Subject:	School Terms Dates – Session 2011/2012		

1.0 PURPOSE

- 1.1 To seek Committee approval of the school term dates for the session 2011/12.

2.0 SUMMARY

- 2.1 The teachers' working year consists of 195 days of which 190 days coincide with the school year for pupils and the remaining 5 days being set for the purpose of teacher in service days.
- 2.2 In August 2004 the Committee agreed, in keeping with neighbouring councils, to fix a two-week spring break in April and also a one-week autumn break falling on the 3rd week of October. Glasgow City Council had for the sessions 2009/10 & 2010/11 moved their October break forward by one week. At a meeting of authority representatives hosted by Glasgow City Council earlier in the year all present were informed that Glasgow would be reverting back to the established pattern of the third week in October from the session 2011/12.
- 2.3 During June, head teachers and their staff were consulted on the proposed term dates including local holidays and in-service days. In addition, the teaching unions and parent councils have also been consulted and no adverse comments were received. The proposed term dates reflect the Committee decision to fix the spring and autumn breaks and take account of the proposed term dates set (or being planned) by Glasgow, Renfrewshire, East Renfrewshire & North Ayrshire Councils.

3.0 RECOMMENDATION

- 3.1 Committee is asked to approve the term dates for 2011/12 as set out in appendix 1.
