Subject:	Proposed Traffic Regulation Order - The Inverclyde Council Disabled Persons' Parking Places (On-Street) Order No.2 2023 The Local Authorities' Traffic Orders (Procedure) (Scotland) Regulations 1999		

1.0 PURPOSE AND SUMMARY

- 1.1 For Decision For Information/Noting
- 1.2 Further to the statutory consultation process undertaken in terms of the Road Traffic Regulation Act 1984 as amended (the Act) and the Local Authorities' Traffic Orders (Procedure) (Scotland) Regulations 1999 (the Regulations) on The Inverclyde Council Disabled Persons' Parking Places (On-Street) Order No.2 2023 (the Proposed TRO), the purpose of this report is to:-
- Request that the Committee adopt the Rules of Procedure for the purposes of the special meeting;
 - Advise the Committee in relation to the Proposed TRO of the discussion between Council officers and the person who has, as part of the public consultation, objected to the Proposed TRO (the Objector); and
 - Facilitate the effective fair and proper hearing by the Committee of the Objector who has not withdrawn their objection in order that the Committee can consider their objection (the Objection) and come to a formal recommendation on the Proposed TRO.
- 1.3 Officers have undertaken a public consultation process in relation to the Proposed TRO. The Proposed TRO was issued for public consultation on 2 May 2023 with responses invited by 23 May 2023. At the end of this consultation period, one objection was received. Officers have written to the Objector following receipt of the Objection. However, despite correspondence with officers, the Objection has been maintained.
- 1.4 It is necessary that the Objector be given an opportunity to be heard before the Committee before it reaches a decision on whether or not to approve the Proposed TRO. The special meeting has been convened to provide such an opportunity.
- 1.5 Because of the requirements of the statutory process and the formal nature of the special meeting, it is vital that the Objector has a fair and impartial hearing and the Rules of Procedure provide for this.

2.0 RECOMMENDATIONS

It is recommended that the Committee:

- 2.1 Approve the Rules of Procedure as detailed in Appendix 1.
- 2.2 Consider the terms of Appendix 2 in relation to the Objection.
- 2.3 Allow the Objector an opportunity to be heard at the special meeting in accordance with the Rules of Procedure.
- 2.4 Consider the Objection and such oral representations on it made by the Objector and officers at the special meeting and thereafter either:

2.4.1 Dismiss the Objection, approve the Proposed TRO as detailed in Appendix 3 and remit it to the Head of Legal, Democratic, Digital and Customer Services to formally make the TRO and carry out the associated actions in connection with the same;

Or

2.4.2 Uphold in whole or in part the Objection and remit it to the Head of Physical Assets and the Head of Legal, Democratic, Digital and Customer Services to amend the terms of the Proposed TRO to deal with the part or parts of the Objection so upheld in accordance with the decision of the Committee and to report to a future meeting of the Committee with the Proposed TRO as further amended for approval.

3.0 BACKGROUND AND CONTEXT

- 3.1 Local Authorities are empowered to make Orders under the Act and under the Council's Scheme of Delegation the Head of Physical Assets is responsible for the making, implementation and review of Traffic Management Orders and Traffic Regulation Orders.
- 3.2 Officers proceeded with a public consultation process in accordance with the legislation. At its meeting of 31 August 2023 this Committee was updated as to the consultation process and it authorised officers to make arrangements for the holding of a public hearing in the form of this special meeting.
- 3.3 Officers have continued to engage with the Objector since that date to advise them of the arrangements for and proposed procedure at this special meeting. Officers have provided the Objector with a statement of case which sets out the position of the Head of Physical Assets as regards the Proposed TRO; the statement of case is in Appendix 4.
- 3.4 Appendix 2 provides the full text of the Objection and correspondence with Officers.
- 3.5 Before making a proposed TRO, the Council is, in terms of the Act and the Regulations, required to take into consideration any objections timeously received by them and to give any objectors an opportunity to be heard by them. This special meeting is therefore necessary to permit the Objector to be heard by the Committee in terms of the recommendations above.
- 3.6 As the hearing of objections is a statutory entitlement for objectors, the Committee will be discharging legal responsibilities at the special meeting effectively as if it were a formal tribunal or board with the obligations which are already familiar to Elected Members as regards hearing and continuity of attendance.

4.0 PROPOSALS

- 4.1 The form of the Proposed TRO which officers are recommending for approval is included at Appendix 3 of this report.
- 4.2 The special meeting will proceed effectively as if a formal tribunal or board. In the interests of fairness, openness and transparency it is therefore necessary that the basis on which the hearing element of the meeting will proceed be formalised. Officers have therefore prepared draft Rules of Procedure of this meeting per Appendix 1. These have been circulated to the Objector prior to this meeting and are recommended for approval by the Committee.
- 4.3 Because of the formality of the hearing process and the statutory process for making TROs, only certain decisions of the Committee in this matter are competent. Further, it is vital that the Objector has a fair and impartial hearing and the Rules of Procedure provide for this. The decisions which the Committee can competently make are: to dismiss the Objection; to uphold the Objection; or to uphold part of the Objection and dismiss other parts of the Objection. If the Objection is upheld in part, it will be necessary for officers to report back to the Committee at a future date with a further report on the implications of such a decision. These eventualities are addressed in the possible Committee decisions included in paragraph 2.4.
- 4.4 The Committee is asked to note that, if approved, the Proposed TRO may not be implemented until the making of the Order has been advertised to allow any persons who so wish a period of six weeks to question the validity of the Order in terms of the Act.

Appendix 1 – Rules of Procedure

INVERCLYDE COUNCIL

ENVIRONMENT AND REGENERATION COMMITTEE

PROCEDURE AT PUBLIC HEARING INTO OBJECTIONS IN RELATION TO TRAFFIC REGULATION ORDERS

At the hearing, the order of the proceedings will be as follows:

- a) The Convenor will conduct the hearing. Immediately after opening it, they will introduce the members of the Committee and the officer(s) present and identify and list those persons who wish to be heard during the hearing. It is therefore vital that any person who wishes to participate attends the opening.
- b) The Convenor will outline the procedure, explaining that the hearing will take the form of a discussion which they will lead based on the agenda issued to those objectors who have indicated to the Council that they wish to attend and be heard at the hearing.
- c) The arrangements for the hearing have been designed to create the right atmosphere for discussion, to eliminate or reduce formalities and to give everybody a fair hearing.
- d) As each objection listed on the agenda is reached, the Convenor will identify those persons who wish to engage in the discussion of the particular issue(s) raised by the objection. Several objectors with shared concerns may choose a spokesperson and this will be helpful to the process; in the event that a number of objectors decide to act together in this way, the Convenor will allow a reasonable extension of the time limits set out below.
- e) The Council officer(s) will be invited to describe and present the case for the proposed traffic regulation order in respect of which the objection has been made, to set the scene for the discussion, with a time limit of 5 minutes per objection.
- f) Each objector will be invited to speak to his objection and comment on the description/presentation by the Council officer(s), with a time limit of 5 minutes. Repetition of similar points is to be avoided and will be managed by the Convenor.
- g) The Council officer(s) will be invited to reply to the speech of the objector (introducing no new material), restricted to a time limit of 5 minutes. The Convenor will allow the objector the final word (introducing no new material), if he/she wishes it, restricted to a time limit of 5 minutes. The Convenor will discourage repetitive or superfluous comments. They will indicate when they consider that sufficient clarification of a topic has been achieved, and the discussion will then move on to the next item on the agenda. At no time will cross examination be permitted.

h) The members of the Committee will then be invited by the Convenor to ask questions of both the Council officer(s) and the objector. The role of the members of the Committee is only to hear, consider and make a decision on the evidence given by Council officer(s) and objectors.

i) The members of the Committee will then adjourn to consider their decision. The decision of the Committee will be intimated to the Council officer(s) and the objectors orally. Any votes will be held in public. It is anticipated that the decision of the members of the Committee will be intimated on the day of the public hearing but, if that is not possible for any reason, the public hearing will be re-convened. If the decision of the members of the Committee is to uphold an objection in whole or in part, the matter may be remitted to Council officer(s) to modify the proposed traffic regulation order to deal with the objection in accordance with the decision of the members.

**THE INVERCLYDE COUNCIL DISABLED PERSONS'
PARKING PLACES (ON-STREET) ORDER
No.2 2023**

TRAFFIC REGULATION ORDER

STATEMENT OF CASE

Background

Statement of Reasons

It is considered necessary, so as to comply with Section 5 of The Disabled Persons' Parking Places (Scotland) Act 2009, to make the above Order to provide assistance for a disabled person who holds a badge under the Disabled Persons (Badges for Motor Vehicles) (Scotland) Regulations 2000, as amended.

Introduction

The provision of on-road parking places for use by disabled drivers, who are the holders of Disabled Driver's Badges, is regulated by The Disabled Persons' Parking Places (Scotland) Act 2009. Inverclyde Council is required to promote a Traffic Regulation Order (TRO) to regulate the use of such parking places. The proposed TRO will restrict parking to vehicles which display a Blue Badge only and will enable enforcement of such restrictions by Council Parking Enforcement Officers.

In order to timeously process applications for Disabled Persons' Parking Places (DPPP), four TROs are generally processed in each calendar year.

This Statement of Case refers to the proposed Disabled Persons' Parking Places TRO No.2 of 2023.

Benefits

The applicant will have easy access to their vehicle when leaving their house.
The applicant will not need to walk a long distance to their vehicle.

Public Consultation

The proposed TRO was issued for public consultation on 2 May 2023 with responses invited by 23 May 2023. One maintained objection was received in relation to this TRO in connection with the DPPP Ref No: 2245, ex-adverso 20 Davaar Road, Greenock.

Location Description

The DPPP is located to the eastern end of Davaar Road in Greenock in a residential area. The applicant for this DPPP resides at 20 Davaar Road and the proposed DPPP will be located on the public road ex-adverso 20 Davaar Road.

Maintained Objection and the Council's Response

The key themes of the maintained objection are listed below and details of Inverclyde Council's response are provided.

The objector raised two grounds for objection to this Order, **however only one ground is being treated by the Council as a valid objection to this Order.**

The ground for objection which is considered valid is the objector's concern that the availability of parking on the road will be worsened by the introduction of a further DPPP.

The Council's response to this objection is as follows:

Response: *In relation to your email dated 24 May 2023, I note you object further based on the availability of parking on the street. The Council has identified a suitable street parking place as required by the Act. If introduced, this DPPP would be available for any disabled bay badge holder to use.*

I acknowledge your concerns regarding current parking arrangements at this location however due to the applicant's requirement under DPPP criteria we have a duty to consider and identify a suitable street parking place and I consider that our proposals are reasonable and comply with our statutory obligation.

Council Comments

For the purposes of this Special Meeting, Roads officers would make the following additional comments:

- In the past there has been 4 DPPP's between no 34 and no 20 Davaar Road. There is now only 2 and the introduction of this bay would be the third.

Photo of Proposed Location of DPPP

Conclusion

The Council submits that the objection should be dismissed and the Order made as proposed.
