<b>Subject:</b>	<b>Review of Governance Documents (Standing Orders relating to Contracts, Financial Regulations, Scheme of Delegation and Standing Orders/Scheme of Administration)</b>

## 1.0 PURPOSE

- 1.1 The purpose of this report is to seek approval regarding a number of proposed changes to the Council's key governance documents.

## 2.0 SUMMARY

- 2.1 It is a core requirement of the Council's governance process that key governance documents are reviewed on a regular basis. Whilst the COVID-19 pandemic has resulted in a delay in the scheduled review this has also afforded officers the opportunity to take account of any changes in working practices which may have arisen as a response to the pandemic.
- 2.2 Following a detailed review by a cross service senior officer group the Corporate Management Team has reviewed (i) the Financial Regulations, (ii) the Standing Orders relating to Contracts, (iii) the Scheme of Delegation and (iv) the Standing Orders and Scheme of Administration. In line with previous practice the Audit Committee has also reviewed the revised Financial Regulations and Standing Orders relating to Contracts, and was supportive of the proposed changes.
- 2.3 Section 5 of the report highlights the main changes to the Standing Orders relating to Contracts which are also summarised in Appendix 1. There are limited changes proposed to the Financial Regulations with a smaller table in Appendix 2. The revised documents are set out in Appendix 3 and 4 respectively.
- 2.4 Section 6 of the report highlights the main changes to (i) the Standing Orders and Scheme of Administration and (ii) the Scheme of Delegation. Summaries of the main changes to both documents are provided in Appendix 5 and 6 with the revised documents shown in full in Appendix 7 and 8.
- 2.5 Arising from a proposed increase in the number of Members on the Local Review Body, it is necessary to appoint two new members to the Local Review Body.
- 2.6 The Corporate Management Team has reviewed the proposed changes and is supportive of the proposals.

### **3.0 RECOMMENDATIONS**

3.1 It is recommended that:

- (1) The Council review the changes proposed to the Council's Financial Regulations and Standing Orders relating to Contracts as set out in Appendix 3 and 4 to the report and the Standing Orders and Scheme of Administration and Scheme of Delegation set out in Appendix 7 and 8.
- (2) The Council approve the changes to the key governance documents referred to in section 3.1 (1) with effect from 1 March 2022;
- (3) The Council appoint two new Members to the Local Review Body should the proposed change to its number of members be approved.

**Iain Strachan**  
**Head of Legal & Democratic Services**

## **4.0 BACKGROUND**

- 4.1 It is a core requirement of the Council's governance arrangements that its key governance documents are reviewed on a regular basis. As a result of the COVID-19 pandemic there has been a delay in the scheduled review, however this has had the benefit of affording the opportunity to factor in changes to current working practices occasioned as a result of the pandemic.
- 4.2 The Council on 28 October 2021 approved the continuation of the interim management structure within the Environment, Regeneration & Resources Directorate for the period to April 2023. As such, the Scheme of Delegation (Officers) has been amended accordingly to take account of these changes and updated to incorporate other necessary changes and delegations required since the previous review in June 2018.
- 4.3 The opportunity has also been taken to incorporate proposed changes to the membership and quorum of the Local Review Body (LRB). It is proposed that the Council appoint nine Members to the LRB, rather than seven Members. It is for the Planning Authority to determine membership of the LRB and administrative arrangements to support the review process are not stipulated in the relevant regulations. In order to be eligible members of the LRB require to have undertaken the necessary training in relation to planning issues. In order to minimise disruption to the Council in its final months it is proposed that two members are appointed from those members of the Planning Board who do not already sit on the LRB, should they wish to accept appointment. As the LRB is a quasi-judicial body it is proposed that there is no requirement to consider issues of political balance in relation to these appointments.

## **5.0 CHANGES PROPOSED**

- 5.1 The proposed revisions to the Council's Standing Orders relating to Contracts are detailed in the summary table attached as Appendix 1, with the main proposed changes highlighted. A clean version of the document is attached as Appendix 3.
- 5.2 Along with minor updates to job titles and revisions to reflect previous Committee decisions, the main proposed amendments to the Council's Standing Orders relating to Contracts include revisions reflecting the following:
  - The UK's exit from the EU and the effect of this on procurement procedures with the Public Contracts (Scotland) Regulations now being the principal procurement legislation that all contracts must comply with;
  - A proposed increase, at new Standing Order 8, to the Quick Quote thresholds for supplies and services (from £25,000 to £50,000) and works (from £100,000 to £250,000);
  - A proposed increase, at new Standing Order 20, to the tender acceptance levels with delegated authority to the Head of Legal & Democratic Services to accept tenders with a value of up to £1M (increased from £500,000). Any tenders with a value of more than £1M (increased from £500,000) require to be accepted by Committee; and
  - A proposal to include Health & Social Care contracts within the Standing Orders.
- 5.3 Subject to approval, it is proposed that the revised Standing Orders relating to Contracts are adopted with effect from 1 March 2022.
- 5.4 The proposed revisions to the Financial Regulations are less numerous but include changes to ensure regulations "read across" to the Standing Orders relating to Contracts. Appendix 2 provides a summary table of the main changes with a clean version of the proposed regulations attached at Appendix 4.

- 5.5 Subject to approval it is proposed that the revised Financial Regulations are adopted with effect from 1 March 2022.
- 5.6 The proposed revisions to the Council's Standing Orders and Scheme of Administration are detailed in a summary table attached as Appendix 5. A clean version of the document is attached at Appendix 7.
- 5.7 There are few changes proposed to the Standing Orders which apply to meetings of the Council and its Committees. In the main the changes which have been proposed are intended to reflect the current circumstances whereby meetings of the Council and its Committees and Sub-Committees have taken place remotely or on a hybrid model. The changes to the Standing Orders include revisions reflecting the following:
- Clarification that a virtual and hybrid meeting satisfy Standing Order 4 for the Council and Committees in relation to the place at which a meeting is held;
  - That voting at meetings of the Council and its Committees shall be by roll call vote;
  - A proposed increase in the membership of the Local Review Body from 7 to 9 Members with corresponding change to the quorum which shall now be 5 rather than 4;
  - A proposed change to the Standing Order regarding substitution in order to confirm that this continues to apply should an item of business be continued to a future date;
- 5.8 Proposed changes to the Scheme of Administration are designed to reflect the current delegations of the Council's various Committees and proposed changes are highlighted in the Summary attached at Appendix 5.
- 5.9 In relation to the review of the Scheme of Delegation changes are proposed to reflect the interim senior management structure currently in place and to ensure that each directorate has the appropriate delegated authority to ensure the expeditious progress of the Council's business. A summary of the key changes is set out in Appendix 6 with the full version of the document produced in Appendix 8.

## 2.0 INTRODUCTION

- 2.1 These Standing Orders Relating to Contracts (“Standing Orders”) are made under Section 81 of the Local Government (Scotland) Act 1973 and set out how contracts for all supplies, services and works will be made by or on behalf of the Council. The term ‘contract’ includes any form of agreement, written or unwritten, to which the Council is a party which creates rights and responsibilities for any of the parties involved.

- 2.2 The purpose of these Standing Orders is to ensure that contracts are appropriate for their purpose, provide the right balance between price and quality, and are procured in an open way that demonstrates probity and compliance with the Council's policies.
- 2.3 These Standing Orders apply to the Council carrying on its own procurement activity and any activity that the Council conducts on behalf of other parties such as ALEOs and the Health and Social Care Partnership.

- 20.4 The Procurement Manager shall, on a bi-annual basis, submit a report for noting to the appropriate committee detailing all awards (including Direct Awards) which have been placed within the previous six month period.
- 20.5 If the appropriate Director or Head of Service recommends that none of the tenders submitted should be accepted, the relevant Head of Service or his/her authorised representative shall notify all tenderers accordingly.

## 21.0 **PROCUREMENT STRATEGY, RECORDS AND REPORTING**

### **Procurement Strategy**

- 21.1 The Procurement Manager shall, in consultation with the Head of Legal & Democratic Services and the Corporate Management Team, prepare and publish an annual procurement strategy setting out how the Council intends to carry out procurements regulated by the 2014 Act.

- 21.4 Standing Order 21.3 shall not apply to Health and Social Care Service contracts. The relevant Head of Service shall keep and maintain a register of tenders relating to Health and Social Care Services containing the information (where relevant) outlined in (i) – (iii) above.

## 22.0 **DIRECT CONTRACT AWARDS**

22.1 In relation to a FTS Procurement or a Regulated Procurement, a contract can only be awarded directly without competition if the Direct Award can be justified under the relevant law.

22.2 Where the circumstances of Standing Order 22.1 apply the Director or Head of Service must obtain advice from the Procurement Manager, in consultation with the Head of Legal & Democratic Services and the Chief Financial Officer before submitting a report to the appropriate committee for prior approval to make a Direct Award.

22.3 In other exceptional cases:

(i) where the contract is for the provision of services and supplies and the proposed spend falls below the Regulated Procurement Threshold, if the Director or Head of Service considers on the application of Best Value principles that a contract can be directly awarded without competition, the Director shall obtain the prior approval of the Procurement Manager, in consultation with the Head of Legal & Democratic Services and the Chief Financial Officer.

(ii) where the contract is for the execution of works and the proposed spend is below £250,000, if the Director or Head of Service considers on the application of Best Value principles that a contract can be directly awarded without competition, the Director shall obtain the prior approval of the Procurement Manager, in consultation with the Head of Legal & Democratic Services and the Chief Financial Officer.

(iii) where the contract is for the execution of works and the proposed spend is between £250,000 and the Regulated Procurement Threshold relating to the execution of works (£2million), the Director or Head of Service must obtain advice from the Procurement Manager, in consultation with the Head of Legal & Democratic Services and the Chief Financial Officer before submitting a report to the appropriate committee for prior approval for a Direct Award.

22.5 The process set out in the Procurement Manual must be followed before the making of any Direct Award in terms of Standing Orders 22.1 and 22.3.

22.6 The Direct Award process for all contracts (including Health and Social Care contracts) is set out in more detail in the Procurement Manual.

## 23.0 **CONTRACT EXTENSIONS**

23.1 A contract extension affects the duration and potentially the value of the contract.

23.2 A contract can only be extended in certain defined circumstances:

(i) the right to extend must have been referred to in the initial procurement advert for the contract and the terms and conditions of the contract must contemplate such an extension; or

(ii) the extension constitutes a permissible and justifiable Direct Award under

## Standing Order 22 (*Direct Award Contracts*).

In all other cases a contract extension is not permitted.

23.3 This Standing Order does not apply to contracts for the execution of works where extensions of time are expressly contained in standard industry form terms and conditions of contract.

23.4 The relevant Head of Service must obtain advice from the Procurement Manager in consultation with the Head of Legal & Democratic Services and the Chief Financial Officer prior to extending any contract under Standing Order 23.2(ii) and must follow the process for Direct Awards set out in the Procurement Manual.

### 24.0 **CONTRACT MODIFICATIONS**

24.1 A contract modification affects the scope of the contract.

24.2 Examples of when a contract modification may be required include circumstances where there is a need for additional works, services, goods or materials which were not specified in the initial procurement or where a new contractor replaces the contractor to whom the contract was initially awarded.

24.3 The 2015 Regulations set out when it is permissible to modify a contract to which the Regulations apply. Where it is not possible to modify a contract, the contract must be re-tendered unless the modification constitutes a permissible and justifiable Direct Award under Standing Order 22 (*Direct Contract Awards*).

24.4 The relevant Head of Service must obtain advice from the Procurement Manager in consultation with the Head of Legal & Democratic Services and the Chief Financial Officer prior to modifying any contract.

### 25.0 **EARLY TERMINATION OF A CONTRACT**

25.1 In relation to tenders falling within the scope of the FTS thresholds, tender documents must include an early termination clause to permit effect to be given to Regulation 73 of the 2015 Regulations namely the Council must have the right to terminate the contract or framework early where:

- (i) the contract or framework has been subject to such substantial modification that a new procurement exercise is required; or
- (ii) the tenderer has been in a situation which constitutes a ground for exclusion at the time the contract was awarded and should therefore have been excluded from the procurement process; or
- (iii) A court or tribunal of competent jurisdiction has declared that a contract or framework should not have been awarded due to a serious breach of the 2015 Regulations.

25.2 If the relevant Head of Service decides that an operational contract which has no significant implications for the Council and no significant unplanned budgetary impact, including a contract falling within the scope of Standing Order 25.1, requires to be terminated prior to the expiry date, the Head of Service must explain the circumstances and obtain the prior written approval for the early termination from the Procurement Manager in consultation with the Head of Legal & Democratic Services and the Chief Financial Officer.

25.3 In all other cases where the relevant Head of Service decides that a contract requires to be terminated prior to the expiry date, including a contract falling within the scope of Standing Order 25.1, the Head of Service must, in consultation with the Procurement Manager, Head of Legal & Democratic Services and the Chief Financial Officer, submit a report explaining the circumstances and implications for the Council and seeking the approval of the appropriate committee.

## 26.0 **FRAMEWORK AND NON-EXEMPT COLLABORATIVE AGREEMENTS**

26.1 The Procurement Manager may seek the approval of the appropriate committee to participate in framework or non-exempt collaborative agreements with a body or organisation which is not listed at Standing Order 8.4 (*Framework and Non-Exempt Collaborative Agreements*) for a maximum period of 4 years provided the Procurement Manager is satisfied that any such framework or non-exempt collaborative agreement:

- (i) has been established in accordance with the 2015 Regulations or the 2014 Act; and
- (ii) is achieving Best Value.

26.2 No further committee approval will be required to purchase from a framework or non-exempt collaborative agreement approved in terms of Standing Order 26.1 unless the total estimated value or amount of the contract exceeds £1,000,000 in which circumstances Standing Order 20.3(ii) (*Acceptance of Tenders*) will apply.

26.3 Where a Director or Head of Service deems it Best Value, they may enter into or participate in a framework or non-exempt collaborative agreement which has not been approved in terms of Standing Order 26.1 provided the Director or Head of Service has obtained the prior approval of the appropriate committee for the participation and level of spend. Before doing so, the Director or Head of Service shall consult fully with the Procurement Manager, the Head of Legal & Democratic Services and the Chief Financial Officer.

26.4 Any participation, membership or similar agreement required to secure the Council's right to participate in collaborative purchasing contracts duly approved under Standing Orders 26.1 or 26.3 shall be signed by the Head of Legal & Democratic Services in consultation with the Chief Financial Officer and the Procurement Manager.

## 27.0 **POST TENDER CLARIFICATION**

### **Errors in computation**

27.1 Where examination of tenders received reveals obvious errors in the computation of the offer which would affect the tender figures, these errors will be dealt with in the following manner:-

- (i) any obvious arithmetical errors will be rectified by the appropriate officer checking the tenders and the amount of tender shall be held to be the amount of the documents so rectified and the tenderer informed in writing of the corrected amount; and
- (ii) where there is an obvious and genuine error in rates occurring, the tenderer will be given the opportunity of either (a) confirming that they agree to their tender being considered with the error remaining, (b) correcting the error, or

(c) withdrawing their tender. This procedure must be undertaken in writing. Should the tenderer decide to withdraw their tender, it will not be considered for acceptance. The tenderer must be permitted only to amend the obvious or genuine error and must not be given the opportunity to amend any other part of their tender.

### **Requests for clarification**

27.2 A full written record shall be kept by the relevant Head of Service of all contracts where post tender clarification has been used and the written record will be retained with the original tender. The written record will include the justification for authorising post tender clarification, the nature of the clarification undertaken, the outcome of such clarification and shall detail any additional terms agreed by the Council.

### **28.0 CONTRACT TERMS REGARDING CONSULTANTS AND SPECIALIST SERVICE PROVIDERS**

28.1 Where appropriate, it shall be a condition of engagement of consultants and specialist service providers that:-

- (i) they and their staff shall comply with these Standing Orders as though they were officers of the Council;
- (ii) at any time during the performance of the contract, the consultant/specialist service provider shall, on a request by the relevant Head of Service, produce all records maintained by them in relation to the contract and on completion of the contract, transmit all such records to the Council, if so required; and
- (iii) copyright and intellectual property rights in and to all documentation produced by or on behalf of the consultant/specialist service provider exclusively for the Council in the course of providing the services shall vest and remain vested in the Council.

28.2 In the event that a Head of Service wishes to depart from the requirements of Standing Order 28.1, the Head of Service shall only do so with the prior agreement of the Procurement Manager in consultation with the Head of Legal & Democratic Services and the Chief Financial Officer.

### **29.0 FORM OF CONTRACT**

29.1 Except where otherwise agreed between the appropriate Director and the Head of Legal & Democratic Services, every contract shall be in writing and in the name of the Council, shall be signed by the Head of Legal & Democratic Services or other proper officer(s) designated by him/her and shall be subject to the laws of Scotland.

- (ii) where the Council as funder contributes more than £250,000 to the project, or
- (iii) Where otherwise considered necessary by the relevant Head of Service.

30.2 The security provided must have a minimum value of 10% of the total contract sum

and any contract guarantee bond must be based on the standard Association of British Insurers Model Form of Guarantee Bond duly amended to include the insolvency of the building contractor as a default.

### **31.0 COLLATERAL WARRANTIES**

31.1 A collateral warranty may be required where goods or materials, services or works are provided by a party which is not a party to the Council's main contract. A collateral warranty enables the Council to raise a contractual claim directly against the party which is not a party to the main contract.

31.2 Collateral warranties may also require to be provided in associated but separate or phased tender exercises. For example, a building contractor appointed by the Council may require a collateral warranty to be provided by a specialist consultant appointed by the Council to provide a specialist structural report. In such circumstances, the contractual terms of the original specialist consultant appointment must oblige the original specialist consultant to provide collateral warranties where required by other parties to the project.

31.3 Officers shall consider whether it is appropriate to obtain a collateral warranty or warranties including whether a collateral warranty or warranties may require to be provided as part of an associated but separate or phased tender approach. Advice must be sought from the Procurement Manager in consultation with the Head of Legal & Democratic Services prior to issuing any tender or contract if collateral warranties may be required by the Council or another party.

### **32.0 FREEDOM OF INFORMATION**

32.1 All tender documents shall clearly state that the Council is a body to whom the Freedom of Information (Scotland) Act 2002 applies in accordance with the procedure detailed in the Procurement Manual

### **33.0 TECHNICAL STANDARDS**

33.1 All tenders for supplies, services or works shall be based on a defined specification except where the Council otherwise decides.

33.2 Where there is a recognised international or British Standards Specification or British Standard Code of Practice current and applicable at the date of tender, every contract shall require, as the case may be, that all goods, materials used or supplied, services provided and all workmanship shall at least meet the requirements of that standard.

33.3 In the absence of any such recognised standard as referred to at Standing Order 33.2, the contract documents shall require an appropriate equivalent standard shall be used, where available.

### **34.0 EQUALITIES & PREVENTION OF DISCRIMINATION**

34.1 No contract shall be awarded without the relevant Head of Service having obtained from the tenderer confirmation in writing that, to the best of the tenderer's knowledge and belief, the tenderer-

- (i) has complied with all statutory requirements relating to equal opportunities in employment; and
- (ii) is not unlawfully discriminating within the meaning and scope of the Equality

Act 2010 (or any statutory modification or re-enactment thereof).

34.2 No contract shall be awarded unless the relevant Head of Service has obtained satisfactory information from the tenderer in relation to their statutory obligations under the said Equality Act 2010.

35.0 **ETHICS AND STANDARDS**

35.1 Dealings with suppliers and tenderers must at all times be transparent, honest and fair.

35.2 Any conflict of interest which arises in relation to an officer's official duty and their personal interest must be resolved so that any conflicted individual is not in a position to influence decisions made.

35.3 The actions of officers should not be, nor give the impression that they have or may have been, influenced by a gift or consideration to show favour or disfavour to any person or organisation. Officers must be aware of their responsibilities when procuring and that there are criminal penalties for offences which are specified in the Bribery Act 2010.

35.4 Officers must keep sufficient records to establish an audit trail to demonstrate that ethical standards have been observed throughout any procurement process.

36.0 **ASSIGNATION/NOVATION**

36.1 Except where otherwise provided in the contract, a contractor shall not assign, novate or sub-let a contract or any part thereof without the previous written consent of the Council.

- 1.6 Each Chief Officer shall ensure that proper internal controls are developed and maintained within financial and other operating systems of their Service. These controls shall be subject to review from time to time as part of the audit process but day to day monitoring of the adequacy and effectiveness of these controls is the responsibility of the Chief Officer concerned.

- 1.7 Chief Officers shall be responsible for ensuring that these Regulations are complied with in respect of matters falling within their remit and that all Officers with responsibility for financial matters within their Services are aware of these Regulations and comply with them.
- 1.8 Compliance with these Regulations is compulsory. If any difficulty is encountered in practice with the Financial Regulations or no provision is applicable to a particular circumstance then the matter should be immediately raised with the Chief Financial Officer. Failure to observe the Financial Regulations may lead to disciplinary action being taken against the Officer responsible.
- 1.9 These Regulations should be read alongside the Financial Regulations of the Inverclyde Integrated Joint Board (IJB) when dealing with budgets delegated to the Council by the IJB.
- 1.10 These Regulations have been approved by the Council and will be formally reviewed and approved every 4 years.

### Meetings of the Council

2. The Council shall meet at 4 p.m. on the following days:

- (a) A Statutory Meeting of the Council shall be held in the year of the elections to the Council under the relevant legislation within 21 days from the date of that election;
  - (b) Ordinary Meetings shall be held on the Thursday of the final week of each cycle of meetings set by the Council and, in any event, at intervals of no more than 16 weeks between each meeting, unless otherwise agreed in terms of **Standing Order 3**.
3. Special Meetings may be called at any time by the Proper Officer on being required to do so by (a) the Provost, or (b) a written request for that purpose, signed by at least 7 Members or (c) at the request of the Chief Executive or Monitoring Officer, which meeting shall be held within 7 clear days. The request shall specify the business proposed to be transacted at the meeting.
4. All meetings of the Council shall be held within the Municipal Buildings, Greenock, or such other place as the Council or the Proper Officer in consultation with the Provost may specify, it being declared that a virtual/remote or hybrid meeting arranged by the Council shall satisfy this requirement.
- Subject to prior agreement by the Provost, any Member who cannot reasonably attend a meeting in person may request that provision be made within alternative, suitable Council premises for video conferencing participation in the meeting, if practicable with regard to advance notice, technical feasibility and cost, provided that the Proper Officer is satisfied as to the necessary arrangements securing any required propriety and confidentiality of Council business.
5. Subject to the terms of Sections 50A and 50E of the 1973 Act, all meetings of the Council shall be open to the public.
6. No Member or member of the public may photograph, broadcast, transmit or record any Council meeting without prior written approval from the Council. The use of mobile electronic devices by Members during meetings is permitted only to ensure the expeditious progress of the meeting, for access to Council agendas, notes or diary entries and not for any external purpose.

### **Notice of Meetings**

7. Notice of all Council meetings is published on the Council's website.
8. All meetings of the Council shall be convened by:
- (a) a Notice being published by the Proper Officer at least 3 clear days before the meeting which shall specify the date, time and place of the meeting; and
  - (b) a summons to attend the meeting specifying the business to be transacted being sent by post to the usual place of residence of every Member, or to such other address as any Member may notify, not later than 3 clear days before the date of the meeting.
9. If a meeting is convened at shorter notice than 3 clear days by reason of urgency, the Notice and summons referred to above shall be published and posted as soon as the meeting is convened.

10. Want of service of a summons on any Member shall not affect the validity of a meeting of the Council, only if good reason is shown for failure to send such a summons as may be decided upon by the Provost.

### **Quorum**

11. The quorum for the Council is 7. No business may be transacted at any meeting unless a quorum is present.
  - (a) If, 10 minutes after the time stated in the summons to attend a meeting, a quorum is not present, the meeting shall stand adjourned until such time and date as may be determined by the Proper Officer in consultation with the Provost. The Proper Officer shall minute the reason for the adjournment of the meeting.
  - (b) If after a meeting has started, the number of Members present falls below the quorum and after a period of 5 minutes (during which time no business shall be considered or transacted), a quorum cannot be found, the meeting shall be adjourned until such time and date as may be determined by the Proper Officer in consultation with the Provost. The Proper Officer shall minute the reason for the adjournment of the meeting.
  - (c) Any Member who has declared an interest in an item of business at the meeting and who leaves the meeting for that purpose may not be counted in the quorum for that item of business. If less than a quorum of the Council results from the Member leaving the meeting, then that item of business cannot be considered at the meeting.

### **Sederunt and Apologies**

12. The names of the Members present at a meeting of the Council shall be recorded by the Proper Officer. Members who intimate to the Proper Officer apologies for non-attendance at a meeting of the Council shall have their apologies recorded in the Minute.

### **Failure to Attend Meetings**

13. Subject to the provisions of Section 35 of the 1973 Act, if a Member fails throughout a period of 6 consecutive months to attend any meetings of the Council or a Committee, he or she shall, unless the failure was due to some reason approved by the Council, cease to be a Member.

### **Convener**

14. (a) The Convener of the Council, upon being elected, shall be known as the Provost and shall subject to the provisions of Paragraph 7 of Schedule 2 to the 1994 Act, hold office until the next ordinary election or until ceasing to be a Councillor, whichever is the earlier. Notwithstanding the foregoing, the Council may specify a shorter period for the term of office of Convener at the time of that election;

- (b) At a meeting of the Council, the Provost or, in his or her absence, the Depute Provost shall preside. If the Provost and the Depute Provost are both absent from a meeting, another Member of the Council chosen by the Members present will chair the meeting.
15. Subject to the provisions of **Standing Order 14** the Council may at any time agree to remove the Provost from office with immediate effect provided that:
- (a) a Notice of Motion in terms of **Standing Order 22** to that effect is given at one meeting of the Council and on the basis that the matter is to be considered at the next ordinary meeting of the Council; or
  - (b) where no such prior Notice of Motion is given, not less than two thirds of Members present and entitled to vote at the meeting agree that the early removal from office of the Provost be considered at that meeting.

### **Role of Provost**

16. The Provost shall:
- (a) preserve order and ensure fairness in debate;
  - (b) ensure the agenda of business is properly dealt with and clear decisions are reached;
  - (c) decide on all points of order and matters of competence and relevance;
  - (d) with the assistance of the Proper Officer, ensure that Standing Orders are observed;
  - (e) decide on all questions of procedure for which no express provision is made in Standing Orders; and
  - (f) order the exclusion of any member of the public to prevent or remove disorderly conduct or any other behaviour which disrupts the business of the meeting.
17. The decision of the Provost on all matters within his or her responsibility shall be final and shall not be open to question or discussion.

When the Provost speaks the Member, if any, who is addressing the meeting, shall cease to speak. The Provost shall be entitled, in the event of disorder occurring, to adjourn the meeting to a time he or she may then or thereafter determine.

### **Restriction on Business**

18. No business other than that set out in the notice of meeting may be dealt with unless it is brought before the Council as a matter of urgency. The Provost must rule that it is a matter of urgency and give the reasons for the ruling, to be noted in the Minute. The item must be made known at the start of the meeting when the order of business is decided. If the Provost rules that the matter is not urgent, it will be included as an item for the next ordinary meeting of the Council, unless dealt with earlier.

## Order of Business

19. (a) At the first meeting of the Council after an ordinary election, the Council shall deal with the business in the following order:

note the election of Members;

take the sederunt, noting which Members have executed the declaration of acceptance of office;

elect the Provost;

elect the Depute Provost;

appoint Leader, Depute Leader and Leader of the Minority Group(s);

appoint Members to Committees;

appoint Conveners and Vice-Conveners of Committees;

appoint Members to the Licensing Board;

appoint representatives to outside bodies;

consider arrangements for a timetable of scheduled meetings and any administrative arrangements.

- (b) At all other meetings of the Council, business shall be dealt with in the following order:

note apologies for absence;

note the appointment of substitutes by Members;

consider notice of any urgent business;

note declarations of interest;

approve minutes of meetings of the Council and Committees;

ask questions on the minutes;

consider Notices of Motions;

consider other motions on the agenda;

consider reports;

consider business in the appendix.

- (c) The order of business may be altered by the Provost upon his or her discretion.

## Minutes

20. Minutes of Council meetings shall be prepared by the Proper Officer. Subject to approval or correction as the case may be, the Minute shall be signed at the next suitable meeting of the Council by the person then presiding.
21. At the Council meeting, the Member presiding at a Committee meeting shall move acceptance of the Minute of that Committee meeting, as a correct record insofar as any such corrections of the Minute do not conflict with the proper exercise of powers delegated to the Committee. In the absence of the Member presiding at the Committee, another Member may move acceptance of the Minute of that meeting as a correct record. Any correction proposed by the presiding Member requires a seconder.

Any item in the Minute subject to referral from a Committee will require to be moved and seconded and subject to debate thereafter.

## Procedure for Notice of Motion

22. A Member may submit a Notice of Motion for consideration at any meeting of the Council. Such Notice of Motion shall be in writing and shall be countersigned by at least one other Member and delivered to the Proper Officer at least 7 clear days prior to the meeting of the Council at which the Motion is to be considered. The Notice of Motion shall be printed in the Agenda of the meeting of the Council without prejudice to the right of the Provost to rule as to its competency.
23. A Notice of Motion submitted under **Standing Order 22** may be moved by the Member who submitted the Notice of Motion or by another Member present. If it is not so moved, it shall, unless postponed by decision of the Council, be considered as withdrawn.

## Motions and Amendments

24. Any Member proposing a motion or amendment relating to any item of business at a meeting shall state precisely the terms of his or her motion or amendment to enable the Provost to rule as to its competency.
25. Before any vote takes place, a motion or amendment must be duly seconded.
26. Any motion or amendment which is not seconded shall fall and will not be recorded in the Minute.
27. Only a Member who has not abstained and has taken part in a vote or who has moved a motion or amendment but failed to find a seconder may, if he or she so requests, have his or her dissent to the relevant decision recorded in the Minute.
28. The Provost may require that any motion or amendment shall be put in writing by the Member so proposing or amending. When required by the Provost, the Proper Officer will read any motion or amendment prior to it being put to the meeting.
29. No Member shall move or second more than one motion or amendment on an item of business. A Member who has moved or seconded a motion or amendment shall be entitled to move or second a new motion or amendment if the original motion or amendment is withdrawn in terms of **Standing Order 30**.

30. A motion or amendment which has been moved and seconded shall not be altered or withdrawn without the consent of the mover and the seconder.
31. A motion or amendment contrary to a decision of the Council shall not be competent within 6 months of that decision unless, in the opinion of the Provost, material information is introduced which had not previously been available or some other material change of circumstances has taken place.

### **Speeches**

32. Except with the permission of the Provost, the mover and seconder of a motion or an amendment shall not speak for more than 15 minutes. Others speaking in the debate shall not speak for more than 10 minutes. No Member other than the mover of a motion shall speak more than once in the same debate unless to call attention to a point of order or, with the permission of the Provost, to make an explanation. The mover of the motion shall have the right to speak for up to 5 minutes in reply to the points raised in the debate and will strictly confine himself or herself to answering previous speakers and will not introduce any new matter. Thereafter, the question shall be put by the Provost.
33. Members shall address the Provost. Each Member shall confine his or her speech to the item being debated.
34. Except with the consent of the Provost, it shall not be competent for any Member to read a written or printed speech to the meeting but a Member shall be entitled to refer to notes.

### **Points of Order**

35. Any Member may raise a point of order at any time during a meeting. Any Member who is addressing the meeting when a point of order is raised will resume his or her seat until the point of order has been decided upon by the Provost. No other Member may speak to the point of order unless with the permission of the Provost. The decision of the Provost will be final and cannot be debated.

### **Closure of Debate**

36. At the conclusion of any speech, a Member who has not spoken on the item being debated may move "that the question be now put". If such a motion is moved and seconded and the Provost is of the opinion that the item has been sufficiently debated, there shall be no further debate and the vote shall be taken immediately "for" or "against" the motion "that the question be now put." If the motion "that the question be now put" is agreed, the mover of the substantive motion shall have the right to speak for not more than 5 minutes in reply to the points raised in the debate and will confine himself or herself to answering previous speakers and will not introduce any new matter. Thereafter, a vote shall be taken immediately on the substantive motion.

### **Adjournment**

37. At the conclusion of any speech, any Member may move that the meeting be adjourned. If such a motion is moved and seconded there will be no further debate and the vote shall be taken immediately to "adjourn" or "not adjourn". If the motion to adjourn is agreed then, unless the time is specified in the motion, the adjournment

shall take effect immediately and the meeting shall be adjourned until such time as decided by the Provost. If the motion to adjourn is not agreed, it shall not be competent to repeat such a motion for a further 30 minutes, unless moved by the Provost.

38. A motion to adjourn shall take precedence over all other motions.

### **Voting**

39. Except where otherwise provided by these Standing Orders, when a motion and amendment are considered by the Council, the proposal receiving the support of the majority of the Members present and voting will be declared to be the decision of the Council.
40. Voting shall be taken by calling the roll. For purposes of accountability, the names of all Members voting or abstaining relative to any motion or amendment shall be recorded in the Minute.
41. In addition to a deliberative vote, in the case of an equality of votes, the Provost, should he or she so wish, shall have a casting vote except where the matter relates to the appointment of a Member to any particular office or Committee (but not to outside bodies), in which case the decision shall be by lot.
42. When a motion and 2 or more amendments have been moved and seconded, the vote shall be taken in the first instance between the amendment last proposed and the amendment second last proposed. The successful proposal from that vote shall be taken against the amendment third last proposed and so on until there remains only one amendment to be taken against the motion and whichever of those is carried shall be the decision of the Council.
43. When a vote has been taken and the accuracy of the count is immediately challenged, it shall be at the discretion of the Provost to call for a recount.

### **Disregarding the Authority of the Provost**

44. If any Member disregards the authority of the Provost or behaves obstructively or offensively, a motion may then be moved and seconded to suspend the Member for the rest or any part of the meeting. The motion shall be put without discussion. If it is carried, the Council Officer shall act on any orders given by the Provost to carry out such a decision.

### **Questions and Agenda Items**

45. (a) Any Member may put a question to the Provost or to any Convener at any meeting of the Council concerning relevant and competent business on the Agenda. If the Provost or Convener decides that the question is relevant and competent, the Provost or Convener shall answer it or direct that it shall be answered;
- (b) If any Member wishes to give formal notice of a detailed question arising from the business on the Agenda, that Member can submit that question in writing to the Proper Officer by 10am on the day preceding the Council meeting. The Proper Officer shall liaise with the Provost or Convener on this at the earliest opportunity;

- (c) Any Member may submit in writing to the Proper Officer an item of business for consideration at any meeting of the Council not less than 7 clear days preceding the meeting. The Proper Officer shall place the item on the Agenda notwithstanding the entitlement of the Provost or Convener to rule on its competency.

If the Member considers the item to be urgent, the reasons for this must be specified by the Member in the written submission. In such circumstances, the Proper Officer may place the item on the Agenda even though less than 7 clear days' notice has been given, notwithstanding the discretion of the Provost or Convener to decide on its urgency or otherwise and on its competency for the meeting. Failing this, the item shall not be included on the Agenda as it has not been raised within the proper timescale.

### **Interests of Members**

46. Any Member who has an interest in any matter which, in terms of the Councillors' Code of Conduct issued under the Ethical Standards in Public Life etc. (Scotland) Act 2000, requires to be declared and is available to participate at a meeting at which such a matter is the subject of consideration, shall declare that interest as soon as practicable at the meeting where the interest arises. The declaration shall be sufficient to enable the meeting to understand the nature of the interest and shall be recorded in the Minute.

If, in terms of the Code, the nature of the interest means that the Member cannot participate in discussion and voting on the matter, the Member shall retire from the meeting and leave the meeting room until the business concerning that matter is concluded.

### **Suspension of Standing Orders**

47. On a motion made at any time during a meeting, the Council shall be entitled to suspend one or more of these Standing Orders so far as regards any business, but only if two-thirds of the Members present and voting for that purpose shall so decide. There shall be no discussion on such a motion.

### **Variation and Revocation of Standing Orders**

48. The Council may vary or revoke any of these Standing Orders. Any such decision will, if voted upon, be approved by a majority of Members present and voting.

### **Decisions of the Council**

49. No decision made by the Council shall be subject to review by any Committee unless such review is specifically authorised by the Council.
50. Without prejudice to any decision taken by a Committee, in exercise of delegated powers, the Council may at any time deal with any matter included in a delegation to a Committee, notwithstanding that no report from such Committee is before it. The Council may deal with any item of business included in the delegation to a Committee even if there is no report from that Committee on the item.

## **Contracts and Delegation**

51. The Council shall have Standing Orders Relating to Contracts, a Scheme of Delegation to Officers and Financial Regulations.

## **Committees**

52. The Council shall establish such Committees, Sub-Committees and Boards as may be considered necessary from time to time and shall have a Scheme of Administration on the terms of reference and delegations to Committees, Sub-Committees and Boards for the purpose of arranging for the discharge of the functions of the Council.
53. The Council shall appoint Conveners, Vice-Conveners and Members to such Committees, Sub-Committees and Boards as it establishes in terms of **Standing Order 52** at the statutory meeting of the Council and otherwise as it considers necessary from time to time.

## **COMMITTEES**

### **Committee Business**

54. In making appointments to Committees and outside bodies (but in the latter instance only where more than 2 representatives of the Council to an outside body are required), the Council shall ensure that such appointments reflect, as far as practicable, the balance of political representation on the Council.
55. Any business requiring consideration by the Council shall, unless considerations of time otherwise dictate, be placed before the appropriate Committee.
56. Committees shall meet as the Council may from time to time set. Special meetings may be convened as follows:-
  - (a) by the Committee at any ordinary meeting; or
  - (b) by a written request from the Convener submitted to the Proper Officer and specifying the business proposed to be transacted at the meeting; or
  - (c) by a written request signed by at least one quarter of the Members of the Committee submitted to the Proper Officer specifying the business proposed to be transacted at the meeting.

If the Proper Officer receives a request as set out in (b) or (c) above, such meeting shall be held within 14 clear days of receipt.

57. At any time prior to the issue of a notice calling a meeting of a Committee, the Proper Officer, after consultation with the Convener, may determine that such meeting be cancelled or postponed to such date and time as the Convener shall determine. In which event, the Proper Officer shall, forthwith, issue a notice intimating the cancellation or adjournment of the meeting.
58. All meetings of a Committee shall be convened by:
  - (a) a Notice being published by the Proper Officer at least 3 clear days before the meeting which shall specify the date, time and place of the meeting; and

- (b) a summons to attend the meeting specifying the business to be transacted being sent by post to the usual place of residence of every Member, or to such other address as any Member may notify, not later than 3 clear days before the date of the meeting.

### **Application of Standing Orders to Committees**

59. The following Standing Orders of the Council shall not apply to Committees:

Standing Order 2	-	Meetings of the Council
Standing Order 3	-	Special Meetings
Standing Order 8	-	Notice of Meetings
Standing Order 11	-	Quorum
Standing Order 20	-	Approval of Committee Minutes
Standing Order 25	-	Need for Secunder for Motions and Amendments
Standing Order 32	-	Speeches

For Committees the following Standing Orders shall be amended to the extent detailed below:

#### **Standing Order 4**

All meetings of Committees shall be held at the Municipal Buildings, Greenock or such other place as the Committee or Proper Officer in consultation with the Convener may determine, it being declared that a virtual/remote or hybrid meeting arranged by the Council shall satisfy this requirement.

#### **Standing Order 14**

- (a) At a meeting of a Committee, the Convener, if present, shall preside;
- (b) If the Convener is absent from a meeting, the Vice-Convener shall preside; and

#### **Standing Order 19(b)**

There is no requirement to approve minutes or ask questions thereon.

#### **Standing Order 36**

When any item is the subject of debate at a Committee, at any point in that debate, if the Convener is of the opinion that the item has been sufficiently debated, the Convener shall be entitled to close the debate and to decide that the question be now put to the Committee for decision. There shall be no further debate on the item and the Committee shall proceed to decide, whether by vote or otherwise, on the item.

The following additional Standing Orders shall apply to Committees:

## **Participation of Members not on a Committee**

60. (a) Any Member who is not a Member of a Committee and who wishes to have an item considered at that Committee shall give written intimation to the Proper Officer of that item. Such intimation shall be referred to the Convener of the relevant Committee and Corporate Director. That Corporate Director shall be responsible for responding to the Member. In the event that the Member is not satisfied with the response, the Member shall be entitled to have the item considered by the Committee by giving written intimation to the Proper Officer to that effect at least 14 clear days prior to the date of the next ordinary meeting. On receipt of such written intimation, the item shall be placed on the agenda for the Committee, without prejudice to the entitlement of the Convener to rule as to its competency, it being understood that if the subject matter is within the remit of the Committee and has been raised within the time limits, it shall be deemed competent;
- (b) Any Member who is not a Member of a Committee who submits an item in terms of (a) above, shall be entitled to attend the meeting of that Committee at which that item is being considered. That Member shall be entitled to participate in the debate on that item but shall not be entitled to vote;
- (c) A Member who is not a Member of a Committee shall be entitled to attend a meeting of that Committee while there is under consideration any item in which the Member has a specific ward-based interest as a Member. Except where a Committee is considering items in its quasi-judicial capacity, the Member shall, with the consent of the Convener, be entitled to participate in the debate of the item but shall not be entitled to vote. Where the consideration of an item is of a quasi-judicial nature, a Member who is not a Member of the Committee shall not be entitled to participate in debate on the item and shall not be entitled to vote;
- (d) Any Member who is not a Member of a Committee who wishes to ask a specific question in relation to an item on the Agenda of that Committee, shall give at least 2 clear days' written notice to the Proper Officer, specifying the question. The Proper Officer shall liaise with the Convener on this at the earliest opportunity. If the Member so notifies the Proper Officer, that Member shall be entitled to attend the meeting of that Committee to ask that question on that item but shall not be entitled to ask any supplementary questions, participate in any debate or to vote thereon. This is without prejudice to the Convener's entitlement to rule on the competency of the question.

## **Scheme of Administration**

61. (a) The arrangements for meetings of Committees and their functions shall be regulated in accordance with the Scheme of Administration;
- (b) Where a Committee makes a decision within its delegated powers, it shall be competent for at least 4 of the Members present and voting at a Committee and 2 of the Members present and voting at a Sub-Committee to require that the delegated power be not exercised and that the decision be referred for determination to the Council. This referral procedure cannot be used if the Committee is considering an item in its quasi-judicial capacity, in which case the decision taken shall be final;

Any referral must specify an alternative to the proposal so referred.

- (c) In addition to the detailed provisions of the Scheme of Administration:
  - (i) the Council may delegate on an ad hoc basis to a Committee the discharge of any function; and
  - (ii) a Committee may delegate on an ad hoc basis to a Sub-Committee the discharge of any function in respect of which that Committee has delegated powers.

### **Committees Acting in Quasi-Judicial Capacity**

- 63. Where a Committee is dealing with an item of business in a quasi-judicial capacity, a Member shall not be entitled to take part in debate, move a motion or amendment or vote on a motion or amendment unless that Member has been present throughout consideration of that item of business, any continuation of that item of business or any site visits.

### **Petitions Committee Protocol**

- 64. The Petitions Committee shall from time to time consider and approve its protocol and procedures for submitting petitions and determining its actions, which shall include provisions for persons or deputations making representation to that Committee.

### **Remits Between Committees**

<b>Subject:</b>	<b>Update Regarding Future Delivery of All Council/Committee/Board Meetings</b>		

---

## 1.0 PURPOSE

- 1.1 The purpose of this report is to provide an update and seek decisions on the future delivery of meetings of the Council, Committees and Boards in light of the relaxation of Covid restrictions announced by the Scottish Government due to the reduction in infection rates of the Omicron variant.

## 2.0 SUMMARY

- 2.1 Members have received and considered a number of reports regarding the delivery of Council/Committee and quasi-judicial Board meetings since the outbreak of the Coronavirus Pandemic in March 2020.
- 2.2 At its meeting on 23 September 2021 the Council agreed that approval should be given to all meetings of the Council, Committees, Sub-Committees and Boards continuing to be held on a hybrid basis except in the following circumstances:
1. The Chair/Vice-Chair or Convener/Vice-Convener is unable to attend the meeting in person;
  2. Holding a hybrid meeting would be contrary to the legislation, regulations and guidance of the Scottish Government regarding the COVID 19 pandemic with regards to public health and the requirement for social distancing measures.
- 2.3 At its meeting on 23 December 2021 the Policy & Resources Executive Sub-Committee considered a report prepared by the Interim Head of Legal and Democratic Services and agreed the following:
- (1) All meetings of the Council, Committees, Sub-Committees and quasi-judicial Boards would revert to remote online meetings;
  - (2) That public access to remote online Council and Committee meetings would be facilitated by live streaming fully remote meetings via You Tube;
  - (3) That the Remote Meeting Protocol and Hybrid Meeting Protocol would be amended in light of any changes ultimately agreed by Members;
  - (4) That the arrangements for the continued delivery of the Council, Committees and Council meetings and those of all quasi-judicial Boards would be considered by the Council at its meeting on 17 February 2022.
- 2.4 The First Minister in her statement on 25 January 2022 provided an update and advised that previous guidance in relation to working from home had changed and the Scottish Government is now recommending a phased return to the office. With effect from 31 January 2022 employers should consider implementing a hybrid working model.

- 2.5 In light of this it is recommended that the Council return to the meeting model approved on 23 September 2021 and that public attendance be facilitated by both physical attendance and the continuation of live streaming.
- 2.6 Given it is less than 6 months since the Council last considered this matter, and given the recommendations on the report, the Council will need to suspend the Standing Orders (Standing Order 47) if it wishes to consider this report.

### **3.0 RECOMMENDATIONS**

- 3.1 It is recommended that:
- (a) the Council consider the contents of this report and agree that the Council revert to the Hybrid Committee model approved by the 23 September 2021 Council with effect from 1 March 2022;
  - (b) public attendance be facilitated via reverting to physical attendance whilst continuing with live streaming of meetings onto You Tube (or such substitute medium as the Council might subsequently use); and
  - (c) the Council approve revisions to both the Remote and the Hybrid Meeting Protocols in relation to the issue of public attendance as set out in Appendix 3.

## 4.0 BACKGROUND

- 4.1 A number of reports have been submitted to Members since March 2020 regarding the delivery of Council, Committees, including Sub-Committees and Board meetings in light of the Coronavirus Pandemic. The approach adopted by the Council has been driven by both UK and Scottish Government regulations and guidance.
- 4.2 At its meeting on 23 September 2021 the Council agreed that approval should be given to all meetings of the Council, Committees, Sub-Committees and Boards continuing to be held on a hybrid basis except in the following circumstances:
  - (a) The Chair/Vice-Chair or Convener/Vice-Convener is unable to attend the meeting in person; or
  - (b) Holding a hybrid meeting would be contrary to the legislation, regulations and guidance of the Scottish Government regarding the COVID 19 Pandemic with regards to public health and the requirement for social distancing measures.

The Council on 23 September 2021 also approved the new hybrid meeting protocol set out in **Appendix 1** and approved the revised remote meeting protocol set out in **Appendix 2**.

- 4.3 Following the Council meeting on 23 September 2021 most meetings of the Council, Committees and Boards took place on a hybrid basis, were recorded and retrospectively placed on the Council website for public viewing. In the main these meetings operated successfully with appropriate social distancing measures in place within the Council Chambers. Additional measures were introduced to improve the ventilation in the Chambers. In particular two air purifiers and a CO2 monitor were installed within the Chambers whilst the main and side doors were left open during public business. The CO2 monitor readings were monitored and were well within acceptable limits even during warm weather.
- 4.4 Overall Officers believe the hybrid meeting approach was relatively successful and afforded Members the flexibility to either attend meetings in person or attend remotely. During this time very few members of the public attended a hybrid meeting.
- 4.5 Due to the high incidence and rapid spread of the Omicron variant and fears this may lead to increased hospitalisation, the First Minister announced on 14 December 2021 additional protective measures to mitigate the spread of the virus. Regulations published on 16 December 2021 imposed additional restrictions requiring any person responsible for carrying out a business or providing a service to put in place additional measures to minimise the incidence and spread of the virus. In particular, the regulations increased the distance in business and work places within which people required to wear a face mask if seated from 1-2 metres. The Scottish Government advised employers that employees should work from home where possible.
- 4.6 At its meeting on 23 December 2021 the Policy & Resources Executive Sub-Committee considered a report prepared by the Interim Head of Legal & Democratic Services and accepted the recommendation of the Corporate Management Team that meetings should be conducted remotely in light of the guidance of the Scottish Government and up-to-date risk assessment carried out by Officers. It was also agreed to trial live streaming meetings to facilitate public access.

## 5.0 CURRENT POSITION

- 5.1 On 18 January 2022 the First Minister advised that notwithstanding the very real challenges COVID continues to present the situation was beginning to improve. The temporary protective measures introduced in December 2021 had in her view helped to mitigate the impact of the Omicron wave. Whilst recommending a cautious approach, the First Minister confirmed that it would be appropriate to lift measures on a phased basis.

5.2 Whilst baseline mitigation measures are to remain in place and the requirement for businesses to take reasonable measures to minimise the spread of COVID on their premises retained, statutory measures introduced to respond to Omicron have been lifted with effect from Monday 24 January 2022.

5.3 The First Minister in her statement on 25 January 2022 advised that previous guidance in relation to working from home has changed and the Scottish Government is now recommending a phased return to the office and that with effect from 31 January 2022 employers should consider implementing a hybrid working model.

## 6.0 PROPOSALS

6.1 The recommendation of the Corporate Management Team is that all meetings of the Council, Committees and Boards revert to the hybrid model approved by the 23 September 2021 Council with effect from 1 March 2022. It should be noted that the rule regarding 2 metre physical distancing which had been reintroduced on a temporary basis in December 2021 to deal with the Omicron variant has now been removed by the Scottish Government. As at the date of this report physical distancing of at least 1 metre remains in place although further statutory guidance from the Scottish Government is expected.

## 7.0 PUBLIC ATTENDANCE

7.1 Members require to consider the issue of public attendance at Council and Committee meetings. There is a requirement for the Council to provide access to public meetings unless not required by law. The previous approach adopted for hybrid non quasi-judicial meetings was that members of the public could physically attend the Chambers if they so wished with provision for any excess members of the public being accommodated in the Grand Corridor. During the hybrid period very few members of the public physically attended a Council or Committee meeting.

7.2 Separate arrangements for online participation were in place for hybrid quasi-judicial meetings where there is a legal entitlement for applicants or others to make representation.

7.3 The decision of the Policy & Resources Executive Sub-Committee of 23 December 2021 was that remote meetings of the Council and Committees would be live streamed onto You Tube in order to facilitate access by the public to meetings.

7.4 Live streaming of non quasi-judicial meetings commenced with the Audit Committee on 11 January 2022 and thus far four meetings of the Council's Committees have been live streamed. Viewing figures for these Committees are provided in the box below. Whilst there are risks inherent in live streaming, guidance has been issued to all Members and Officers to minimise such potential risks. Thus far live streaming of Committee meetings appears to have operated smoothly with the advantage that members of the public have the opportunity to either watch the meetings live or at a later date at a much earlier juncture that was previously achieved through the retrospective posting of recorded meetings

Date	Committee	Concurrent Live Views	Post Stream Views
11/01/22	Audit	4	49
13/01/22	E&R	16	68
25/01/22	E&C		
	Communities	19	134
	Education	20	31
01/02/22	P&R	18	20

- 7.5 Should Members decide to revert to hybrid meetings, members of the public will have the option of attending the Municipal building in person subject to the legislation, guidance and regulations of the UK and Scottish Government. Retaining the option of live streaming would afford members of the public the same flexibility offered to Members in that they can choose to either attend in person or watch the live stream. Only the public part of any meeting is suitable for live streaming and where a confidential or “exempt” item is under consideration there will be no live streaming.
- 7.6 There are separate arrangements in place for quasi-judicial meetings of the Council. Those individuals who require to participate in such meetings will continue to receive an electronic invitation in order to facilitate online participation should they not wish to attend the Chambers in person. Due to the separate and distinct nature of quasi-judicial meetings it is not proposed to live stream these meetings.
- 7.7 In light of the foregoing proposals, if agreed, it is considered appropriate that changes are made to sections 3 and 8 of both the Remote and Hybrid Meeting Protocols, as set out in Appendix 3, to ensure that members of the public, for reasons of transparency and public accommodation, have access to both remote and hybrid meetings. Members are reminded that (as set out in paragraph 2 (c ) of the Hybrid Meeting Protocol) they should contact the Committee Section at least 24 hours prior to the commencement of a meeting in order to indicate if they wish to attend remotely or in person.
- 7.8 Members have previously highlighted that the live-streaming of meetings from the Chambers is not an optimal solution, as noted in the above-mentioned report from 23 September 2021. In addition, there are limitations, financial and non-financial, around the enhancements that could be made to improve the position on the basis that the Council Chambers continues to be used for Council and Committee meetings.

## 10.0 BACKGROUND PAPERS

10.1 Remote and Hybrid Meeting Protocols.

## **HYBRID MEETINGS PROTOCOL AND PROCEDURE RULES FOR COMMITTEES AND BOARDS**

This protocol and these procedure rules provide guidance for the conduct of any hybrid meeting of the Council and its various Committees, Sub-Committees and Boards, including quasi-judicial meetings, whereby at their discretion Members can attend in person or can join meetings remotely.

This protocol and these procedure rules should be read in conjunction with the Council's Standing Orders and Scheme of Administration. In the event of a conflict between (i) this protocol and these procedure rules, and (ii) the Council's Standing Orders and Scheme of Administration, then this protocol and these procedure rules shall prevail while they remain in force and effect.

### **1. Advance Questions**

All Members are encouraged to support the meeting arrangements by asking questions of clarification or detail in advance of the meeting. This may assist Members on points of clarification before the meeting and will allow Members to focus on the key issues and items for decision at the online meeting. Questions can still, of course, be asked at the meeting.

### **2. Meeting Management**

- a. All Members have been provided with the Webex meeting guide for attendees and have been invited to participate in Webex training. Any training requests will be supported by officers.
- b. At their discretion, Members can choose a neutral background for the meeting but Members should note that this may affect their connectivity.
- c. All Members will receive a Webex or other electronic invitation prior to each meeting. Members should contact the Committee Section at least 24 hours prior to the commencement of a meeting in order to indicate if they wish to attend remotely or if they wish to attend in person.
- d. To support the remote element of the meeting, the Committee Officer's role will be to issue the Webex or such other electronic invites, to host the meeting, to manage declarations of interest by moving remotely connected Members to the lobby and re-admitting them to the meeting at the appropriate time and expelling the public and press from the meeting at the appropriate juncture. It will also be the Committee Officer's role to make contact with any Member who loses connectivity by sending a text message to that Member with the number which will permit that Member to rejoin the meeting by phone if they are unable to reconnect by video. A note of the number will also be provided on the hard copy of the agenda/papers issued to Members.

- e. The Convener will, at the beginning of the meeting, briefly recap the protocol for participation in the meeting. A roll call of Members will then be taken by the Committee Officer and declarations of interest will be requested. If a Member joins the meeting remotely after the roll call, he/she is requested to use the chat function to notify everyone.
- f. The normal quorum requirements for meetings as set out in the Council's Standing Orders and Scheme of Administration shall apply to hybrid meetings.
- g. Members should not leave the meeting during any item of business. If Members do leave during an item of business which is not of a quasi-judicial nature they should consider carefully whether they should participate in the decision on any item of business for which they were not present. If the item of business is of a quasi-judicial nature, the Member must be present throughout its consideration and, if not present continuously for that item, the Member cannot participate in the decision-making on that item. Failure of the remote meeting connection is dealt with later in this note.
- h. It assists meeting management for remote Members to be logged in to all meetings as "Cllr" NAME.
- i. It will be necessary for the Convener/Chair of each hybrid meeting to physically attend the meeting in person. In the event the Convener/Chair is unable to physically attend the Vice-Convener/Chair will preside, failing which it will be necessary to hold a fully remote meeting. In the event the Convener/Chair or Vice-Convener/Chair are only able to attend remotely they should, where possible, provide the Committee Section with 48 hours' notice in order that suitable arrangements can be made to hold a fully remote meeting.

### **3. Meeting Procedure**

Members should follow the meeting procedure below. This procedure also applies to the outside representatives on the Education & Communities Committee.

#### **(a) Meeting procedure for Members who attend a meeting remotely**

- The Committee Officer will open the meeting 15 minutes prior to its commencement and Members who are joining remotely are asked to co-operate by joining the meeting as early as possible prior to the stated commencement time.
- All Members attending remotely should ensure their automatic Webex or other service identifier clearly states their name.

- Members must not allow exempt or confidential papers to be seen in the video feed.
- All Members attending remotely should have their microphones muted when not talking.
- Members attending remotely should indicate to the Convener that they wish to speak by sending a message “to everyone” through the chat facility, for noting by the Convener and Committee Officers. Messages sent “to everyone” in the chat facility are part of the public record.
- Members should only unmute their microphone when the Convener invites them to speak.
- Only one person may speak at any one time.
- If a remotely connected Member requires to leave the hybrid meeting temporarily for any reason other than connection failure, the Member must send a message “to everyone” through the chat facility for notice of the Convener and Committee Officers to ensure their temporary absence can be noted and the Member must send a similar message when returning to the meeting to ensure this is recorded in the minute.
- If a Member participating remotely requires to leave the hybrid meeting early, the Member must send a message through the chat to everyone facility for notice of the Convener and Committee Officer to ensure this is recorded in the minute.
- Any Officer who is attending remotely who leaves the meeting must advise the Convener and Committee Officers of their departure by using the chat to everyone facility.

(b) Members participating by phone

- Members participating by phone should if possible mute their telephone microphone when not speaking.
- Any Member participating by phone who requires to leave the remote meeting temporarily must state this when departing from and rejoining the meeting.
- Any Member participating by phone who requires to leave the remote meeting early must state this when departing from the meeting.
- Members participating by phone should only speak when invited to do so by the Convener/Chair.

(c) Members attending the Chambers in person

- Members attending in person must indicate that they wish to speak by pressing their light.
- A Member must wait to be invited to speak by the Convener/Chair.
- All Members in the Chambers will require to project their voice and speak clearly.

- Only the Convener/Chair may attend the Chambers with their laptop for the purpose of monitoring the chat function.
- Members must wear masks at all times when not seated in the Chambers for so long as this remains a requirement of Coronavirus legislation and guidance of the Scottish Government.

(d) Officers attending remotely or in person will also require to comply with the above protocol.

#### **4. Debate and Voting**

- a. The Convener will introduce each item on the agenda and manage the business on the agenda.
- b. Normal Council and Committee procedures will be followed in terms of questions, discussions, motions, amendments etc. As stated above, Members on video feed must use the chat facility on Webex or such other electronic system in use to indicate to the Convener that they wish to speak. The Convener will regularly monitor the chat function to ensure that Members are engaged. The chat function will not be available to Members who have joined the meeting by phone. The Convener will therefore ask those Members individually at each item if they wish to speak. Members who wish privacy for any reason can choose to disable temporarily, or for the whole duration of the meeting, their own video function but in this situation the chat function remains available to them for their participation in the progress of the meeting. If Members disable their video function temporarily to retrieve papers or to relocate their seating/access location this will not constitute leaving the meeting unless they are not able to hear meeting progress or participate in the meeting in which case they should instead notify everyone they are temporarily leaving the meeting as noted above.
- c. When the Convener is satisfied that there has been sufficient debate, the Convener will progress to making a decision.
- d. If there is a vote on an agenda item, the vote will be taken by roll call and the number of votes for or against the motion or amendment or abstaining from voting will be recorded.
- e. The Legal Adviser to the Committee will call out the name of each Member present with:
  - Members stating “motion” or “amendment” to indicate their vote when their name is called or otherwise to “abstain”;
  - the Legal Adviser to the Committee will clearly state the result of the vote and the Convener will then move onto the next agenda item.

## 5. Declarations of Interest

Any Member who declares an interest in any item of business which would normally require them to leave the room, must also leave the hybrid meeting. The Committee Officer will move any Member attending remotely to the lobby and readmit the Member to the meeting at the appropriate time.

## 6. Exclusion of Public and Press

- a. Where a confidential or “exempt” item is under consideration, the Committee Officer and Legal Adviser to the Committee will ensure that there are no members of the public or press in physical attendance or remotely accessing the meeting and able to hear or see the proceedings once the exclusion has been agreed by the meeting and the Legal Adviser to the Committee will confirm this to the Convener prior to any private business being conducted.
- b. Members who are joining remotely must ensure that there are no other persons present at their location who are not entitled to be present (either hearing or seeing) during consideration of such items, and/or recording the proceedings.

## 7. Connection Failure

- a. If any Member who is attending the meeting remotely loses connection they should try to rejoin the meeting. If unsuccessful, Members should call the *join by phone* number provided in the electronic meeting invitation. One of the Committee Officers, immediately upon becoming aware that a Member has lost connectivity, will notify the Convener and send a text message to the Member with a note of the phone number to enable the Member to rejoin the meeting by audio. It will be the responsibility of each Member attending remotely to ensure that their mobile phone is charged and within reach during the meeting. A note of the phone number will also be provided to Members on the hard copy of the agenda and papers issued.
- b. When it appears there has been a remote meeting connection failure affecting a Member or Members, the Convener should immediately determine if the meeting is still quorate:
  - If the meeting is still quorate, then, at the discretion of the Convener, having regard to the nature of the item of business, **either**:
    - i. the business of the meeting may continue; **or**
    - ii. the meeting will be paused for a maximum period of 5 minutes to allow reconnection of the Member or Members affected, during which time no business will be considered or transacted, the presumption being that when **either** the affected Members have reconnected **or** 5 minutes have expired the meeting will continue to deal with business, provided it remains quorate.

- If the meeting is no longer quorate, then:
  - i. the meeting will be paused for a maximum period of 5 minutes, to allow reconnection of the Member or Members affected, during which time no business will be considered or transacted;
  - ii. if the affected Member or Members reconnect to the meeting and the meeting is once again quorate, the meeting will continue to deal with business;
  - iii. if after 5 minutes the meeting is still not quorate, the meeting shall adjourn for a further period specified by the Convener, expected to be no more than 15 minutes, to allow the connection to be re-established; and
  - iv. if, after such an adjournment, the meeting is still not quorate then the meeting shall be further adjourned to an appropriate date and time.

The presumption is that a quorate meeting will continue to deal with business.

- c. If the connection is successfully re-established, then the remote Member(s) will be deemed to have returned at the point of re-establishment.
- d. If a remote Member has a connection failure and is able to rejoin the meeting, the Member must use the chat “to everyone” to advised the Convener, the Committee Officers and the Committee and to indicate the items for which they were not present.
- e. In the event of a fully remote meeting if the connection to the Convener is lost, the Vice-Convener will exercise discretion in terms above. If the Vice-Convener is not present (or connection is lost), the remaining Members will elect a replacement Chair for the purpose only of exercising the Convener’s discretion in terms above.
- f. If a connection to a Member is lost during a meeting of a Quasi-Judicial Board, the Chair will stop the meeting to enable the connection to be restored. If the connection cannot be restored within a reasonable time, which period shall be specified by the Convener/Chair, the meeting will only proceed at the discretion of the Chair, and if the meeting is quorate but the Member who was disconnected will not be able to take part in the decision on the matter under discussion. If the Chair so chooses, the quasi-judicial item may be adjourned to an appropriate later time or day. In the event of connection failure of more than one Member for a quasi-judicial item, the presumption will be that the Chair adjourns the meeting to an appropriate later time or day.

## **8. Attendance of the Public**

- a. Members of the public can attend remotely or in person, subject to the

legislation, regulations and guidance of the UK and Scottish Government with regard to social distancing measures in place at any time.

- b. For quasi-judicial meetings where there is no legal entitlement for applicants or others to make representations, arrangements will be made in the interests of transparency and community engagement to issue electronic invites to those members of the community with an interest who make a request that they wish to attend the meeting but do not wish to attend the Chambers in person..
- c. For those other quasi-judicial meetings where there are legal entitlements for applicants or others to make representations, arrangements will be made for online participation for parties involved with electronic invitations being issued to those who wish to join remotely rather than attend the Chambers in person

## **REMOTE MEETINGS PROCEDURE AND PROTOCOL FOR COMMITTEES**

This protocol and procedure rules provide guidance for the conduct of any remote online meeting of the Council and its various Committees and Sub-Committees and Boards including quasi-judicial meetings.

This protocol and procedure should be read in conjunction with the Council's Standing Orders and Scheme of Administration. In the event of a conflict between (i) this protocol and these procedure rules, and (ii) the Council's Standing Orders and Scheme of Administration, then this protocol and these procedural rules shall prevail while they remain in force and effect.

### **1. Advance Questions**

All Members are encouraged to support the meeting arrangements by asking questions of clarification or detail in advance of the meeting. This may assist Members on points of clarification before the meeting and will allow Members to focus on the key issues and items for decision at the online meeting. Questions can still of course be asked at the meeting. It will also assist if any Members who wish to speak on a particular agenda item could inform the Convener in advance of the start of the meeting, where it is possible to do so, and this will help the progress of the meeting.

### **2. Meeting Management**

- a. All Members have been provided with the Webex meeting guide for attendees and have been invited to participate in Webex training. Any training requests will be supported by officers.
- b. At their discretion, Members can choose a neutral background for the meeting but Members should note this may affect their connectivity.
- c. To support the videoconferencing meeting, the Committee Officer's role will be to issue Webex invites, to host the meeting, to manage declarations of interest by moving Members to the lobby and re-admitting them to the meeting at the appropriate time and expelling the public and press from the meeting at the appropriate juncture. It will also be the Committee Officer's role to make contact with any Member who loses connectivity by sending a text message to that Member with a number which will permit that Member to rejoin the meeting by phone if they are unable to reconnect by video. - e. The normal quorum requirements for meetings as set out in the Council's Standing Orders and Scheme of Administration shall apply to remote meetings.

- All Members on video should have their microphones muted when not talking.
- Any Members participating by phone should, if possible, mute their telephone microphone when not speaking.
- Members should use the chat facility on Webex to indicate to the Convener that they wish to speak. This can be facilitated by sending a message to all participants. The chat facility "to everyone" is part of the public record.
- Members should unmute their microphone when the Convener invites them to speak.
- Only one person may speak at any one time.
- If a Member requires to leave the remote meeting temporarily for any reason other than connection failure, the Member must send a message through the chat to everyone facility to ensure their temporary absence can be noted and the Member must send a similar message when returning to the meeting to ensure this is recorded in the minute.
- The chat record is the official record of attendance.

- Any Member participating by phone who requires to leave the remote meeting temporarily must state this when departing from and rejoining the meeting.
- If a Member requires to leave the remote meeting early, the Member must send a message through the chat to everyone facility to ensure this is recorded in the minute.
- Any Member participating by phone who requires to leave the remote meeting early must state this when departing from the meeting.
- Any Officer who leaves the meeting must advise the Committee of their departure by using the chat to everyone facility.

#### **4. Debate and Voting**

- a. The Convener will introduce each item on the agenda and manage the business on the agenda.

## 5. Declarations of Interest

Any Member who declares an interest in any item of business which would normally require them to leave the room, must also leave the remote meeting. The Committee Officer will move that Member to the lobby and readmit the Member to the meeting at the appropriate time.

## 6. Exclusion of Public and Press

- a. Where a confidential or “exempt” item is under consideration, the Committee Officer and Legal Adviser to the Committee will ensure that there are no members of the public or press in remote attendance or remotely accessing the meeting and able to hear or see the proceedings once the exclusion has been agreed by the meeting and the Legal Adviser to the Committee will confirm this to the Convener prior to any private business being conducted.
- b. Members must ensure that there are no other persons present at their location who are not entitled to be (either hearing or seeing) consideration of such items, and/or recording the proceedings.

## 7. Connection Failure

- a. If any Member loses connection they should try to rejoin the meeting. If unsuccessful, Members should call the *join by phone* number provided in the Webex meeting invitation. One of the Committee Officers, immediately upon becoming aware that a Member has lost connectivity, will notify the Convener and send a text message to the Member with a note of the phone number to enable the Member to rejoin the meeting by audio. It will be the responsibility of each Member attending remotely to ensure that their mobile phone is charged and within reach during the meeting. A note of the phone number will also be provided to Members on the hard copy of the agenda and papers issued.
- b. When it appears there has been a remote meeting connection failure affecting a Member or Members, the Convener should immediately determine if the meeting is still quorate:
  - If it is, then at the discretion of the Convener, having regard to the nature of the item of business either:
    - (i) the business of the meeting may continue; or
    - (ii) the meeting will be paused for a maximum period of 5 minutes to allow reconnection of the Member or Members affected, during which time no business will be considered or transacted, the presumption being that when either the affected Members have reconnected or 5 minutes have expired the meeting will continue to deal with business, provided it remains quorate.

- If there is no quorum, then:
  - (i) the meeting will be paused for a maximum period of 5 minutes to allow reconnection of the Member or Members affected, during which time no business will be considered or transacted; (ii) if the affected Member or Members reconnect to the meeting and the meeting is once again quorate, the meeting will continue to deal with the business; (iii) if after 5 minutes the meeting is still not quorate, the meeting shall adjourn for a further period specified by the Convener, expected to be no more than 15 minutes to allow the reconnection to be re-established; and (iv) if, after such an adjournment, the meeting is still not quorate then the meeting shall be further adjourned to an appropriate date and time.

The presumption is that a quorate meeting will continue to deal with business.

- c. If the connection is successfully re-established, then the remote Member(s) will be deemed to have returned at the point of re-establishment.
- d. If a Member has a connection failure and is able to rejoin the meeting, the Member must use the chat to everyone facility to advise the Committee and to indicate the items for which they were not present.
- e. If the connection to a Convener is lost, the Vice-Convener will exercise discretion in terms above. If the Vice-Convener is not present (or connection is lost), the remaining Members will elect a replacement Chair for the purpose only of exercising the Convener's discretion in terms above.
- f. If a connection to a Member is lost during a meeting of a Quasi-Judicial Board, the Chair will stop the meeting to enable the connection to be restored. If the connection cannot be restored within a reasonable time, which period shall be specified by the Convener/Chair, the meeting will only proceed at the discretion of the Chair and if the meeting is quorate, but the Member who was disconnected will not be able to take part in the decision on the matter under discussion. If the Chair so chooses, the quasi-judicial item may be adjourned to an appropriate later time or day. In the event of connection failure of more than one Member for a quasi-judicial item, the presumption will be that the Chair adjourns the meeting to an appropriate later time or day.

## **8. Attendance of the Public**

- a. When meetings are held remotely the public will therefore be unable to physically attend the meeting.

- b. For quasi-judicial meetings where there is no legal entitlement for applicants or others to make representations, arrangements will be made in the interests of transparency and community engagement to issue electronic invitations to those members of the community with an interest to make a request that they wish to attend the meeting.
- c. For those other quasi-judicial meetings where there are legal entitlements for applicants or others to make representations, arrangements will be made for online participation for parties involved with electronic invitations being issued to those who wish to join remotely.
- d. A secure safe room with on-line meeting availability will be offered to any parties or their representative who do not have electronic means to join a meeting.

**Effect of Proposed Changes to Sections 3 and 8 of the Remote Meeting Protocol Regarding Attendance of the Public**

**Section 3**

- Members should only participate by phone where there has been a connection failure, for which see Section 7 (Connection Failure).

**Section 8A**

When meetings are held remotely the public will therefore be unable to physically attend the meeting. Members of the public will be able to view all Council and Committee meetings which will be live streamed on the Council's website.

**Effect of the Proposed Changes to Hybrid Meeting Protocol Regarding Attendance of the Public**

**Section 3 (b)**

- Members should only participate by phone where there has been a connection failure, for which see Section 7 (Connection Failure).

**Section 8A**

Members of the public can attend meetings of the Council, its Committees and Sub-Committees and Boards in person, subject to the legislation, regulations and guidance of the UK and Scottish Government with regard to social distancing measures in place at any time. Alternatively members of the public can view live streamed meetings on the Council's website.

- 1.1 The purpose of this report is to request the Council approve its polling scheme for the purposes of the Local Government Elections in May 2022.

## 2.0 SUMMARY

- 2.1 The Council at its meeting on 18 February 2021 was provided with an update on election planning in advance of the Scottish Parliamentary Elections which were held on 6 May 2021, and approved arrangements for the polling scheme set out in Appendix 1 to this report. This report requests continuation of these arrangements for the forthcoming Local Government Elections.
- 2.2 The elections held in May 2021 took place under Covid-19 restrictions. The Chief Executive, as Returning Officer for the Greenock and Inverclyde Constituency, put in place many additional measures to ensure that the polling could be conducted in accordance with the prevailing health advice and all election regulations. There were many additional complexities in terms of planning and public safety which impacted on time and staff resources.
- 2.3 A review of polling scheme arrangements is always undertaken after each election. In view of the need to continue with election planning and delivery with regard to continuing Covid restrictions, it is not proposed to alter any of the Council's formerly approved polling scheme, except for the necessary inclusion for the Local Government Elections of the two polling places in Ward1 (Inverclyde East) as set out in paragraph 4.4. As such, and with regard to current advice and the pressing nature of timescales which affect election planning, it is requested that the polling scheme in Appendix 1 be approved for use at the Scottish Local Government Elections in May 2022.

## 3.0 RECOMMENDATIONS

It is recommended that:

- 3.1 The Council approves the polling scheme attached at Appendix 1 for use at the Local Government Elections in May 2022;
- 3.2 Authority continues to be delegated to the Chief Executive as Returning Officer for the Local Government Elections to modify the approved polling scheme as may be necessary in situations of need and also to make any alternative or emergency arrangements as may be necessary in the interests of voters.

## 4.0 BACKGROUND

- 4.1 The Scottish Boundary Commission's decision of 14 September 2016 was to provide for 22 Councillors within Inverclyde, with one 4 Member ward and six 3 Member wards, which was considered by the Council at its meetings on 29 September 2016 and 1 December 2016.
- 4.2 The electoral wards for Inverclyde are as follows:
  - Ward 1 : Inverclyde East
  - Ward 2: Inverclyde East Central
  - Ward 3 : Inverclyde Central
  - Ward 4: Inverclyde North
  - Ward 5: Inverclyde West
  - Ward 6 : Inverclyde South West
  - Ward 7 : Inverclyde South
- 4.3 Council Officers always review the Council's polling scheme arrangements after each election. For example, it is the Council's preference to release pressure on the school estate and to seek alternative venues for primary schools as far as is possible.
- 4.4 Appendix 1 forms the proposed polling scheme for the Local Government Elections in May 2022 and comprises details of the current Ward number, polling district and polling place. Two polling places in Ward 1(Inverclyde East), namely (i) Bethseda Building, Faith Avenue, Quarriers Village and (ii) St Columba Church Hall, Bridge of Weir Road, Kilmacolm, were not required for the Scottish Parliamentary Elections as they were part of Renfrewshire North and West constituency for the purposes of those elections. However, given that they form part of the Inverclyde Council area they have been included within the polling scheme for the Local Government Elections in May 2022. It is requested that the polling scheme set out in Appendix 1 be approved.
- 4.5 The Local Government Elections in May 2022 will continue to take place under certain Covid-19 restrictions. As with the Scottish Parliamentary Elections of May 2021, the Chief Executive, as Returning Officer, will require to put in place a number of measures to ensure that the poll can be conducted in accordance with the prevailing health advice and all election regulations.
- 4.6 The Council's Health & Safety team completed individual risk assessments for each polling place prior to the Scottish Parliamentary Elections in May 2021, and will carry out up-to-date risk assessments for each polling place taking into account current guidance, including from Public Health Scotland, the Electoral Commission and the Electoral Management Board. The risk assessments will also take into consideration issues in relation to disability access. The Council required to source equipment such as personal protective equipment for all polling and count staff, together with perspex screens and additional physical distancing signage in advance of the Scottish Parliamentary Elections in May 2021. It is proposed that this equipment will be used once again for the Local Government Elections in May 2022.
- 4.7 The Council has been successful in past years in minimising the use of the school estate in polling schemes. However, in terms of the arrangements set out in Appendix 1, which are necessary to accommodate additional Covid arrangements, Lady Alice Primary School, for example, will require again to be included within the polling scheme, due to there being no suitable alternative polling place. In view of the pressing timescales above, and current Covid advice, arrangements are in hand to ensure availability of all accommodation required for the implementation of the Council's polling scheme.
- 4.8 This report also requests the continuation of delegated powers to the Chief Executive, as Returning Officer for the Local Government Elections, to modify the approved polling scheme as may be necessary in situations of need and also to make any alternative or emergency arrangements as may be necessary in the interests of voters.

## 1.0 PURPOSE

- 1.1 The purpose of this report is to request the Council to consider appointing two representatives to the Board of the Joint Venture Company to be established to deliver the Inchgreen City Deal Project (“the Project”).

## 2.0 SUMMARY

- 2.1 The Environment & Regeneration Committee at its meeting on 13 January 2022 considered a report by the Interim Director, Environment & Regeneration advising of progress in respect of the Project, confirming approval to enter into a Joint Venture Agreement with Clydeport Operations Limited (“COL”) to deliver the Project and approving other actions in respect of the Project. In particular, the Committee noted that two Elected Member Directors of the Joint Venture would be considered by the Council on 17 February 2022.
- 2.2 As part of the Joint Venture arrangements, the Joint Venture Company will be established, named and incorporated once Final Business Case approval from the City Deal Cabinet Project Management Office is granted.
- 2.3 The Joint Venture Agreement between the Council and COL states that the initial Directors of the Company shall be:
- (a) Two individuals to be nominated by the Council prior to incorporation; and
  - (b) Two individuals to be nominated by COL prior to incorporation.
- 2.4 The Council, therefore, requires to determine two nominees to the Board of the Inchgreen Joint Venture Company. In addition, the Council is to nominate the Chair of the Board for the first two years of the Company’s existence, meaning the Council should also consider which nominee should be its Chair.
- 2.5 Elected Members are reminded that accepting such a Director appointment brings additional legal and other duties, in particular to act in the best interests of the Inchgreen Joint Venture Company. There is the potential that in the future such an appointment could result in a conflict of interest with the individual’s role as an Elected Member. The attention of Elected Members is also drawn to the [advice note prepared by the Standards Commission](#) on considerations related to an external organisation such as this.
- 2.6 The provision of the Council’s Standing Orders (Standing Order 54) which provide that appointments reflect, as far as practicable, the balance of the political representation of the Council only apply where more than two representatives are sought for outside bodies. As such, this provision does not apply in respect of these appointments.
- 2.7 In the usual way, these appointments will be re-considered at the Statutory Meeting of the Council following the May 2022 elections, together with all such external appointments.

### **3.0 RECOMMENDATIONS**

- 3.1 It is recommended that the Council appoints two Elected Members to serve on the Board of the Joint Venture Company established to deliver the Inchgreen City Deal Project, one of those appointments also being the initial Chair, said appointments to be re-considered at the Statutory Meeting of the Council following the May 2022 elections.

## 1.0 PURPOSE

- 1.1 The purpose of this report is to seek the Council's re-appointment of three outside trustees to the Peter Stanton Memorial Trust for a period of four years.

## 2.0 SUMMARY

- 2.1 Trustees of the Peter Stanton Memorial Trust are appointed for a term of four years. There are currently six trustees. Three trustees comprise of the Provost and two other members. The remaining trustees are not members of the Council, and are elected as trustees by Inverclyde Council from people who are electors within the geographical area of Inverclyde, and who are nominated by disabled groups within Inverclyde.
- 2.2 If there are insufficient nominations from disabled groups within the geographical area of Inverclyde, then trustees are to be elected by Inverclyde Council from people known to Inverclyde Council as being representative of a disabled group, or experienced in or closely associated with the provision of sport and leisure activities for the disabled within Inverclyde.
- 2.3 The Council is permitted to reappoint a trustee on expiry of his or her term of four years without the need for further nomination by a disabled group.
- 2.4 If on any occasion there are more nominations than the number of vacancies for the office of trustee, it is at the absolute discretion of the Council as to whom it appoints always provided that any person fulfils the requirement of being an elector within the geographical area of Inverclyde.
- 2.5 Any casual vacancy filled by the Council shall be for the balance of the four year period for which a trustee was appointed.
- 2.6 The most recent term of office of Mrs Eileen Gowans and Mr John English was from 17 February 2018 until 16 February 2022. Mr John English and Mrs Eileen Gowans have indicated that they would be willing to serve for another term of 4 years from 17 February 2022 until 16 February 2026. ## APPENDIX 1

Following COP 26, Inverclyde Council is aware that we all need to take more responsibility for what we do to our environment. We know that across the UK 7.7 billion single use bottles are used each year and 1 million plastic bottles are bought around the world every minute.

Inverclyde Council currently sells drinks in single use bottles, which contribute to this vast wastage of plastic and litter. As a council, we recognize the detrimental effect that this is having on our environment and our precious biodiversity, and also, the mixed messages that it is sending to our young people.

Consequently, Inverclyde Council believes that it must now lead by example and will become a zero-single-use-bottle council. To accomplish this, Inverclyde Council will cease to sell or provide single issue plastic bottles in any of its public premises, such as Inverclyde Leisure, schools and nurseries. Furthermore, in conjunction with Scottish Water, it will seek to increase the number of water points for people to refill their reusable bottles.

In addition, Inverclyde Council will consider practical and financial incentives to support local businesses to find ways in which they can also back this initiative.

- 1.2 The terms of the Notice of Motion are set out in Appendix 1 to the report.

## **2.0 RECOMMENDATION**

- 2.1 The Council is asked to consider the Notice of Motion by Councillor J McEleny.

**Iain Strachan**  
**Head of Legal & Democratic Services**

Notice of Motion to full council:

**Request for an Independent Judge-led Enquiry on the procurement and design processes by Caledonian Maritime Assets Limited (CMAL) for Hull 802 and sister ship Glen Sannox.**

This council acknowledges the skills and expertise of the Ferguson Marine workforce and are fully supportive of maintaining and growing Shipbuilding, Ship Maintenance and Repair on the Lower Clyde.

It also notes that the Scottish Parliament's Rural Economy and Connectivity Committee in December 2020 stated that there had been a "catastrophic failure" in managing of the procurement of Hull 802 and sister ship, Glen Sannox.

Therefore, this council requests that the Chief Executive writes to the First Minister to seek an independent judge-led enquiry on the procurement and design processes / procedures by CMAL to establish why these vessels have been unable to be completed and as to why successive deadlines and key milestones have been missed and costs massively overrun.

**Background:**

Ferguson Marine is a key employer and an integral part of the Maritime sector.

Despite there being a Parliamentary Enquiry, which was critical of all parties involved, there has been no one held to account over this embarrassing procurement failure.

With regards to Ferguson Marine, a turn-around director, who earned in the region of £2M for 18 months, has been and gone with no visible / obvious signs of his impact.

As for CMAL, it's business as usual with no change of direction or improvement evident.

There appears to be a lack of project management skills, a critical requirement when working on complex projects, with no one person understanding or controlling the overall programme. Specifications have not been clearly captured, communicated or understood, resulting in an incomplete design resulting in significant reworks. E.g. most of the pipework and couplings in the engine room of the Glen Sannox needs to be replaced. It has been in the water for four years or more, therefore it is unknown as to what additional work will be required.

Only an independent judge-led enquiry will establish the full facts and identify where the shortcomings lie, with the appropriate recommendations to restore public confidence in the Scottish Government and other public bodies' involvement in these builds.

- 5.2 The following process for nominations has been agreed by the Board:
  1. Where only one affirmative response is received, all other members in the area will be asked, in writing, to confirm that they are content for that member to represent them as a Managing Council. In the event that:
    - (a) No responses to the contrary are received or the majority of responses are in the affirmative, this member will be confirmed as a Managing Council,
    - (b) Only responses to the contrary or the majority of responses are to the contrary, the matter will be referred back to the Board for consideration.
  2. Where more than one affirmative response is received, all members in the area will be asked, in writing, for their preferred candidate. The member with the most votes will become the Managing Council. Where equal numbers of responses in favour are received, a meeting involving all members in the area will be arranged to resolve the issue.
  3. Where no responses are received the matter will be referred back to the Board for consideration.
- 5.3 The proposal is that Inverclyde Council expresses an interest in becoming the managing Council for the West Area. If agreed, Inverclyde would be represented by the Director of Education, Communities and Organisational Development at officer level and the Convenor of the Education and Communities Committee at Elected Member level.
