Subject:	Curriculum Delivery at Clydeview Academy Update	

1.0 PURPOSE

- 1.1 The purpose of this paper is to provide an update on the progress with the curriculum delivery exercise and the production of the mock timetable for Clydeview Academy in its first two years when it is over capacity.

2.0 SUMMARY

- 2.1 The roll projections for the first two years on Clydeview Academy show the school to be overcapacity. In academic year 2011-12 this is currently calculated at 1224.
- 2.2 The design capacity of the new school was set at 950 pupils although the likely actual capacity calculated using Standard Circular 3.2 show a figure of 990 at present. The final capacity will be calculated prior to opening.
- 2.3 Due to the concern expressed by Elected Members, Council Officers, Head Teachers, school staff, parents bodies, and others Education Services commissioned a curriculum delivery exercise to look at the over capacity issues for academic years 2011-2012 and 2012 – 2013.
- 2.4 The first stage of this exercise by the independent timetabler was completed in April 2010 and issued as part of the Committee report of 11 May 2010.
- 2.5 The second stage of the process to produce a mock timetable and sample option choice sheets has now been completed. Copies of this documentation are attached as Appendices 1 and 2.
- 2.6 The conclusions of the mock timetabling exercise and option sheet production are in line with the formal report produced in April 2010.
These remain as reported previously:
- The curriculum can be timetabled within the new school building without detriment to delivery.
 - The curriculum can be delivered with no negative impact on Learning and Teaching
 - There is no need to transport any pupil outwith the school for specialist or other accommodation.
 - There is no need to provide any temporary accommodation.
 - There will be no restriction on subject choice from what is currently offered at present in both Gourock High School and Greenock Academy.
 - The analysis of all curriculum areas maximised the potential pupil numbers to ensure that the new school could deliver in all perceivable realistic scenarios.
- 2.7 On the appointment of the Head Teacher of the new Clydeview Academy later this year further work will be done to ensure that a successful and fully inclusive timetable and

option choice is provided for all pupils.

3.0 RECOMMENDATIONS

3.1 Members are asked to:-

- i. Note the progress or the curriculum delivery exercise demonstrated by the production of a fully deliverable mock timetable and accompanying option choice sheets.
- ii. Note the Mock Timetable in Appendix 1
- iii. Note the Option Choice sheets in Appendix 2

Albert Henderson
Director of Education

4.0 BACKGROUND

- 4.1 As part of the PPP Schools Project within the School Estate Management Plan (SEMP) Gourrock High School and Greenock Academy will amalgamate into a new school built on the site of the old St. Columba's High School at Reservoir Road in Gourrock. The new school will be named Clydeview Academy and has a design capacity of 950 pupils.
- 4.2 Due to recent decisions affecting the planned capping, the new school, Clydeview Academy, will be significantly over capacity in its first two years; sessions 2011/2012 and 2012/2013. Thereafter the over capacity will reduce to within normal capacity levels.
- 4.3 Due to concerns on curriculum delivery during the over capacity years an independent timetabler has completed a report on the issues and logistics to timetable the curriculum in the new school. This significant work has been reported on over a number of meetings.
- 4.4 A formal report has been produced on the finding of the independent timetabler's analysis and conclusion presented.
- 4.5 A fully deliverable mock timetable and option sheets have been produced by the independent timetabler's analysis and the conclusions presented.

5.0 PROPOSALS

- 5.1 Continue to make further progress with this support throughout session 2010–2011 to enable a full curriculum delivery for the new school session 2011–12 and into the following years.

6.0 IMPLICATIONS

- 6.1 Financial
There are no foreseen issues.
- 6.2 Legal
There are no foreseen issues.
- 6.3 Human Resources
N/A

7.0 EQUALITIES

- 7.1 There are no equality issues.
