2019/2020 Annual Audit Report (October 2020)	Implementation of Locality Planning Groups This work has inevitably been delayed by Covid-19. However, work is restarting on this now. An initial virtual pilot meeting is due to take place soon for the Port Glasgow Locality Group.	31.03.21	31.03.23	Two Locality Planning Groups have been established (Port Glasgow and Inverkip & Wemyss Bay) and last met in September 2021 with meetings scheduled quarterly. By June 2022, an evaluation of these two groups will take place and decision made by October 2022 as to whether to extend to the other four areas (as per the current model) or consider a streamlined approach of establishing two LPGs covering East and West Inverclyde with the six CEGs continuing to meet regularly.
2019/2020 Annual Audit Report (October 2020)	Savings Proposals Efficiency savings plans and proposals should continue to be developed to meet anticipated savings targets.	31.03.21	31.03.22	Work is underway to develop savings / spend to save proposals based on estimated funding positions. In line with previous years this will be firmed up once Scottish Government public sector budgets are confirmed in December and will go to the IJB for consideration and approval between Feb and March 2022.
