
Report To: Regeneration Committee

Date 25 May 2010

**Report By: Corporate Director
Regeneration and Environment**

**Report No:
ECP/ENV/AB10.46**

Contact Officer: Kenny Lang

Contact No: 5906

Subject: Regeneration and Environment Directorate Plan

1.0 PURPOSE

- 1.1 The purpose of this report is to inform the Committee of the revised Regeneration and Environment Directorate Plan.

2.0 SUMMARY

- 2.1 The Regeneration and Environment Directorate have prepared a Directorate Plan in accordance with Inverclyde Council's Directorate Planning Guidance 2010/11.
- 2.2 The Directorate Plan takes account of the recent restructuring of Council services and covers these services now included within the Regeneration and Environment Directorate.
- 2.3 The Plan covers the financial period from 2010 to 2011.

3.0 RECOMMENDATION

- 3.1 It is recommended that the Committee notes the contents of the Regeneration and Environment Directorate Plan.

**Aubrey Fawcett
Corporate Director
Regeneration and Environment**

4.0 INTRODUCTION

- 4.1 Directorate Plans are a key component of the Council's Strategic Planning and Performance Management Framework.
- 4.2 Directorate Plans are the linking document for the delivery of the Council's strategic outcomes as outlined in the Single Outcome Agreement, the Community Plan and the Council's Corporate Plan.
- 4.3 The Regeneration and Environment Directorate Plan will be the principal vehicle for managing and delivering the strategic outcomes identified through the Council's Strategic Planning and Performance Management Framework. A copy of the Plan is attached (Appendix 1).

5.0 REGENERATION AND ENVIRONMENT DIRECTORATE PLAN

- 5.1 The Regeneration and Environment Directorate Plan covers the following services:
- Regeneration and Planning
 - Environmental and Commercial Services
 - Property Assets and Facilities Management
 - Legal and Democratic Services
- 5.2 The Plan takes into account the following issues identified within Inverclyde Council's Directorate Planning Guidance 2010/11:
- Single Outcome Agreement
 - Public Service Improvement Framework
 - Financial Strategy

The revised Plan also takes cognisance of the recent Corporate Restructuring and clarifies the new role and responsibilities of the Regeneration and Environment Directorate, in light of these changes.

- 5.3 The Council has given a commitment to Audit Scotland that it will establish a prioritised programme of competitiveness reviews over a four year period. The Regeneration and Environment Directorate Plan will identify those services which will be subject to a competitiveness review, subject to CMT decision on providing a prioritised programme for competitiveness testing in 2010/11. The Regeneration and Environment Directorate Plan will report on their progress in carrying out competitiveness testing in Directorate Performance Reports as part of the Review of Corporate and Directorate Performance Reporting reported to the Policy and Resources Committee on 30 March 2010.

6.0 FINANCIAL IMPLICATION

- 6.1 The Directorate Plans have been consulted on with Financial Services prior to the approval process to ensure they are in line with the approved Financial Strategy.

7.0 CONSULTATION

- 7.1 Consultation has been undertaken with the Organisational Improvement and Resources Directorate in the preparation of the Directorate Plan.

1. Introduction by Corporate Director

On behalf of the Regeneration and Environment Directorate, I am delighted to present our Directorate Plan for 2010 -11. This plan reflects the recent restructuring of Council services and the formation of the Regeneration and Environment Directorate.

The Directorate Plan is an integral part of the Council's strategic planning and performance management framework. It assists in shaping the strategic direction and key programmes and actions which the Regeneration and Environment Directorate will deliver in the period up to 2010-11.

During the past year there have been some notable successes including:

- Secured European Structural Funds to deliver the Inverclyde Employability and Inclusion Programme, October 2008 to 2011
- Successfully Implemented e-Planning
- Successfully delivered Sports and Leisure Facilities including new 3g football facilities at Broomhill and George Road and play facilities at King Street Park
- Increased recycling rates and reduced waste sent to landfill by 4%
- Continued support of Inverclyde Construction Plus as a partnership to maximise community benefits for Inverclyde arising from significant investment in the area.
- The development of the Council's first Green Charter with the aims of reducing energy and waste and promoting the sustainable use of resources.
- The completion and implementation of the Facilities Management, Community, Outdoor Leisure and Libraries efficiency reviews.

Over the coming years, the Directorate will face challenges in delivering the Inverclyde Alliance's vision for Inverclyde, none more so than addressing the significant downturn in local and global economies. The Directorate will also assist in the organisational transformation of Inverclyde Council. In this regard the Directorate will help deliver a future where:

- Inverclyde is seen as an area of outstanding success with significant physical, economic, cultural and social attributes.
- The 'gap', in terms of learning, attainment and prosperity, between other more successful areas and those currently in need, has significantly narrowed.
- We have confident and cohesive communities where people are actively engaged in the regeneration of their areas.
- Our physical assets and human resources are efficiently and effectively managed.
- Our governance and administrative arrangements are appropriate for a 21st century customer facing organisation.
- Delivering the Council's Public Sector Management Programme – Carbon Management Plan 2008-13
- Implementing the recommendations of the Flood Prevention Plan.

We will lead and support significant regeneration initiatives with external partner organisations namely, Riverside Inverclyde, River Clyde Homes and other organisations in the Inverclyde Alliance. We will also work alongside other Directorates and Partners to drive forward the delivery of Inverclyde's Community Plan, the Single Outcome Agreement and the Council's Corporate Plan and Organisational Improvement Plan.

I hope the information contained within this Plan gives you an insight into the work of the Regeneration and Resources Directorate.

Aubrey Fawcett
Corporate Director, Regeneration and

2. Major Achievements 2009/10

The work of the Directorate focused on the implementation of key service improvements which contributed to the strategic outcomes in the Council's Corporate Plan 2008-11. Major achievements in 2009/10 include:

Educated Informed Citizens

- Provide assistance advice and support to householders and businesses on all aspects of recycling, waste management and environmental responsibility.
- Through Future Jobs Fund provide training and learning opportunities to a variety of residents.

Healthy, caring communities

- Provided design, procurement and management services pursuant to the Education School Estate Management Plan
- Continued provision of high quality of services praised in HMle's Inspection of Children's Services
- Improvements to play areas through CFCR
- Investment through external funding in Cycling Walking and Safer Street
- Implementation of the key leisure strategy in Inverclyde as part of the allocation of funding from 2009/2014 for the redevelopment of a number of outdoor leisure sites across Inverclyde

Safe, sustainable communities

- Phased investigation and scoping of water efficiency opportunities have commenced in partnership with Scottish Water
- Energy Efficiency Performance Certificates now displayed for all qualifying properties
- Introduced the Waste Resources Action Programme for construction projects.
- Successfully delivered Sports and Leisure Facilities including a new 3g football facility at George Road and Broomhill.
- Investment in Roads carriageway footway reconstruction and lighting of £1.257 million

A thriving diverse local economy

- Held a number of major community events, including the Myths and Legends Arts Festival and the Inverclyde Fireworks Display.
- Implemented 43 contracts funded from the Fairer Scotland Fund.
- Continued support of Inverclyde Construction Plus in partnership with Riverclyde Homes Riverside Inverclyde and Local Training Providers.
- Support for Third Sector organisations through joint working with Renfrewshire Inverclyde and East Renfrewshire Social Economy Partnership to provide training to develop the skills to become more enterprising.

A modern innovative organisation

- Successfully achieved and maintained "Partner Contractor" status in partnership with River Clyde Homes pursuant to the delivery of the RCH Investment Programme.
- Developed the Transport Efficiency Review and a Fleet Management System.
- Investment of approx £1 million on new Vehicles and Fleet
- Introduced a proprietary infra-red road repair process which is sustainable, cost effective and safer to use.

3. Strategic Overview

1. Role and Purpose of the Directorate

The primary role of Regeneration and Environment is to bring together those services that support the regeneration of the area together with those that deal with the development and maintenance of the Council's physical assets and infrastructure to promote integrated working and enhance service delivery.

The Directorate incorporates the following services:

- Regeneration and Planning
- Environmental & Commercial Services
- Property Assets and Facilities Management
- Legal and Democratic Services

Regeneration and Planning

This Service provides regeneration and planning services delivered through four teams.

Economic Development – responsible for encouraging business start ups, providing support to business and individuals through interventions in Business Support, Workforce Development, Marketing and Training.

This team also includes the Programme Monitoring Support Unit for the former Fairer Scotland Fund projects. The post of Business Development and Planning Liaison Officer will be established to facilitate closer dialogue between Economic Development and Planning Teams with a view to supporting businesses through the regulatory process.

Planning Policy and Property - deliver policy documentation, along with Greenspace, the Green Charter, Access and Property Support. A joint post of Carbon Energy Management Officer is proposed in collaboration with Property Assets and Facilities Management to cover carbon and energy management issues.

Development and Building Standards - provide the development management function for Planning and Building Standards. A post of Business Development Liaison Officer has been established to facilitate closer dialogue between Economic Development and Planning.

SOA/Commissioning – responsible for supporting Corporate Policy and Partnership to deliver the Single Outcome Agreement as well as developing a commissioning model for suitable services in the CHCP, Education and Safer and Inclusive Communities based on the procurement model developed for the Fairer Scotland Fund.

Environmental & Commercial Services

This Service provides mainly front line operational services through two main teams

Streetscene, Burial grounds and Registrars – delivering Street Scene Strategy and Operations, Graffiti, Street Cleansing, Burial Grounds and Crematorium, Registrars, Parks and Open Spaces, plus the RCH contract for Grounds Services.

Roads, Transport and Waste Collection – Roads Network Management, Lighting, Design, Traffic Management, Transportation, Winter Maintenance, Flood Prevention, Coastal Protection, Reservoirs, Fleet Management and Maintenance, Taxi Testing/MOT Station, Waste Collection.

In addition, a Team Leader has responsibility for a Business Support Unit reporting to both Service Managers – Health and Safety, Waste Strategy, Waste Disposal, Civic Amenity Sites, Recycling, MRF and Business Support.

Property Assets and Facilities Management

This Service provides modern, integrated and efficient property assets and facilities management services which are delivered through six teams:

Technical Services - provide a multi disciplinary design consultancy offering all design, procurement and management for the Council's building portfolio

Property Services - provide Construction Health & Safety (including Asbestos) Management and Energy Management services pursuant to the Council's building portfolio as well as providing Business Management and Policy/Performance Services to the section.

Facilities Services - provide Janitorial Services, Cleaning Services, Caretaking Services, Public Convenience Services and Catering Services to the Council.

Construction Services - provide Building Services (STO) and Property Maintenance Services to the Council.

Property Assets - provide a comprehensive Property Asset Management, Property Client and Property Energy Management Service to the Council.

Schools Estate - provide a Client management and coordination service for the Schools Estate Management Plan including PPP, Prudential and mainstream capital funded Education projects.

Legal and Democratic Services

This Service provides a range of services - legal services, committee administration, members' services and internal audit. Services are delivered through four teams.

Procurement & Administration - deliver services comprising the organisation and administration of the Council's Committee Structure, a full range of services to members' legal input to the drawing up of contracts and compliance with the European Procurement Regime and Council's Standing Orders. The team also provides support to Inverclyde Children's Panel.

Courts & Litigation - deliver services in relation to the administration of the Licensing Board and the Civic Government Licensing regime. This team also deals with the delivery of services relating to litigation and employment law issues. Office administration also sits within this team.

Conveyancing & Planning - deliver services to the Council in relation to the sale, lease and purchase of land. They are also responsible for common good assets and will be responsible for the administration of the Local Area Review Body.

Internal Audit - provides audit services to the Council as well as services in relation to risk management and business continuity.

Strategic Statement

Single Outcome Agreement

The Directorate contributes to all the outcomes in the Single Outcome Agreement. The following are examples of projects that will be implemented by the Directorate in order to contribute to the achievement of the SOA outcomes:

SOA Priorities	Project
Stabilise, grow and rebalance the population of Inverclyde	<ul style="list-style-type: none"> • Continue to develop the Draft Local Development Plan • Develop Tourism Strategy
Secure the area's economic regeneration	<ul style="list-style-type: none"> • Implement Inverclyde Economic Regeneration Strategy • Review of the Local Plan and development of the Draft Local Development Plan
Improve employment opportunities by increasing the number of quality jobs and the associated employment rate	<ul style="list-style-type: none"> • Local Employment Partnership with the Job centre and the Local Employability Partnership to create work placement opportunities for people in the community who have been out of work for a period of time.
Combat the harm caused by alcohol and drug misuse	<ul style="list-style-type: none"> • Working in partnership with Community Voluntary Health Improvement Teams, the Alcohol and Drugs team on projects to raise awareness of lifestyle choices and health issues in this area.
Combating health inequality and promoting healthy lifestyles.	<ul style="list-style-type: none"> • Implementation of the Core Paths Plan to set out how the Council will promote outdoor access for the whole community in relation to access to schools, shops, workplaces etc and for recreational access.
Support communities to become empowered and better able to take responsibility for their own and their families lives and their environment	<ul style="list-style-type: none"> • The Community Engagement Standards will be implemented and the Community Engagement Network established
The Environment	<ul style="list-style-type: none"> • Implementation of the key actions of the Green Charter. • Increase levels of recycling and waste minimisation • Continue to develop Water efficiency opportunities (in partnership with Scottish Water) • Preparation of the Flood Action Plan

Community Plan

The Directorate contributes to all the outcomes in the Community Plan. The following are examples of projects that will be implemented by the Directorate in order to contribute to the achievement of the Community Plan outcomes:

Community Plan Outcomes	Project
--------------------------------	----------------

Health Inequalities	<ul style="list-style-type: none"> • Extension of a Quality Bus Corridor to promote equality, especially for the disabled, mobility-impaired, the elderly and parents with young children and prams.
Alcohol Misuse	<ul style="list-style-type: none"> • Support of 12,691 participants in alcohol education initiatives
Employability & Enterprise	<ul style="list-style-type: none"> • Overall, FSF funding will assist 1,696 people in attaining new skills and qualifications; this in turn will increase employability and earning potential and support a more educated workforce to retain their jobs • FJF funding will assist 360 people in gaining 6 months employment which will increase their employability and earnings potential. • Review of the Local Plan and preparation of the Local Development Plan.
Responsible Active Citizens	<ul style="list-style-type: none"> • Training courses on equalities and other projects will be rolled out to Community & Voluntary organisations via the Community Development Sub Group
Protecting the Environment and Reducing Inverclyde's Carbon Footprint	<ul style="list-style-type: none"> • Delivering the Council's Public Sector Management Programme – Carbon Management Plan 2008-13 and investigating how we can work towards meeting the Carbon Reduction Commitment, due to begin in 2010. • Improving fleet efficiency and fuel emissions • Reduction in waste going to landfill

Corporate Plan

The Directorate contributes to all the outcomes in the Corporate Plan.

The following are examples of projects that will be implemented by the Directorate in order to contribute to the achievement of the Corporate Plan outcomes:

Corporate Plan Outcomes	Project
Educated, Informed, Responsible Citizens	<ul style="list-style-type: none"> • Through our Cleaner, Greener, Safer and Stronger Initiative, persuade residents of the benefits of a reduction in littering and participation in recycling schemes. • Supplementary training through FJF will provide training to scheme participants.
Healthy, Caring Communities	<ul style="list-style-type: none"> • FSF funded services such as Fit for Life, Word on the Street, and Community Hubs will support 6950 children and young people to take part in Sport/Leisure activities. • Ongoing implementation of the Key Leisure Sites strategy
Safe, Sustainable Communities	<ul style="list-style-type: none"> • Introduce Waste Resources Action Programme (WRAP) measures in all construction projects • Implementation of the recommendations of the Flood Prevention Plan.
Thriving, Diverse, Local Economy	<ul style="list-style-type: none"> • Network of 12 active and influencing Community Regeneration Centres operating throughout Inverclyde
A Modern, Innovative Organisation	<ul style="list-style-type: none"> • Implementation of the Transport Efficiency Review and a Fleet Management System. • Asset Management Strategy implemented

Organisational Improvement Plan

The Directorate contributes to all the workstreams in the OIP.

- Leadership, Governance and Management
- Organisational Transformation and Improvement
- Workforce Development
- Strategic Planning and Performance Management
- Lead on Management of Assets
- Lead on Management of Resources

The following are examples of projects that will be implemented by the Directorate in order to contribute to the achievement of the Organisational Improvement Plan workstreams listed above:

- A programme will be rolled out for Elected Members to develop their skills, knowledge and expertise
- A Corporate Governance Group will be established
- The Council's approach to project and programme management will be strengthened by developing and implementing a corporate approach and supporting methodology
- The Corporate Asset Management Strategy will be implemented
- Implementation of the Green Charter
- Implementation of the Public Sector Management Programme – Carbon Management Plan 2008-13
- Implementation of the Transport Efficiency Review and Fleet Management System
- Development of Roads Asset Management Plan
- Development of the e-planning aspects of the Modernising Government agenda.

2. National Context

The Regeneration and Environment Directorate in common with other directorates faces a diverse and complex range of challenges and opportunities over the next three years. These will be generated from both a national and a local level. National influences that will affect service delivery include:

- The continued support of the Scottish Government's Economic Recovery Programme to respond to the economic downturn and the re-shaping of the Scottish Government's Economic Strategy with a particular focus on increased sustainable growth.
- The economic downturn will bring both challenges and opportunities.
- The concordat between the Scottish Government and local government.
- Proposals to extend free meal entitlement to all P1–P3 pupils from families in receipt of the maximum child tax credit and maximum working tax credit from August 2009 (subject to evaluation of a national pilot and appropriate legislation).
- Creative Scotland.
- Zero Waste Scotland Strategy
- Continued support of Business Gateway function within Local Authorities.
- The ongoing transfer of the Regeneration function from Scottish Enterprise to Local Authorities.
- Fairer Scotland Fund type projects tackling poverty and deprivation and providing access to employment opportunities.
- Glasgow Commonwealth Games 2014.
- Adoption of Children (Scotland) Act 2007
- Transfer of District Court to Scottish Courts Administration

3. Local Context

The Directorate covers a very disparate range of services and this is reflected in the wide range of programmes/projects and improvement actions, which link to all five strategic outcomes listed in the Corporate Plan. Local influences that will affect service delivery include:

- Single Outcome Agreement.
- Corporate Plan 2007-11.
- Community Plan 2008-18.
- Equality agenda.
- Public Sector Improvement Framework Actions
- Pitches Action Plan.
- Tourism Strategy
- Inverclyde Economic Regeneration Strategy
- Inverclyde Council Waste Strategy
- External Audit Report.
- Community Learning and Development and Community Engagement Strategies.
- Fairer Scotland Fund 2008-11.
- Inverclyde Employability and Inclusion Programme
- Council Financial Strategy
- Schools reprovisioning project.
- Organisational Improvement Plan
- Citizens' Panel Results
- Business Continuity Planning and Risk Management

These influences will impact on the work of the Directorate in the following key areas:

- The ongoing redevelopment of Inverclyde in partnership with Riverside Inverclyde and River Clyde Homes.
- The operational governance arrangements for the Fairer Scotland Fund and its ongoing implementation.
- The completion and ongoing implementation of the Council's Asset Management Plan.
- The Central Gourock Development project
- Strategic Leisure Sites strategy
- Improved linkages between social, cultural, economic and physical regeneration in Inverclyde.
- Improved scrutiny arrangements for Inverclyde Leisure.
- The procurement and delivery of the redevelopment of key leisure sites in Inverclyde
- The development and Implementation of the Council's Internal Audit Plan.
- The implementation of the Risk Management Strategy

The following improvement activities arising from the Audit of Best Value and the External Audit Report have also been embedded in the Directorate's Improvement Actions for 2010-11:

- Conduct further work to confirm costs and feasibility of leisure proposals.
- Advance the area's regeneration efforts by working in partnership with Riverside Inverclyde.
- Produce a draft Asset Management Plan.
- Common Good Title Deeds – assess if resources are available to carry out exercise to establish the existence and ownership of its heritable properties.
- Impairment Review - An IT based Asset Management Plan will be introduced and managed to include the process for ongoing impairment reviews.

4. Statement of Competitiveness

The Local Government in Scotland Act 2003 requires the Council to provide services and functions in a manner that demonstrates appropriate competitive practice. This principle is underpinned by Best Value which requires that Councils take into account the cost of service provision with good levels of quality when deciding how services will be provided.

The Regeneration and Environment Directorate contains all those Services previously subject to Compulsory Competitive Tendering. It also has all the current Significant Trading Organisations which are subject to audit in terms of their three year break even position. Many of the services provide work to external customers and agencies on a competitive basis and in terms of both the Environmental Services and Property Assets and Facilities Management have successfully bid for works under a competitive contract with a combined value in the region of £2.7M

While the majority of services within the Directorate benchmark rigorously with other Councils and also where appropriate the commercial sector, it is accepted that in order to demonstrate cost effectiveness across the whole range of services, a more robust system of comparing cost and service performance against other providers, requires to be adopted.

The Council has given a commitment to Audit Scotland that it will establish a prioritised programme of competitiveness reviews over a four year period. To this end the Directorate has agreed a programme of competitiveness assessments phased over the next four years taking one service per annum. The details are appended to this document.

4. Key Programmes / Projects and Improvement Actions

During 2010 – 11, the Regeneration and Resources Directorate will be involved in a number of key programmes and projects that will help the Council achieve the five Strategic Outcomes of the Corporate Plan 2007-2011.

Corporate Plan Strategic Outcome 1: Educated, Informed, Responsible Citizens

5. Core Indicators and Targets

The Regeneration and Resources Directorate has a core set of performance indicators that best demonstrate its performance in terms of its strategic and operational objectives. These indicators are listed below, and contain Statutory Performance Indicators, Local Performance Indicators and details of major initiatives and projects that best demonstrate how the Directorate is performing.

Please note that the figures detailed below are the most recent available. Performance for 2009 /2010 is currently being collated as part of the annual Performance Indicators exercise and will be reported as part of the Directorate Performance report.

Performance Information

Key Performance Measures	Performance			Target 2009/10	Upper Limit*	Lower Limit*	Rank / National Average
	2008/09	2007/08	2006/07				
Property and Facilities Management							
<u>Free Meal Uptake</u>							
Primary	75%	71%	72%	78%	81%	75%	n/a
Special	66%	83%	35%	70%	73%	67%	
Secondary	48%	44%	45%	50%	53%	47%	
<u>Paid Meal Uptake</u>							
Primary	38%	45%	37%	47%	50%	44%	n/a
Special	66%	80%	84%	75%	78%	72%	
Secondary	36%	43%	34%	40%	43%	37%	
Economic and Social Regeneration							
Reduced number of people on key benefits as a result of Inverclyde Employability and Inclusion Programme.	N/A	N/A	N/A	Reduction from 12,400 to 10,400 in 2007/08. Target of 9,200 by 2010	n/a	n/a	30/32
Number of Skillseekers/MA places	36	40	42	36	36	32	N/A
Number of GRFW places	45	64	40	45	45	40	N/A

		97%	93%	97%	100	90	

Key Performance Measures	Performance			Target 2009/10	Upper Limit*	Lower Limit*	Rank / National Average
	2008/09	2007/08	2006/07				
a. The proportion of traffic light failures completed within 48 hours b. The proportion of street light failures completed within 7 days		91.2%	97.6	93%	100	90	
<u>Roads:</u>							
a. Customer Satisfaction Surveys completed	22 1.67%	N/A 3.33	N/A 3.03	25 2.00	25 10.00	0 5.00	
b. % of carriageways reconstructed/resurfaced	0.50%	0.69	0.43	0.60	6.00	3.00	
c. % of footways reconstructed/resurfaced	8450 est.	12,114	9,266	13,000	18,600	9,300	
d. Road Gullies emptied per year	5.07	6.92	8.70	10.00	15.00	10.00	
e. % Identified Pot Holes repaired within:							
24 hours	20.72	27.22	32.38	35.00	50.00	35.00	
7 days	18.15	22.71	19.64	30.00	35.00	30.00	
14 days	55.68	42.41	38.79	25.00	10.00	25.00	
> 14 days							
<u>Absence Management:</u>							
	5.97% 2008	5.82% 2007	5.9%	5.0%	6.5%	—	

6. Resource Statement

Financial Context

Inverclyde Council has now prepared its Financial Strategy. The Financial Strategy is informed by the three year settlement advised by the Scottish Government and provides the financial plan to deliver to medium to long term objectives of the Council. The Council's Financial Strategy is reviewed regularly: the next update will be presented to the Policy and Resources Committee on the 26 May 2009 to reflecting the 2 year budget and the impact of the recent developments in the economic climate.

To support the Financial Strategy, the Council at its meeting in February 2009 agreed a two year budget covering the period 2009/11. The two year budget was a significant step for the Council. The two year budget for 2009-11 detailed the Council's strategy for managing its finances for the next two years and also the principles and assumptions used in preparing both the revenue and capital budgets for medium to long term period. Due regard is given to the Council's emerging policy framework in the two year budget. In particular consideration is given to:

- Community Plan
- Corporate Plan

Looking to the future there will be a need to align the Council's planning and budget framework with the outcomes detailed within the Single Outcome Agreement. In turn each Directorate has considered their own budgets on a two year basis 2009/11. Following the restructuring, the Regeneration and Environment Directorate Plan reflects the agreed budget for 2010/11. The programmes and projects highlighted within this Plan for delivery reflect policy decisions of the Council on agreeing its two year budget for 2009/11.

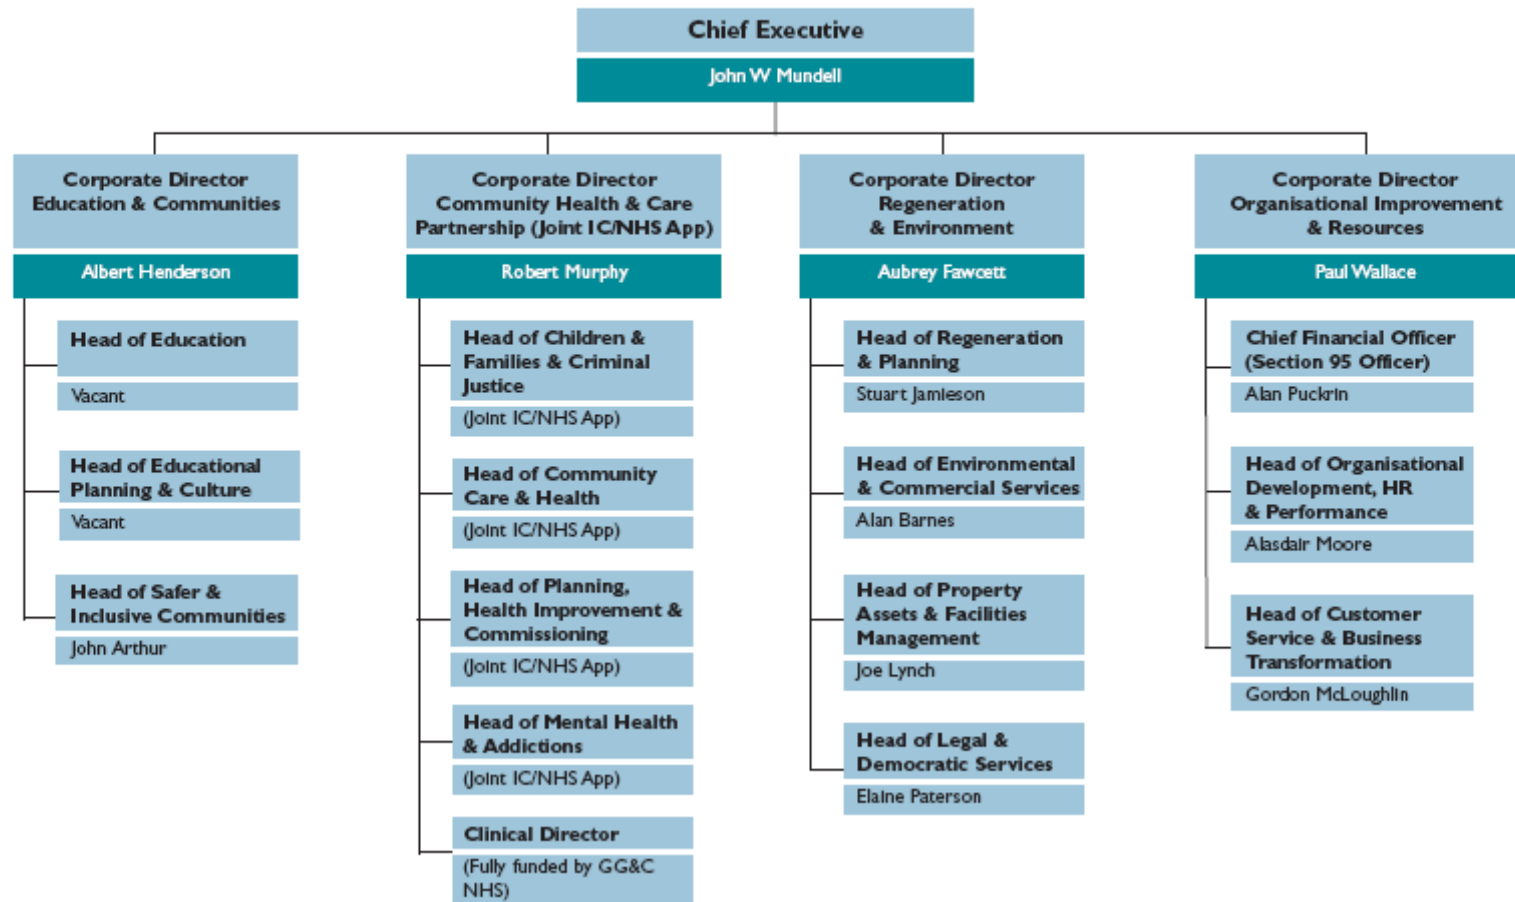

The table below outlines the resources available to the Directorate during 2010/11. As a result of the restructuring of services the Pre Restructure Revenue Budgets are detailed below and may subject to change

Budget Head	2010/11 000's	Service	Staff
Employee Costs	21,477	Regeneration and Planning	58
Property Costs	9,129	Property Assets and Facilities Management	722
Supplies / Services	11,768	Environmental and Commercial	324
Transport	2,275	Legal and Democratic	58
Administration Costs	2,111	Directorate	2
Other Expenditure	9,203	Total	1164
Transfer Payments	-		
Financial Charges	-		
Directorate Efficiency Target	(122)		
Income	(22,152)		
TOTAL	33,811		

Analysis of Competitiveness

Service as Identified by DMT	Responsible Officer	Remit and Scope of Service	Market Assessment Categorisation	Evidence / Rationale for this Assessment	Timescale
Property Assets and Facilities Management	Head of Property Assets and Facilities Management	Evaluate competitiveness across Building Services STO and also ancillary services	1	Existing STO with a long established service provision. Service is competing in the market currently	2010 - 2011
Environmental and Commercial Services	Head of Environmental and Commercial Services	Identification of services will be undertaken to assess appropriate assessment of competitiveness	1	Many activities within ECS have been STOs and also history of some external trading within the competitive marketplace (e.g.- Grounds, commercial waste, Roads maintenance)	2011 - 2012
Regeneration and Planning	Head of Regeneration and Planning	Identification of services will be undertaken to assess appropriate assessment of competitiveness	3	High quality data available on activities Service is unique to Local Authorities and carried out in similar manner e.g. Planning Building Control and Economic regeneration	2012 - 2013
Legal & Democratic Services	Head of Legal & Democratic Services	Identification of services will be undertaken to assess appropriate assessment of competitiveness	2	Service uses specialist providers for some legal works and has comparative data on costs and service delivery.	2013 -2014
