## 701 Apologies, Substitutions and Declarations of Interest

701

Councillor Blair declared an interest in the applications relating to the Ardgowan Club and Greenock Burns Club as a member of both clubs. He also formed the view that the nature of his interest and of the item of business did not preclude his continued presence in the Chamber but did preclude his participation in the decision making process relative to these applications.

Councillor Clocherty declared a non-financial interest in the application relating to Inverclyde Naval Club as a member of the club. He also formed the view that the nature of his interest and of the item of business did not preclude his continued presence in the Chamber or his participation in the decision making process relative to the application.
