvement planning but are underpinned by all other aspects of planning, particularly financial planning.

Planning for Delivery and to Secure Improvement

5. Education, Communities and Organisational Development 3 Year Overview

The *Nurturing Inverclyde* wellbeing outcomes are detailed on page 20. A summary of the overarching three year improvement priorities for our Directorate are outlined on the pages 21/22; they have been expressed in the context of the wellbeing outcomes. The overarching improvement priorities extend from year one to year three.

In addition to Directorate's improvement priorities, there are also aspects of our work which are on-going: work that is significant but nonetheless can be classified as *business as usual*. These areas of work are captured in the Service Statement and Standards for each service area. The improvement priorities and associated actions are very much focused on the improvements we plan to make during the next 1-3 years. Monitoring of the maintenance or 'business as usual' activity is undertaken by individual Directorate and Service Management teams, as well as through the performance reporting under the Council's Statutory Performance reporting, including the Local Government Benchmarking Framework indicators. Additionally, for specific pieces of work, there are other reporting mechanisms to the Council's committees.

The Directorate Year 1 Action Plan follows the three year overview, broken down into:

Section	Actions	Page
5.1	Corporate Improvement Actions	23
5.2	Cross Directorate Improvement Actions	29
5.3	Service Improvement Actions	35
5.4	Capital Projects Improvement Actions	46
5.5	Corporate Governance Improvement Actions	48.

Successful Learners

Responsible Citizens

3 Year Improvement Overview

Education	Wellbeing Outcome
Implementing the duties of the Equality Act 2010 (CA1)	
Implementing the duties of The Education (Scotland) Act and Children and Young People's Act (Ed1 and CD1)	Achieving; Nurtured; Safe
Development of systems to monitor attainment in Broad General Education (Ed2)	Achieving
Developing Inverclyde's Young Workforce (CD5)	Achieving; Included
Progression of the Scottish Attainment Challenge, Raising Attainment for All and the Early Years Collaborative (CD2)	Achieving; Nurtured
Implementation of 1+2 modern languages strategy – 3rd language element (Ed3)	Achieving
Roll out of online payments, for example, for school meals (Ed4)	Included
Plan for the national requirement regarding the significant expansion of hours for early years and childcare provision (Ed5)	Nurtured
Developing leadership in educational establishments (Ed6)	Respected; Included
Support for staff (Ed7)	Respected; Responsible
Safer and Inclusive Communities	
Launch of the Rankin Park Mountain Biking Hub and development of the Associated Schools Programme (SIC1)	Healthy; Active
Implementation of the Scottish Energy Efficiency Programme (SIC2)	Healthy; Safe; Responsible
Implement the new legislation on Tobacco Control and the development of a Trusted Traders Scheme (SIC 3 &4)	Responsible; Healthy; Respected
Increase volunteering in Inverclyde (CD3)	Respected; Responsible
Implementation of the Adult Literacies In Scotland 2020 (CD4), Accreditation of CLD supported qualifications (SIC5) and development of Adult Learning pathways (SIC7)	Achieving; Included
Implement Youth Work Outcomes (SIC6)	Respected; Responsible
Large-scale informal youth gatherings (CD6)	Responsible
Human Resources, Organisational Development and Corporate Communications	
Corporate Workforce Planning and Development (CA6)	All
Development of the Councils Corporate Identity (ODHRC 1)	Achieving
Succession Planning (ODHRC 2)	Responsible
Integrated Health and Safety training programme (ODHRC 3)	Safe; Responsible

3 Year Improvement Overview	
Disability Confident (ODHRC 4)	Respected; Responsible
Inclusive Education, Culture and Corporate Policy	
Support the implementation of The Community Empowerment (Scotland) Act 2014, for example, delivery of the new Local Outcomes Improvement Plan/SOA as well as the development of an approach to support services to implement locality planning (CA2, CA3 and CA4)	Included; Responsible
Further development of performance management and reporting (CA6)	
Implementing the recommendations from the Additional Support Needs Review (IECCP1)	Nurtured; Included; Achieving
Implementing the recommendations from the National Strategy for Public Libraries (IECCP2)	All
Key Corporate Initiatives and Change Management (CA 7 and CA8)	Achieving
All	
Engagement with Young People (CA4)	Respected

6. Education, Communities and Organisational Development 1 year Improvement Plan

**Corporate Improvement Actions
2016-17**

6.1 Corporate Improvement Actions

These actions have implications for the whole Council, or more than one Directorate, not just the Education, Communities and Organisational Development Directorate.

Capital Projects Improvement Actions 2016-17

6.4 Capital Projects Improvement Actions

These improvement actions are related to capital project improvements which the Directorate is the leading on, for example, how the Directorate will address any slippage of capital projects.

The Education, Communities and Organisational Development Directorate acts largely as a client of the Environment, Regeneration and Resources Directorate for the delivery of capital projects, e.g.:

- Schools Estate Management Plan
- Inverkip Community Centre
- Inverclyde Association for Mental Health (IAMH) Mearns Centre development
- Multi Use Games Areas
- Rankin Park Mountain Bike Hub
- Watt Complex (McLean Museum and Watt Library)
- Community facilities at Woodhall
- Birkmyre pitch improvements
- Housing Scheme of Assistance

Ref no	Area of Directorate activity	Where are we now?	Where do we want to be?	How will we get there (including timescale)?	How will we know we are getting there?	Who is responsible?	How much will it cost?	SOA and Wellbeing Outcome
CP1	Capital projects	The Directorate works in partnership with the Environment, Regeneration and Resources Directorate as a client in regard to capital projects.	Continue to work with ERR to ensure timescales are met, that slippage is kept to a minimum and plans are in place for moving in and out of buildings when required.	Client officers are liaising with ERR, and external providers and funding bodies to manage these programmes.	Progress on these are reported to Committee	Corporate Director and all Heads of Service	Within existing resources	Safe; Responsible

Corporate Governance Improvement Actions 2016-17

6.5 Corporate Governance Improvement Actions

These improvement actions relate to Corporate Governance Actions for which the Directorate is responsible and what action it will undertake to ensure improvements take place:

1. Introduction by Corporate Director

On behalf of the Environment, Regeneration and Resources Directorate, I am pleased to present our annual refresh of the Directorate Improvement plan for 2016 – 19. The Directorate Improvement Plan was comprehensively updated in 2016 as an integral part of the Council's strategic planning and performance management framework. Significant progress has been made in the last year. Particular highlights are

- Carriageways £3.029 million spend and 7% of network treated
- Footways £877k spend and 2.5% of network treated
- Lighting: 1486 new LED lanterns and 341 new columns supplied and installed in 2016/17
- Flood Prevention Schemes spend totalling £803k
- Facilities Management cleaning productivity improved Secondary and Primary schools
- Investment in Play Areas and Parks totalling £613k and new Big Lottery funded MUGA
- Produced a clean set of annual accounts for 2015/16
- Lead the financial support to a successful 2017/18 Budget Process
- Implementation of SWAN (Scottish Wide Area Network) in Inverclyde
- PSN Compliance Certificate
- Service level Agreement developed with IJB
- Governance documentation has been reviewed
- Continued delivery of the SEMP
- Construction of the new St Patrick's Primary School
- Refurbishment of Kilmacolm Primary School
- Refurbishment & Extension of Ardgowan and St John's Primary Schools
- Continued delivery of the Asset Management Plan (AMP)
- Construction of the new Inverkip Community Centre
- Construction of the new Vehicle Maintenance Facility at Pottery Street Depot
- Achieved our highest ever in year Council Tax Collection
- Successful implementation of Council Tax Banding Changes
- Implementation of Universal Credit Full Service
- Developed our Employer Engagement Action Plan
- Continued to expand our internal and external modern apprenticeship programme
- Re-contracted employability services
- Extended our Building Standards Verifier Status
- Brought Business Gateway in house
- Improved the utilisation of local suppliers through procurement

We continue to face the challenges in addressing the Inverclyde Alliance's vision for Inverclyde. Especially regenerating the local economy and addressing the decline in local population. A particular challenge in this respect will be responding to the economic situation in consequence of the UK leaving the European Union. The short term impact on business remains uncertain and it will be important to place Inverclyde in the most favourable position as 'Brexit' progresses.

Delivery of 'City Deal' is important in this respect. City Deal is a partnership of the eight local authorities which form the Glasgow City Metropolitan area and involves an investment of £1.13bn specifically to stimulate economic growth. Funding is through £0.5bn committed by central government, £0.5bn committed by Scottish Government and £0.13bn committed by local authorities.

The projected outcomes from 'City Deal' are 28,000 new jobs and an increase in GVA of 2.2billion pa. Inverclyde will benefit directly from City Deal through £28m of funding allocated to our three key City Deal projects which through the provision of roads infrastructure will deliver new housing (at Inverkip), increased tourism (increased capacity for cruise liners at Ocean Terminal) and provide a renewables infrastructure opportunity (Inchgreen). Inverclyde will also benefit indirectly from City Deal through the

Appendix Two – Environment, Regeneration and Resources CDIP Refresh 2017

expansion of the job market across the conurbation which will provide opportunities for Inverclyde residents.

Delivery of high quality services with reduced budgetary allocation remains a significant challenge within the timeframe of this plan.

The Directorate continues to assist in the organisational transformation of Inverclyde. As reported previously we will help deliver a future where:

- Inverclyde is seen as an area of outstanding success with significant physical, economic, cultural and social attributes,
- The 'gap' in terms of training, attainment and prosperity , between other mores successful areas and those currently in need has significantly narrowed,
- We have confident and cohesive communities where people are actively engaged in the regeneration of their areas.

We will support major initiatives including:-

- Delivery of the Inverclyde City Deal projects at the former Inverkip Power Station, Ocean Terminal and Inchgreen,
- Continue the development of our new local development plan
- Roll out various initiatives aimed at stabilising the local population,
- Our physical assets and resources are efficiently and effectively managed,
- Our governance and administration arrangements are appropriate for a 21st century customer facing organisation,
- We continue to implement the Flood Prevention Plan,
- We will continue to implement the Roads Asset Management Plan,
- Our recycling performance meets the Scottish Government recycling targets,
- We are implementing changes introduced through the Welfare Reform Act,
- Implementation of the School Estate Strategy continues
- Development of the Depot Rationalisation programme continues,
- The Council's on going support to those impacted by Welfare Reform,
- Development & delivery of a refreshed Digital Strategy

We continue to lead and support significant regeneration and area renewal initiatives with external partner organisations namely, Riverside Inverclyde and other organisations in the Inverclyde Alliance. We will also work alongside other Directorates and Partners to drive forward the delivery of Inverclyde's Community Plan, the Single Outcome Agreement and the Council's Corporate Statement. We will manage the changes introduced by the Welfare Reform agenda supporting the Registered Social Landlords and community during the transition. We will strive to deliver further efficiencies and protect front line services.

This annual review seeks to ensure that we continue to deliver against the Council's well-being indicators and support our vision of a Safe, Healthy, Achieving, Nurtured, active Respected and Responsible and Included Inverclyde. We hope this plan informs on the key activities, projects and outcomes which are core to the Environment, Regeneration and Resources Directorate.

2. Strategic Overview

2.1 Purpose and scope of the Directorate

The primary role of Environment, Regeneration and Resources Directorate is to bring together those services that support the regeneration of the area together with those that deal with the development and maintenance of the Council's physical assets and infrastructure to promote integrated working and enhance service delivery. To lead and deliver modernisation and continuous improvement across the organisation enabled through robust financial planning and management.

The Directorate is committed to delivering high quality professional and efficient services which are responsive to our customers' needs. To achieve a high standard of customer care and satisfaction through the effective delivery of our services and to deliver best value services to the Council and local stakeholders which provide positive outcomes for our customers. We will continue to listen and respond to our customers ensuring continuous improvement whilst maintaining and building upon strong working relationships with our customers and communities.

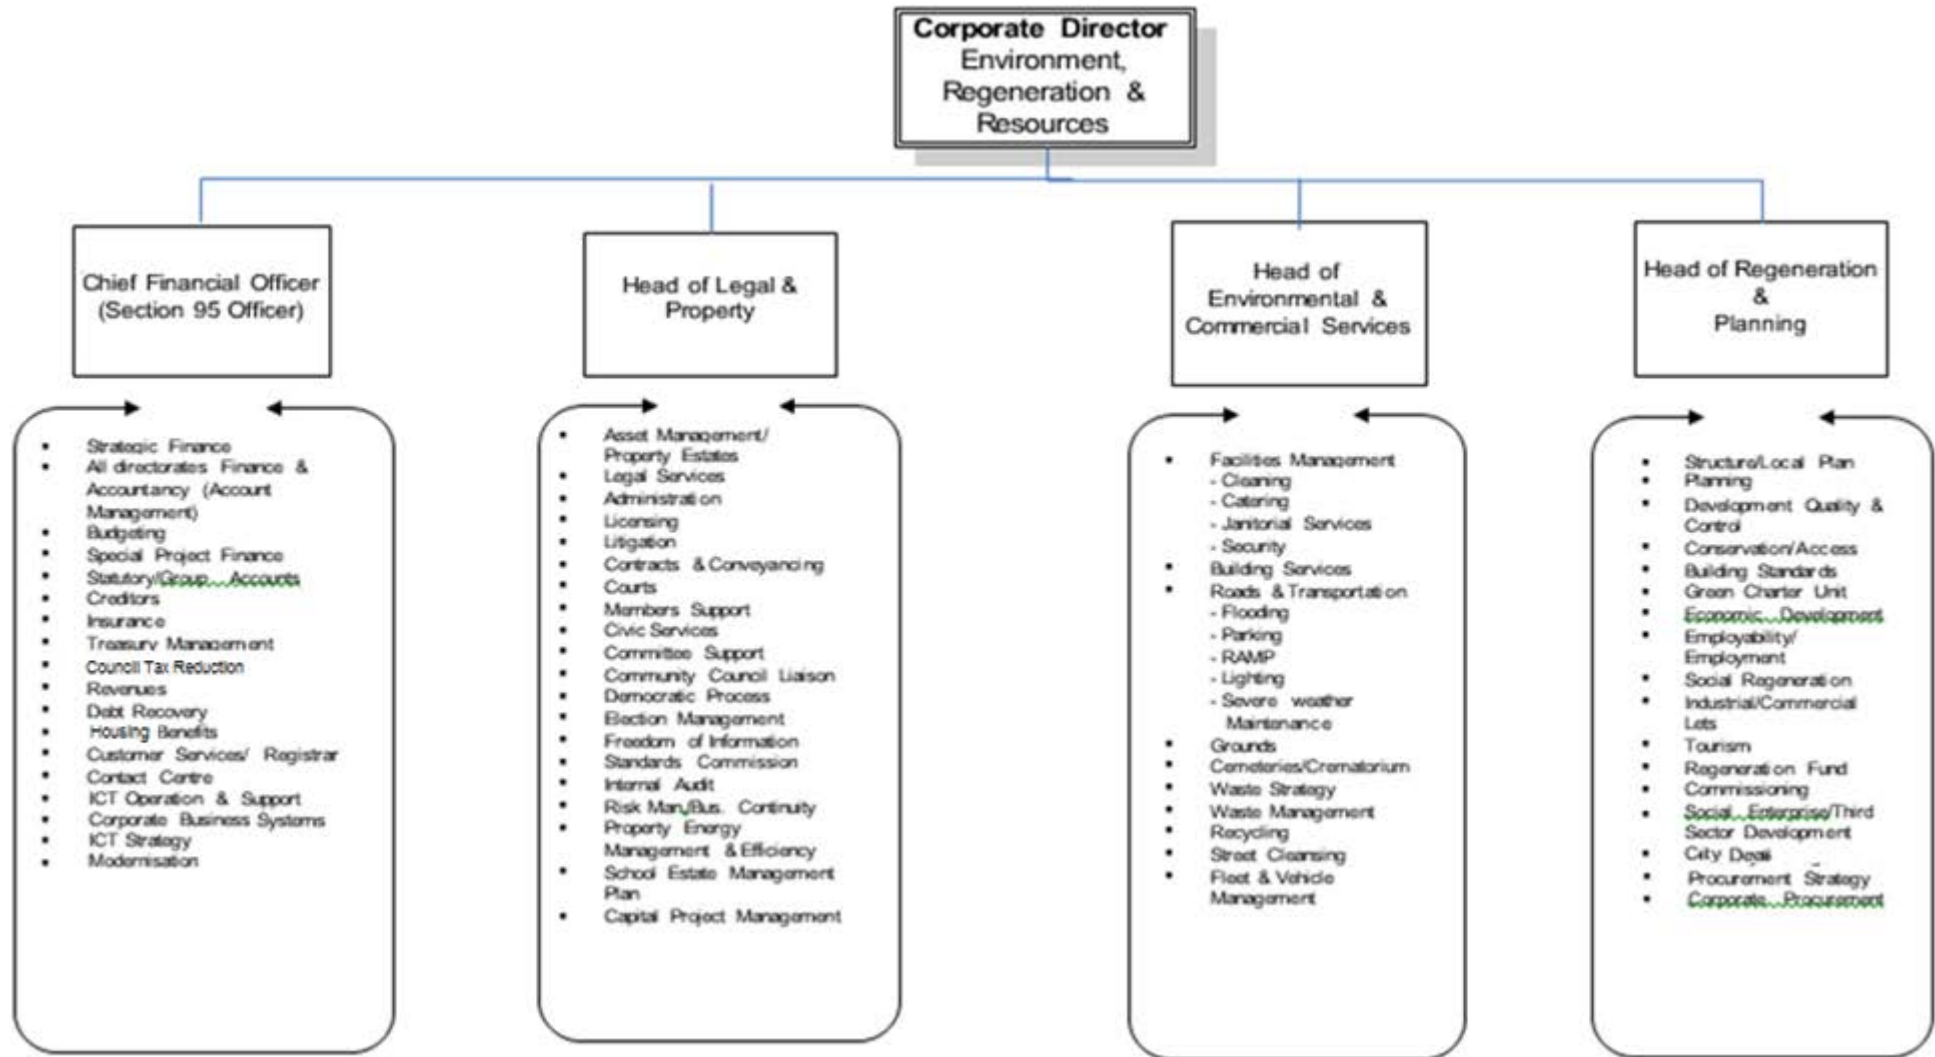

The Directorate comprises four services:

- Finance Service
- Legal and Property Services
- Environmental and Commercial Services
- Regeneration and Planning

These services all sit within the Council's vision of a *Nurturing Inverclyde* where we are **Getting it Right for Every Child, Citizen and Community**, working towards the achievement of the wellbeing outcomes, where all our children, citizens and communities are Safe, Healthy, Achieving, Nurtured, Active, Respected, Responsible and Included.

The Directorate's management structure is set out on the following page.

Environment, Regeneration & Resources Management Structure

2.2 National and local context

New legislation emerging from the Scottish and UK Governments will directly impact on the nature of the services that the Directorate provides over the next year. New legislation that will come into effect during the life of the Plan includes:

The Environment Regeneration and Resources Directorate in common with other directorates faces a diverse and complex range of challenges and opportunities over the period 2016/19. These will be generated from both a national and a local level. National influences that will affect service delivery include:

- The ongoing challenges to stimulate economic growth and address economic inequalities..
- Scottish Planning Policy 2
- National Planning Framework 3
- Zero Waste Scotland Strategy
- The Waste (Scotland) Regulations
- Flood Risk Management (Scotland) Act 2009
- Continued support of Business Gateway function within Local Authorities.
- Welfare Reform Act 2012
- The creation of a Scottish Social Security function
- European Structural Funds Programme 2014-2020
- The continued management of Regeneration Funding, with contracted delivery of end to end and specialist employability services.
- Ongoing development of National Training Programmes, including additional resources for targeted Youth Employment activity.
- Health and Social Care Integration
- The Community Empowerment (Scotland) Act
- Nutrition (Scotland) Act
- Local and Parliament Elections (impacts on legislation as well as priorities)

Public Sector Reform

There has been significant transformation for public services in Scotland in recent years with major reforms being undertaken by the Scottish Government in local government, health, social care and uniformed services. Public services face serious challenges ahead with the demand for services set to increase dramatically over the medium term, while public spending becomes further constrained. This means that the Council will, in effect, have to achieve more with less.

To manage this, a shift in focus is required towards reducing costs and improving performance. This is a challenging agenda for the Council and the Directorate has a key role to play in helping the Council get it right by improving the local infrastructure ,providing support for businesses and developing both front line services and support services which will meet our key priorities and objectives,

The Directorate covers a disparate range of services and this is reflected in the wide range of programmes/projects and improvement actions, which link to all five strategic outcomes listed in the Corporate Plan. Local influences that will affect service delivery include:

All Services in the Directorate

- Single Outcome Agreement.
- Corporate Statement 2013-17
- Equality agenda.
- Public Sector Improvement Framework Actions
- Citizens' Panel Results

Environment and Commercial Services

Appendix Two – Environment, Regeneration and Resources CDIP Refresh 2017

- Play Area Strategy.
- Inverclyde Council Waste Strategy
- Parking Strategy
- External funding – Coastal Communities and Heritage Lottery Fund.
- Roads Asset Management Plan
- Flood Action Plan
- Local Transport Strategy

Legal and Property Services

- The development and implementation of the Council's Internal Audit Plan
- Business Continuity Planning and Risk Management
- Office Rationalisation Programme
- Depot Rationalisation Programme
- Schools Estate Strategy.

Finance

- Digital Strategy
- ICT Strategy
- Customer Service Strategy
- Council Financial Strategy

Regeneration and Planning

- Tourism Strategy
- Inverclyde Economic Regeneration Strategy/Single Operating Plan
- Local Development Plan
- Inverclyde Employability and Inclusion Programme
- Youth Participation Measure
- Inverclyde Community Benefits programme.
- Procurement Strategy

Regulatory and evaluative bodies

- The Health and Safety Executive
- Audit Scotland
- Scottish Government
- Department of Work and Pensions
- SEPA
- SPSO/Information Commissioner
- Traffic Commissioner
- HMRC
- Ethical Standards Commissioner

These influences will impact on the work of the Directorate in the following key areas:

- The ongoing redevelopment of Inverclyde in partnership with Riverside Inverclyde and Registered Social Landlords.
- Direction of Channel Shift within Customer Services in line with the needs of the community
- The operational governance arrangements for how the Council interacts with its major service providers.
- The completion and ongoing implementation of the Council's Asset Management Plan.
- Improved linkages between social, cultural, economic and physical regeneration in Inverclyde.
- The development of the three identified City Deal projects
- The implementation of the Risk Management Strategy

- On going response to Welfare Reforms

2.3 Customer focus

The customer base of the Directorate is varied and wide. It includes all Inverclyde citizens, businesses, third and public sector partners, children and their parents as well as Registered Social Landlords (RSLs) In addition, the Directorate also provides support to colleagues within the Council through the functions of Finance, ICT, Legal and Property Services.

Customer engagement takes place through a number of formal and informal routes. In some areas such as the preparation and production of the Local Development Plan there is a statutory obligation to consult with developers and consultants as well as other public sector and third sectors organisations. This is done through correspondence and meetings.

There are regular meetings with the business community to promote business support products and employability opportunities, presentations delivered to local architects and surveyors on changes to planning and building legislation. Face to face engagement with Community Councils and school children to inform the planning of play areas. For all major schools projects extensive consultation takes place with staff, parents and pupils. Waste Collection has been consulting with local residents in advance and their views taken on board when designing new services such as food waste and glass collection services. There are a number of planned presentations and information sessions in respect of the overall waste strategy and regular feedback is encouraged and acted on.

Regular presentations and meetings take place with RSLs and third sector organisations to ensure that they are updated on changes to legislation affecting citizens on benefits and council tax reduction, this is particularly important as the changes introduced by the Welfare Reform Act 2012 are implemented. The Council's Citizens' Panel receives a questionnaire twice a year; the Directorate makes use of this consultation method, as appropriate. The Customer Service Strategy has also highlighted plans to conduct surveys and questionnaires to provide feedback from the community whilst the Digital Strategy recognises the changing requirements of our customers in respect of the way they interact with the Council.

Budget consultation is now embedded and involves Community Meetings, feedback via the Council Website and the use of an on line simulator

2.4 Equality

The Environment, Regeneration and Resources Directorate is committed to ensuring equality of opportunity in everything that it does..

Services carry out equality impact analysis (EIA) on new or significantly changing policies, strategies and procedures, as well as on budget savings. EIAs completed or planned by the Directorate include:

Completed

- Inverclyde Core Paths Plan Inverclyde Local Development Plan: Main Issues Report (MIR) and post MIR
Inverclyde Local Development Plan: Proposed Plan
- Customer Service Strategy
- Discretionary Housing Payments
- Digital Strategy
- EIA's on proposed savings and service reorganisation

Planned

- Economic Regeneration Strategy
- Inverclyde Local Development Plan

Appendix Two – Environment, Regeneration and Resources CDIP Refresh 2017

The Council also has a series of Equality Outcomes and every Service in the Directorate will continue to work towards the achievement of these during the next year. Details of the Council's Equality Outcomes can be viewed here [🔗 Equality and Diversity](#).

The Council's overarching Equality Outcomes are:

1. Through an increase in third party reporting facilities, people with protected characteristics feel safer within their communities and levels of hate crime are reduced
2. Council employees and Elected Members are able to respond confidently and appropriately to the needs of service users and colleagues who have protected characteristics
3. increased targeted engagement with Inverclyde's children, citizens and communities who have protected characteristics
4. All Services consistently gather and analyse information on their service users by protected characteristics, where appropriate, which is used to inform improvement planning.

In section 5 of this Plan, there are a number of improvement actions of particular relevance to delivery of the Council's duties under The Equality Act 2010. These have been gathered into the Council's Equality Outcomes document (which can be viewed via the above web link) to show how each service area is working to deliver the general and specific equality duties and work with people with protected characteristics.

The performance management of this document will help the Council to monitor how it is performing towards the achievement of its Equality Outcomes.

2.5 Sustainability of the environment

The Directorate supports implementation of the Council's flagship *Green Charter* environmental policy which aims to reduce energy and waste and promote the sustainable use of resources in the Council and across our community. For example, employees are encouraged to use the recycling facilities provided in Council premises or participate in our *Cycle to Work* scheme. The scheme is a Government-approved salary sacrifice initiative which allows staff to hire a bike and accessories to a value of £1,000 for the purpose of cycling to work (or for part of the journey). The project assists employees to reduce journey costs, traffic congestion and pollution; it also helps to support performance of one of our sustainable development performance indicators i.e. *to reduce CO₂ emissions within the scope of influence of the local authority*, also known as our *area-wide emissions*.

The Directorate's Services are encouraged to help the Council reduce its carbon emissions which in turn supports delivery of the Council's Carbon Management Plan 2012-17. Employees are provided with information to help them reduce their energy consumption in the office, for example, by switching off monitors when not using PCs; turning lights off; buying recycled paper; restricting the use of colour printing; considering the environment before printing any documents and turning taps off after use.

Through the Carbon Management team the Directorate is educating employees on the importance of recycling office waste, importance of turning off monitors and heating when not in the office. There is a sustainability assessment carried out by procurement for all goods and services over £50,000.

Considerable efforts within the Environmental and Commercial Services are contributing to the Council's and Scotland's sustainability strategies through a number of service areas such as recycling and waste reduction initiatives, newer, cleaner less polluting vehicles, electrical charging points for vehicles, lower energy street lighting, the flood action plan and reduced impact road and pavement repairs.

ICT have introduced a number of initiatives to reduce the Council's energy consumption and therefore reduce our Carbon footprint including energy efficient PCs and servers. The data centres have reduced the

number of servers, included energy efficient lighting and fewer and more energy efficient air conditioning units.

ICT have also brought in new models of Multifunctional Devices (printers) – these are more efficient and reduce carbon footprint and emissions. Part of the work on desktop rationalisation is to reduce the number of stand-alone printers across the authority.

Property Services works towards improving the sustainability of the Council's Property Estate in a number of ways including improving the energy efficiency and water use in buildings, incorporating energy generation in projects, specifying timber from sustainable sources and making waste reduction plans compulsory for Council building contracts.

2.6 Risk management

The key risks that the Directorate faces include:

- financial - financial pressures are affecting all public sector agencies and the Directorate needs to closely monitor budgets to ensure service delivery remains efficient, effective and value for money;
- reputation - potential for lack of buy-in and support for local government benchmarking projects and equality and diversity outcomes could lead to non-compliance with legislation or adverse external criticism resulting in a negative impact on the Council's reputation;
- legal and regulatory - potential for lack of support and buy-in could lead to non-compliance with legislation particularly regarding The Equality Act 2010, the forthcoming Community Empowerment (Scotland) Act and the Statutory Performance Indicators Direction 2015; and
- operational and business continuity - potential for lack of consistency regarding definitions of competitiveness, possible inconsistencies in the roll-out of corporate systems and the potential for failure to implement policies and procedures could all have detrimental impacts on operational and business continuity.

The risk management plan is attached at as Appendix 2.

2.7 Competitiveness

Competitiveness is a complex area and not simply an issue of delivering services for the least cost. In the public sector, competitiveness can perhaps be better described as *challenge* and *improvement* as this is what the Directorate requires to do to drive continuous improvement and best value.

The Audit Scotland *Best Value Toolkit 2010: Challenge and improvement* sets out the following definitions:

Challenge

- The organisation has a proven record of adjusting its services as a result of internal or external challenge, achieved with an improvement of services.
- The organisation can justify that its delivery methods, whether in-house or otherwise, offer best value, within the context of its wider objectives.
- As part of its strategic approach to procurement and commissioning it undertakes objective options appraisal to explore and optimise a wide range of contract or partnership options. The organisation understands the impact of its activities on the local economy, and makes decisions based on clear policy objectives.

Improvement

- The organisation continually challenges and improves its performance. It has reviewed, or has plans to review, its services to ensure best value - an improvement programme is in place which takes account of customer and staff feedback and is readily available to citizens. It assigns responsibility, accountability and resources appropriately following improvement reviews.
- It uses the 'four Cs' (Consult, Compare, Challenge, Compete) effectively in reviewing services. Reviews are timely and the council can demonstrate improved outcomes and value for money as a result. Improvements are targeted in line with priorities, and performance indicators and satisfaction measures in reviewed areas are satisfactory or improving.
- It can demonstrate impact through improved service, or governance outcomes, and monitors and regularly reviews the quality and progress of its improvement activity.

Our self-evaluation guidance *Are we Getting it Right for Every Child, Citizen and Community?* supports the Directorate to carry out more robust self-evaluation, using data from a variety of sources which informs the development of improvement actions, including those set out in section 5 of this Plan. A variety of processes are used to gather the data which informs ongoing self-evaluation across the Council and is used to develop and adapt services to better meet the needs of customers.

The benchmarking information derived from the Improvement Service's Local Government Benchmarking Framework (LGBF) will also inform areas where the Directorate will focus attention and carry out further detailed internal analysis, in addition to learning from better performing councils.

The Council is currently involved in a number of LGBF benchmarking family groups around the topics of (Council Tax, Waste and street cleaning). The family group process is used to assess performance, learn from good practice, highlight the Council's own good practice to other authorities and deliver improvement across the councils who make up the groups.

In addition to the LGBF family groups, a number of the Directorate's service areas already participate in well-established benchmarking activity such as:

- Environmental & Commercial Services – APSE, SCOTS, WMON
- Finance Services – CIPFA, Treasury Management Forum, IRRV, SOCITM
- Regeneration and Planning, SLAED , HOPS, PCA and LABSS

3. Summary of Resources

The Directorate's budget for 2016/17 is outlined below

Expenditure and FTE numbers

Resource Statement: Environment and Regeneration Directorate

<u>Service</u>	<u>2016/17</u>			<u>2017/18</u>		
	<u>Gross Exp</u>	<u>Net Exp</u>	<u>FTE</u>	<u>Gross Exp</u>	<u>Net Exp</u>	<u>FTE</u>

4. Self-Evaluation and Improvement Plan

The Improvement Plan for the Directorate is attached at section 5. It has been developed based on robust self-evaluation using both formal (such as external audit) and informal self-evaluation techniques (such as service self-assessment). This includes but is not limited to:-

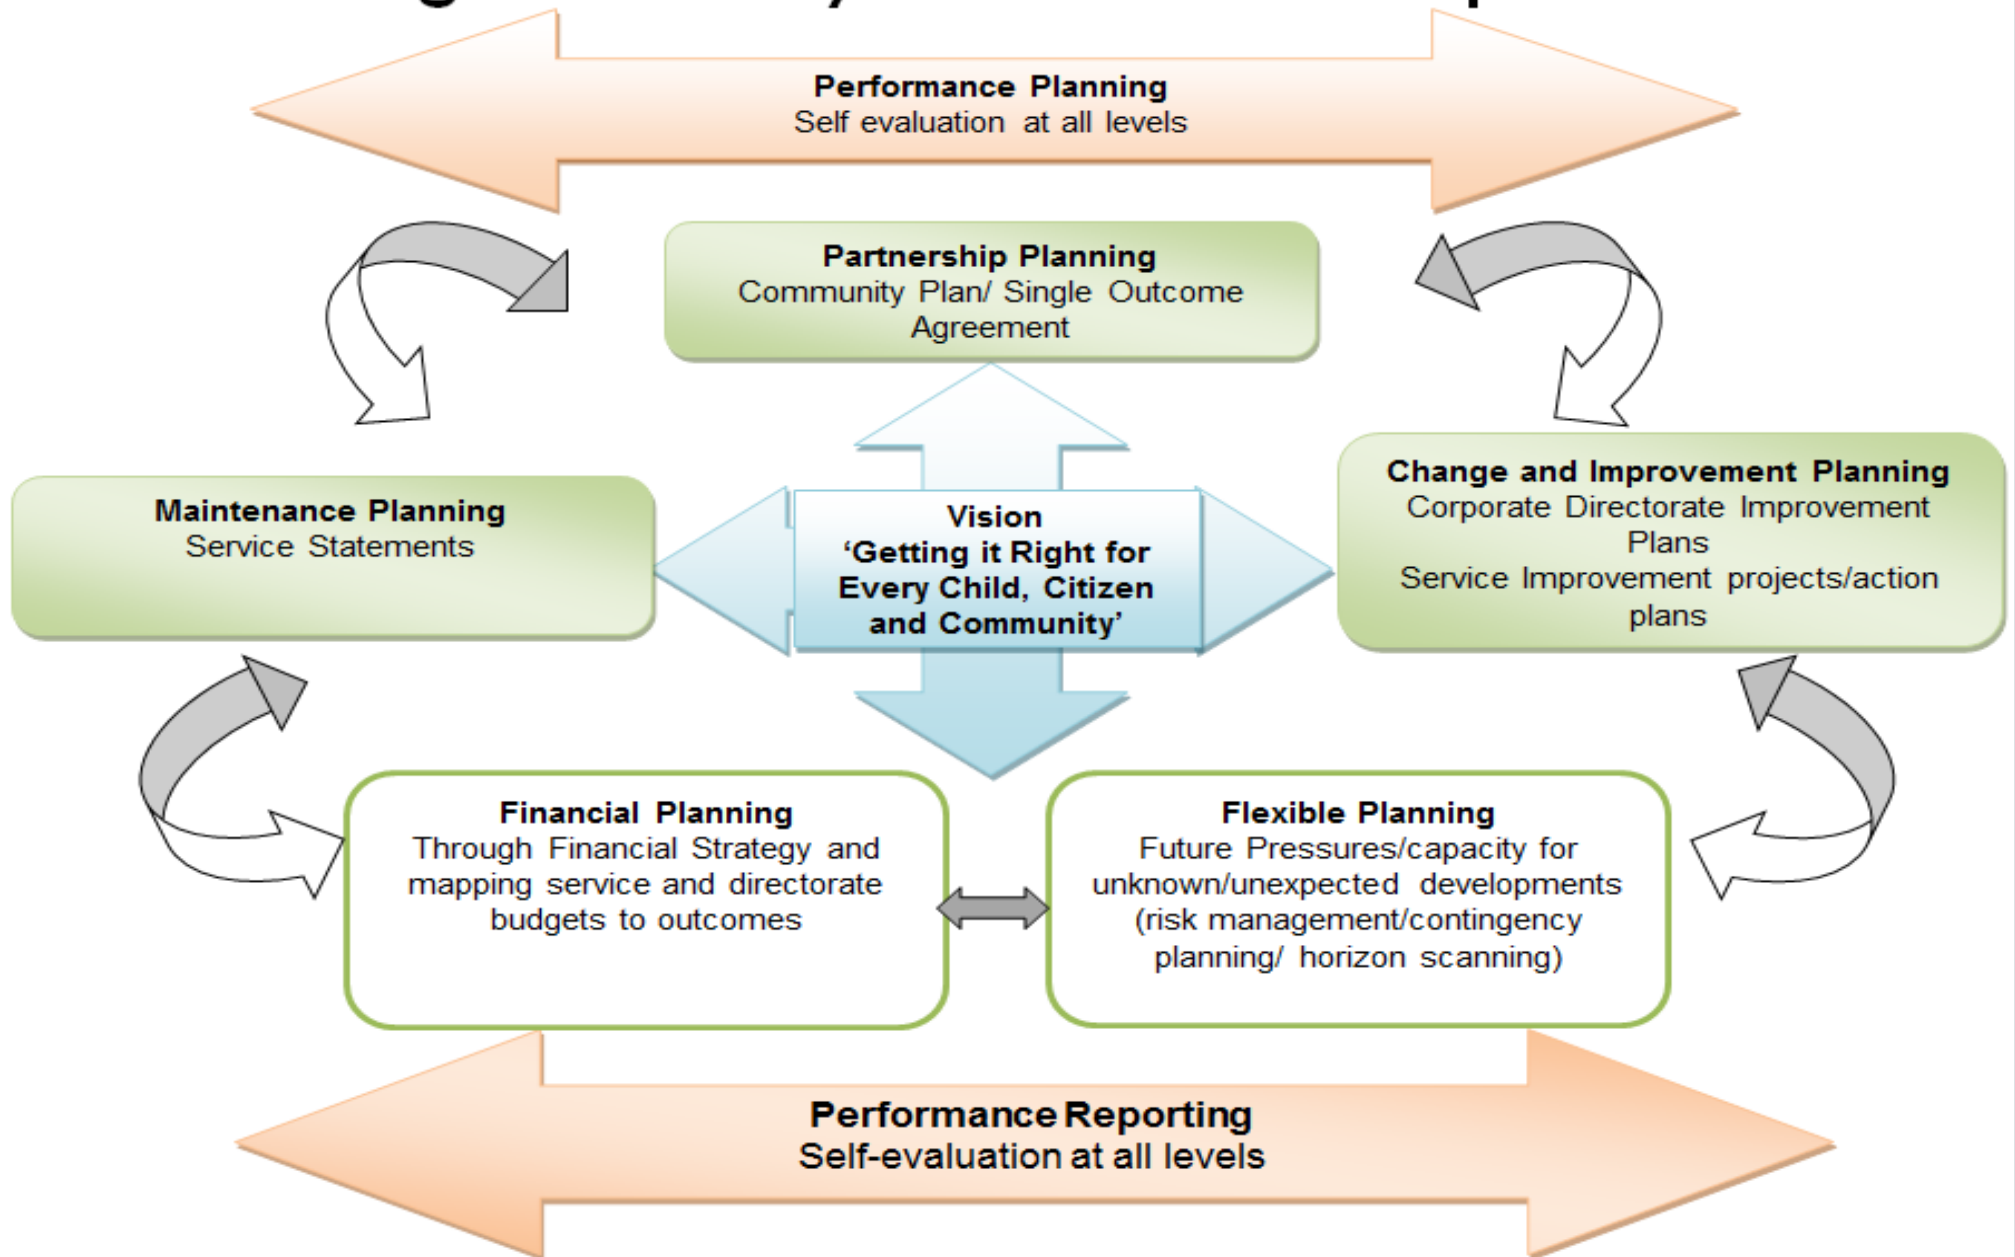

- Annual external audit of accounts.
- Customer satisfaction - performance and risk management.
- Benchmarking via LGBF and professional Benchmarking Groups.
- IRRV local authority income.
- Customers waiting survey
- Audit Scotland - Fraud and Error Report.
- Audit Scotland Benefits Risk
- Public Service Improvement Framework Citizen Panel Feedback
- Public Services Network
- Annual Governance Statement - Council, ALEO's
- Police Integrity Model Gap Analysis
- National Report Studies
- Public Performance Reporting
- Quality Assurance Process - Internal Audit,
- APSE Benchmarking
- Society of Chief Officers for Transportation in Scotland
- Risk Register
- Planning Performance Report
- Building Standards Benchmarking
- SLAED Economic Evaluation
- European Commission Validation Check
- Employability Programme
- Business Gateway
- LGSE Grouping

All the Directorate services have undertaken PSIF assessments and prepared an action plan. Assessments were facilitated by trained assessors with input from a variety of staff within each service, Through the use of our assessors we were able to ensure a high degree of consistency across each service and building on the shared experiences both across each service and throughout the directorate.

By adopting the systematic approach which is embedded in the PSIF process, staff were engaged and able to articulate areas of good practice and service improvement which focused on performance in an open and productive manner.

The diagram on the following page sets out the planning cycle for the Council, setting out the various levels of planning that take place across the Council. All of this requires to be underpinned by self-evaluation. The Corporate Directorate Improvement Plans sit within change and improvement planning but are underpinned by all other aspects of planning, particularly financial planning.

Planning for Delivery and to Secure Improvement

5. Environment, Regeneration and Resources Directorate Three Year Overview

The *Nurturing Inverclyde* wellbeing outcomes are detailed on page 19. A summary of the overarching three year improvement priorities for our Directorate are outlined on pages 20. They have been expressed in the context of the wellbeing outcomes.

The improvement priorities extend from Year 1 – Year 3.

In addition to our Improvement Priorities, there are also aspects of our work which are on-going – work that is significant, but nonetheless can be classified as “Business As Usual”. Such aspects of work are captured in the Service Statement and Standards for each service area, and therefore not included in this plan. Monitoring of the maintenance or ‘business as usual’ activity is undertaken by individual Directorate and Service Management teams, as well as through the performance reporting under the Council’s Statutory Performance reporting, including the Local Government Benchmarking Framework indicators. Additionally, for specific pieces of work, there are other reporting mechanisms to the Council’s committees.

The Directorate Year 2 Action Plan follows the overview, broken down into Corporate Improvement Actions, Service Improvement Actions, Capital Projects Improvement Actions and Corporate Governance Improvement Actions.

Develop Shared services with partner Authorities	SOA 8	Safe; Achieving
Continuation of the RAMP	SOA 7	Safe
Development of flood risk management plan	SOA 7	Safe
Increase burial space availability and replace cremators	SOA 8	Respected ; Safe
Regeneration and Planning Services		
Develop new procurement strategy	SOA 8	Achieving
Develop main issue report for LDP	SOA 7	Responsible
Improve SME and local supplier engagement	SOA 8	Included
Implement of Single Operating Plan	SOA 8	Achieving
City deal projects	SOA 1; SOA 3; SOA 7	Achieving ;Responsible

6. Environment, Regeneration and Resources Improvement Plan

Corporate Improvement Actions –2017-18

6.1 Corporate Improvement Actions

These actions have implications for the whole Council, or more than one Directorate, not just the Environment, Regeneration and Resources Directorate.

Ref no	Area of Directorate activity	Where are we now?	Where do we want to be?	How will we get there (including timescale)?	How will we know we are getting there?	Who is responsible?	How much will it cost?	SOA and Wellbeing Outcome
CA1	201820 Revenue Budget Savings	Significant funding gap to be closed. Officers developing proposals for new Council	Balanced revenue budget 2018/20 which reflects Council priorities	Officer savings proposals ready for August 2017. Extensive consultation exercise late 2017. Engagement with TUs and partners during process	Regular updates to Committee, JBG, ECMT	Chief Financial Officer with significant support from CMT.	Contain within existing resources	SOA 8 Achieving Responsible
CA2	Digital Strategy 2017-20	Corporate DAS has expired	New Strategy Approved and being progressed.	2017/20 Strategy approved by Committee – June 2017 Updates on progress to every 2 nd Committee	Increase in online transactions and customer satisfaction. Progress monitored by Digital Access Group	Chief Financial Officer	Limited to Earmarked Reserve and Capital Funding allocations	SOA 8 Included
CA3	ECS – Facilities management	Due to mergers some schools and other buildings are not working to the agreed approved industry standards for productivity levels.	All schools and other buildings working to the agreed productivity level for the building category	Revised productivity targets have been set however to achieve these will require non filling of vacancies over time.	A reduction in the number of input hours per each establishment resulting in on-going savings.	Manager Facilities Management	Cost neutral to implement with efficiencies being achieved in time.	SOA 8 Achieving
CA4	ICT Strategy 2017/20	Current ICT Strategy has expired	New Strategy Approved and being progressed.	2017/20 ICT Strategy approved by Committee – June 2017 Updates on progress	ICT Systems and equipment meet Service requirements ICT supports DAS	ICT Service Manager	Contained within existing budgets	SOA 8 Achieving

Ref no	Area of Directorate activity	Where are we now?	Where do we want to be?	How will we get there (including timescale)?	How will we know we are getting there?	Who is responsible?	How much will it cost?	SOA and Wellbeing Outcome
				to every 2nd Committee	and National developments			
CA5	ECS Facilities management	P1 to P3 – Free school meals provision Scottish Government initiative commenced January 2015 and has been implemented across all relevant schools.	To promote and increase the level of uptake of the Free school meals provision	Through monitoring and assessing the provision and promotion of the initiative to parents and children through each school.	Measuring the percentage uptake of free school meals within the P1 to P3 age group.	Manager Facilities Management	Increase in provision costs – externally funded.	SOA 4 Healthy
CA6	Procurement Strategy	New Procurement Strategy published August 2015. New Strategy will deal with new procurement regulations and aims to meet challenges set within the Procurement and Commercial Improvement Plan (PCIP)	PCIP has replaced PCA. The previous score was 62% which placed the Council on an equal footing with peers. A similar or better performance in PCIP would represent success.	The Procurement Strategy sets out goals and timescales	The first PCIP will be held in September	Corporate Procurement Manager	Contain in existing resources	SOA 8 Achieving

Service Improvement Actions 2017 - 18

6.2 Service Improvement Actions

These actions will be carried out by specific Services in the Directorate.

Ref no	Area of Directorate activity	Where are we now?	Where do we want to be?	How will we get there (including timescale)?	How will we know we are getting there?	Who is responsible ?	How much will it cost?	SOA and Wellbeing Outcome
Environment and Commercial Services								
ECS1	ECS Waste Strategy	The Council have approved the sign up to the Household Recycling Charter aimed to align Waste Services and provide high levels of participation and recycling quality,	To develop a scoping plan in conjunction with Zero Waste Scotland to meet the aims of the Household Recycling Code of Practice	Scoping meetings and funded support to develop a robust and cost effective business case,	Completion of the relevant scoping documents	Head of Service	Implementation of the Code of practice is in the basis that The Scottish Government will fund any transitional arrangements	SOA 7 Responsible
