3.0 BACKGROUND AND CONTEXT

3.1 The Council has adopted a process, within its Standing Orders Relating to Contracts (20.4), to ensure that all Contract Awards, Direct Awards, Negotiated Contracts and Modifications are reported on a six monthly basis to Committee. The financial thresholds for reporting were revised in March 2022 as part of the Council's review of key governance documents. The revised thresholds for reporting are as per Contract Standing Order 8.1 for contracts that exceed the amounts below:

- Supplies and Services £50,000;
- Works £250,000.

It is also a requirement of this governance process to report the outcome of any blacklisting protocol applications.

3.2 Appendix 1 provides details of contracts awarded for the period 1 October 2023 to 31 March 2024 where the estimated price of the contract exceeds £50,000 for the supply of goods or materials/ the provision of services and where the estimated price of the contract exceeds £250,000 for the execution of works.

3.3 Appendix 2 provides details of direct awards; direct call-offs from frameworks; ICT negotiated contracts; and contract modifications made in the period 1 October 2023 to 31 March 2024 where the value of the contract exceeds £50,000 for the supply of goods or materials/ the provision of services.
