SECTION 4

Report	Action	Original Date	Revised Date	Management Comments
2019/2020 Annual Audit Report (October 2020)	<p>Implementation of Locality Planning Groups This work has inevitably been delayed by Covid-19. However, work is restarting on this now. An initial virtual pilot meeting is due to take place soon for the Port Glasgow Locality Group.</p>	31.03.21	31.03.23	Two Locality Planning Groups have been established (Port Glasgow and Inverkip & Wemyss Bay) and last met in September 2021 with meetings scheduled quarterly. By June 2022, an evaluation of these two groups will take place and decision made by October 2022 as to whether to extend to the other four areas (as per the current model) or consider a streamlined approach of establishing two LPGs covering East and West Inverclyde with the six CEGs continuing to meet regularly.
2019/2020 Annual Audit Report (October 2020)	<p>Integration Scheme Review The Scottish Government have confirmed IJBs will be required to review their current integration schemes rather than complete a new scheme. The IJB is working with the other Greater Glasgow & Clyde IJBs around the timing of this review. It is anticipated that the six IJBs (associated with NHS Greater Glasgow and Clyde) will work together with their Council and Health Board Partners to review their schemes with a view to approving and submitting the updated Integration Schemes to the Scottish Government by July 2022.</p>	31.07.22	31.05.23	Work has continued to be developed on the integration schemes and it has been widely accepted that the July 22 completion date has been ambitious. A revised timetable has been issued by the group with an anticipated completion date of May 23 at the earliest. This will involve extensive consultation with NHS GGC Board, All Six Councils and IJB's with a final draft expected late April 23 and final submission to the Cabinet Secretary in May 23.
