Subject: Inverclyde Integration Joint Board – Integration Scheme

#### 1.0 PURPOSE

1.1 The purpose of this report is to advise the Inverciyde Integration Joint Board ("IJB") of updates to the Integration Scheme, which have been agreed by Inverciyde Council and NHS Greater Glasgow and Clyde and approved by the Scottish Ministers.

### 2.0 SUMMARY

- 2.1 The Inverclyde Integration Scheme is the joint agreement between Inverclyde Council and NHS Greater Glasgow and Clyde which sets out the arrangements for the integration of health and social care services and forms the basis of the establishment and continued operation of the Inverclyde Integration Joint Board.
- 2.2 Amendments were required to the Inverclyde Integration Scheme as a result of the implementation of the Carers (Scotland) 2016. There are new duties in the Carers (Scotland) Act 2016 which require, by legislation, to be delegated to the Inverclyde Integration Joint Board.
- 2.3 The Integration Scheme has been updated and is available at <a href="https://www.inverclyde.gov.uk/assets/attach/2456/Inverclyde%20Integration%20Scheme%20-%20FINAL%20-%20April%202018.pdf">https://www.inverclyde.gov.uk/assets/attach/2456/Inverclyde%20Integration%20Scheme%20-%20FINAL%20-%20April%202018.pdf</a>

## 3.0 RECOMMENDATIONS

3.1 It is recommended that the Inverclyde Integration Joint Board notes the content of this report.

Louise Long Corporate Director (Chief Officer) Inverclyde HSCP

#### 4.0 BACKGROUND

- 4.1 The Public Bodies (Joint Working) (Scotland) Act 2014 required all Local Authorities and Health Boards to integrate Health and Social Care Services and to jointly prepare, consult and submit for approval an Integration Scheme to the Scottish Ministers setting out the local governance arrangements for integration. The Integration Scheme sets out clearly which matters are delegated to the Integration Joint Board ("IJB") and specifies the legislative provisions. The Integration Scheme for the Inverclyde IJB was agreed by Inverclyde Council and by NHS Greater Glasgow & Clyde in 2015. The Integration Scheme was then approved by the Scottish Government.
- 4.2 The Carers (Scotland) Act 2016 ("the 2016 Act") came into effect on 1 April 2018. The provisions contained in the 2016 Act have implications for IJBs, Local Authorities and Health Boards as new duties have come into force which must be delegated to the Inverclyde IJB.
- 4.3 The IJB reviewed a paper on 20 March 2018 which provided an update on progress in implementing the 2016 Act. This paper is available at https://www.inverclyde.gov.uk/meetings/documents/10894/05%20Carers%20Act.pdf.

#### 5.0 UPDATES TO INTEGRATION SCHEME

- 5.1 In order to comply with the provisions of the 2016 Act, both Inverclyde Council and NHS Greater Glasgow and Clyde required to amend the Inverclyde Integration Scheme to include the local authority and health board functions referred to in the 2016 Act which needed to be delegated to the IJB. These were purely technical amendments to ensure that the Carers (Scotland) Act 2016 was fully implemented and to enable the IJB, Inverclyde Council and NHS Greater Glasgow and Clyde to continue to carry out their respective roles in delivering support to carers.
- 5.2 Both Inverclyde Council and NHS Greater Glasgow and Clyde approved the necessary amendments to the Integration Scheme and the papers presented to each organisation can be found at the following links:

5.3 Following approval by both Inverclyde Council and NHS Greater Glasgow and Clyde, the revised Integration Scheme was submitted to the Scottish Government for Ministerial approval. This approval was granted on 3 April 2018 which concludes the legal process.
