- 1.2 A copy of the report submitted to the Committee in November is appended hereto. APPENDIX

2.0 STRATEGIC LEADERSHIP FORUM

- 2.1 Following consideration of the matter at its meeting on 19 December, the Strategic Leadership Forum's view was that approval to accept tenders should be limited to those tenders where the value or amount does not exceed £500,000, rather than £1m, with Elected Members continuing to be involved in tender opening at present thresholds. It was suggested that this be reviewed after a period of 12 months and reported to the Committee.
- 2.2 In addition, it was suggested that quarterly reports on tender acceptances be submitted to the Policy & Resources Committee.

3.0 RECOMMENDATIONS

- 3.1 That the Committee consider the views of the Strategic Leadership Forum and, subject to any adjustments arising therefrom, approve the revised Standing Orders relating to Contracts and the revised Financial Regulations as detailed in appendices 1 and 2 of the report to the 13 November 2012 meeting of the Committee;
- 3.2 That the Committee recommend to the Council that it formally resolve to adopt the aforesaid revised Standing Orders relating to Contracts and Financial Regulations; and
- 3.3 That quarterly reports on tender acceptances be submitted to the Committee by the Head of Legal & Democratic Services.

Subject:	Review of (i) Standing Orders Relating to Contracts and (ii) Financial Regulations		

1.0 PURPOSE

1.1 The purpose of this report is to propose to members that they (a) approve (i) the revised Standing Orders Relating to Contracts forming Appendix 1 of this report and (ii) the revised Financial Regulations forming Appendix 2 of this report and (b) recommend to the Council that it formally adopts the revised Standing Orders Relating to Contracts and Financial Regulations.

2.0 SUMMARY

2.1 Standing Orders Relating to Contracts (hereinafter referred to as "Orders") are the means whereby the Council control and regularise the manner in which the Council contracts with third parties. It is one of the core Corporate Governance documents and reflects both legal and best value requirements.

2.2 The Orders were heavily revised in February 2011 and the current proposed revisions are minor revisions to take account of certain operational requirements.

2.3 The draft attached has been revised in collaboration with the Chief Financial Officer, the Corporate Procurement Manager and the Corporate Management Team.

2.4 The draft contains revisions to the current Orders which are too numerous to outline individually. However the changes which are most notable are highlighted in the body of the report. The current version of the Orders is attached as Appendix 3.

2.5 The Council's approach to e-tendering is still being developed by the Corporate Procurement Manager and further revisions to the Orders will be required in due course in this regard.

2.6 The main changes to the Financial Regulations, last reviewed August 2011, are to ensure agreement with the revised Orders. In addition the Regulations pertaining to Disposal of Assets have been made clearer.

2.7 There are no financial implications related to this report.

3.0 RECOMMENDATIONS

3.1 It is proposed that the Committee:-

- (i) approves the revised Standing Orders relating to Contracts all as detailed in Appendix 1 to this report;

(ii) approves the proposed revisals to the Financial Regulations as outlined in Appendix 2 of this report; and

(iii) recommends to the Council that it formally resolves to adopt the aforesaid revised Standing Orders Relating to Contracts.

4.0 BACKGROUND

- 4.1 The Orders referred to in para 1.1 hereof are made under Section 81 of the Local Government (Scotland) Act 1973 and apply, unless otherwise stated within the Orders, to all contracts entered into by the Council. They form an important part of the Council's Corporate Governance Framework.
- 4.2 The Orders were last revised in February 2011 and require updating at this time to take account of the bedding down of the new Procurement procedures and certain operational requirements.
- 4.3 In terms of the existing Orders, any amendments thereto should be considered firstly by the Policy & Resources Committee and thereafter by the Council.
- 4.4 The draft attached to this report contains revisions to the existing Orders, the most relevant of which are detailed in Section 5 hereof.
- 4.5 The Orders will continue to be supported by a Corporate Procurement Manual which is to be prepared by the Corporate Procurement Manager and which addresses a variety of operational issues arising from the Orders.
- 4.6 The main changes to the Financial Regulations, last reviewed August 2011, are to ensure agreement with the revised Orders. In addition, the Regulations pertaining to the Disposal of Assets have been made clearer.

5.0 REVISIONS TO EXISTING ORDERS

- 5.1 The alterations to which Members' attention is drawn are as follows:-
- (i) it is recommended that the existing Standing Order 13 whereby all contracts over £250,000 require to be referred to Committee before a tendering exercise is commenced is deleted. It remains the position that Chief Officers are responsible for ensuring that they have a budget in place to cover the value of the contract. The current provision is leading to delays in commencing projects whilst the appropriate authorisation is obtained;
 - (ii) it is recommended that Standing Order 3.2 (vi) be deleted. This provision related mainly to those areas that were Significant Trading Operations and is now no longer relevant;
 - (iii) a minor revisal to Standing Order 6.5 is recommended to make provisions for tenders submitted via the Public Contracts Scotland portal;
 - (iv) to speed up the process of completing the contractual formalities it is recommended that the current limit of £250,000 relating to certain formalities in regard to the acceptance of tenders, contained within Standing Order 9.2 be increased to £1m;
 - (v) it is proposed that an additional provision, Standing Order 11.6, be added to the Orders, to ensure that where it is proposed to terminate a contract, duly and properly entered into, before its expiry date, that the relevant Committee are informed of the circumstances;
 - (vi) Standing Order 12.00 which relates to Framework and non-exempt collaborative agreements has been amended to make it clearer; and certain revisions to Standing Order 24 are proposed to allow services to contract to carry out external work under stated limits without prior approval of Council. Currently, all such arrangements require the prior approval of the relevant Committee. This

makes it difficult for services to respond quickly when they are invited to provide services to outside bodies. Full consultation with the Chief Financial Officer and the Head of Legal & Democratic Services will be required to ensure that the proposal is *ultra vires* and financially sound.

6.0 REVISIONS TO FINANCIAL REGULATIONS

6.1 Aside from amending the Financial Regulations to match the proposed changes to the Standing Orders for Contracts, the material proposed changes are:

- a) 6.11 – Clarifies how occasions where tenders come back over budget are dealt with by Committee and
- b) 14.2 – Clarifies how the Council should seek Best Value in the Disposal of Assets .

Further, in the event that functions ascribed at the date hereof to a particular officer are re-ascribed the relevant provisions herein shall stand assigned to that other officer(s).

2.0 EXTENT

2.1 General

2.1.1 These Standing Orders (which are referred to in the Council's Standing Orders as 'Contract Regulations' and are hereinafter referred to as 'Orders') are made under Section 81 of the Local Government (Scotland) Act 1973 and shall apply, unless otherwise stated, to the making by the Council or on their behalf or on behalf of other persons/parties as part of a collaborative purchasing arrangement to all contracts for the supply of goods or materials or for the execution of works or for the provision of services. Any power exercisable by elected members and officials in terms of these Orders shall be subject to the provision of the Council's Scheme of Delegation whether or not referred to therein.

2.1.2 Officers must also have regard to the following:-

- (i) the Council's Financial Regulations. Where there is a conflict between the terms of these Orders and the Council's Financial Regulations, whether in relation to financial limits or otherwise, the terms of these Orders shall take precedence;
- (ii) the Corporate Procurement Manual and the procedure rules contained therein issued from time to time by the Corporate Procurement Manager;
- (iii) Rules of Procedure for National Contracts set up by Scotland Excel and Procurement Scotland; and
- (iv) the Guidance on compliance with the European Procurement Regime, issued from time to time by the Head of Legal & Democratic Services and/or the Corporate Procurement Manager.

2.1.3 These Orders shall also apply to all contracts which are subject to UK legislation or the European Procurement Regime provided that, where there is any conflict between these Orders and such legislation or rules, the legislation and rules shall take precedence over these Orders.

2.1.4 Where any tender is likely to:-

- (i) equal or exceed the thresholds for the application of the European Procurement; or
- (ii) exceed the thresholds applicable to lower value contracts.¹

the Corporate Director or the officers concerned shall refer the matter to the Corporate Procurement Manager, in consultation where appropriate with the Head of Legal & Democratic Services who will be responsible for ensuring that the various requirements of the European Procurement Regime are complied with fully.

2.2 Variation and Revocation

2.2.1 These Orders may from time to time be varied or revoked by the Council pursuant to a recommendation from the Policy and Resources Committee, meeting in its normal

¹ For advice on lower value contracts, please refer to Procurement Manual

cycle. Such alteration shall not be effected except on a resolution adopted by a majority of the Members of the Council.

2.2.2 The Corporate Procurement Manual and Guidance may from time to time be varied or revoked by the Head of Legal & Democratic Services and/or the Corporate Procurement Manager.

2.3 Suspension

2.3.1 The appropriate Committee, on receiving a joint recommendation from the relevant Corporate Director, the Head of Legal & Democratic Services and the Chief Financial Officer that there are special circumstances justifying suspension of one or more provisions of these Orders and that it is in the interests and within the powers of the Council to do so, may suspend the application of such provision(s) to any contract. Suspension in this regard shall be by a simple majority of members present and voting.

2.3.2 The Chief Executive, in terms of the specific delegation to him by the Council to deal with matters of urgency and following appropriate consultation, may authorise action which otherwise would require suspension of one or more provisions of these Orders.

2.4 Review

2.4.1 These Orders shall be reviewed at least every two years.

3.0 EXEMPTIONS

3.1 Thresholds

3.1.1 There shall be exempted from the provisions of these Orders but not from the requirement to seek competitive quotes or the requirement to comply with the Council's Financial Regulations, all contracts for the supply of goods and materials, including second hand goods or materials, or for the execution of works or for the provision of services where the estimated price of the contract does not exceed:

Supply of Goods or Materials:	£25,000
Provision of Services	£25,000
Execution of Works	£50,000

3.1.2 It is not permitted to divide any procurement exercise into two or more contracts to avoid the application of the financial thresholds referred to above, or those specified in the European Procurement Rules.

3.2 Excluded contracts

3.2.1 There shall be exempted from the provisions of these Orders **(but not exempted from the need to comply fully with the European Procurement Regime, where applicable):-**

- (i) any contract for the supply of goods or materials or for the provision of services or for the execution of works which, in the opinion of the Chief Executive, in consultation with the relevant Corporate Director & Statutory Officers, are urgently required for the prevention of damage to life or property

- (ii) a contract which has been extended for a period of up to six months in terms of the Council's Scheme of Delegation (Officers);
- (iii) contracts of employment;
- (iv) the appointment of legal agents, except where such appointment relates to a specific project and adequate time is available to carry out a proper procurement exercise;
- (v) the appointment of legal counsel; and
- (vi) with the exception of Standing Order 22, any contract relating to heritable property which shall be subject to separate procedures contained within the Corporate Procurement Manual.

3.3 Contracts for Social Care Services

- 3.3.1 The Rules of Procedure contained within the Corporate Procurement Manual shall apply to contracts for the procurement of Social Care Services and in the event of any ambiguity between the Rules and any specific Order, the provisions of the Rules shall apply.

3.4 Collaborative Purchasing

- 3.4.1 In addition to clause 3.2 above and subject to the Financial Regulations, these Orders shall not apply to any contract for the supply of goods or materials or the provision of services made on behalf of the Council by Scotland Excel, Procurement Scotland or the Government Procurement Service or any successor body or bodies for whom the Council has approved its membership or participation in furtherance of collaborative purchasing or admission to contractual arrangements providing Best Value to the Council. For the avoidance of doubt, Order 12 shall apply in all other cases.
- 3.4.2 All contracts secured through collaborative purchasing in terms of Clause 3.4.1, irrespective of value, shall be signed on behalf of the Council by the Head of Legal & Democratic Services, and in her absence by a Legal Services Manager.
- 3.4.3 The appropriate Corporate Director or Head of a procuring service shall not separately seek tenders for the supply of goods and materials or the provision of services where arrangements for such collaborative purchasing have been established unless he believes that such collaborative purchasing is not achieving Best Value and he/she has confirmed the position with the Chief Financial Officer and the Head of Legal and Democratic Services.

4.0 ESTIMATES OF COST

- 4.1 No tender shall be invited or offer made or accepted for any contract for the supply of goods or materials or for the provision of services or for the execution of works unless there is sufficient financial provision within approved budgets for the net estimated expenditure.
- 4.2 The values stated in these Orders are the total estimated values of the contract concerned, over the duration of the contract, and not the estimated annual value of the contract. Where it is likely that a supply of goods or services will be required on a continuing basis for a number of years, for example, a maintenance contract, the anticipated duration of the continuing supply shall be taken into account when estimating the value of the contract for the purposes of these Orders.

5.0 TENDERING PROCEDURES – EU PROCUREMENT

- 5.1 Where the European Procurement Regime applies to a particular contract, the appropriate Corporate Director or Head of Service shall in consultation with the Head of Legal and Democratic Services and the Corporate Procurement Manager have authority to decide, subject to complying with the terms of the European Procurement Regime, whether to adopt the open or restricted procedures.
- 5.2 Where it is considered that the use of competitive dialogue or the negotiated procedure is the most appropriate method of procuring a particular contract, the matter shall be referred to the appropriate committee for consideration.

6.0 TENDERING PROCEDURES - GENERAL

- 6.1 Subject to Order 6.6 hereof, all contracts over the values specified in Order 3 require to be advertised in a sufficiently open manner to ensure that the principles of openness, transparency and equality are fully met.
- 6.2 Public Notice shall be given of all contracts over the values specified in Order 3 on the Public Contract Scotland Portal. Where, in particular circumstances, the Head of Service considers it necessary, Public Notice may also be given in appropriate trade journals or newspapers.
- 6.3 A sufficient number of tenderers must be invited to tender to ensure genuine competition which must not except as hereinafter provided, be less than four. Where fewer than four contractors express an interest, all those contractors meeting the minimum evaluation criteria must be invited to tender.
- 6.4 The Corporate Procurement Manual shall contain guidance in relation to the selection of tenderers where inviting all those who have expressed an interest in submitting a tender would result in the Council incurring disproportionate costs.
- 6.5 Where tenders are invited by advertising the contract opportunity on the Public Contracts Scotland portal, no tender shall be considered unless it is submitted electronically through the portal, unless prior to such advertising the approval of the Corporate Procurement Manager is given to use the procedure set out at Order 6.6 below.

6.6 Subject to Order 6.5 above, in all other cases where tenders are invited, no tender shall be considered unless it is contained within a plain envelope securely sealed and bearing the word 'Tender.....' followed by the subject matter to which the tender relates. The envelope shall not bear any mark that identifies the tenderer.

6.7 All tenderers shall be advised which of Orders 6.5 or 6.6 will apply in the invitation to tender.

6.8 Evaluation

6.8.1 The evaluation methodology to be adopted in relation to a contract shall be transparent, fair, comply with Council guidance on Evaluation Criteria and shall be fully disclosed to prospective tenderers in the tender documentation.

6.8.2 In all contracts, whether above or below the European Procurement Thresholds, where the contract is to be awarded to the 'most economically advantageous tender', the balance between cost/quality shall not fall below 60/40, where 60 represents cost. Where the relevant Corporate Director is of the opinion that this ratio requires to be varied to the extent that cost represents a smaller percentage of the overall total, then prior to commencing the procurement process, he/she shall prepare a report for the consideration and approval of the appropriate committee. Any such report shall set out clear and robust reasons for the proposed variation and shall be prepared in consultation with the Chief Finance Officer and Head of Legal & Democratic Services.

6.9 **Where the estimated value of the contract exceeds the European Procurement Thresholds, the requirements for advertisement, evaluation and selection specified within the relevant regulations shall apply.**

7.0 LATE TENDERS

7.1 No tenders received after the closing date and time for submission shall be considered and arrangements shall be made for their rejection and return to the tenderer without further consideration. Tenderers shall be advised of this provision in the invitation to tender.

8.0 OPENING OF TENDERS

8.1 All tenders relating to a specific project shall be opened at the one time.

8.2 Tenders shall be opened in the presence of:

- (i) in the case of contracts where the estimated value is not more than £250,000, an officer within or acting on behalf of the procuring service and an officer within Legal and Democratic Services, both of whom must be at not lower than Grade I; and
- (ii) in the case of contracts where the estimated value or amount exceeds the levels specified in sub-para (i) above, an officer within the procuring Service and an Officer within Legal and Democratic Services, both of whom must be at not lower than Grade I and two Elected Members.

9.0 ACCEPTANCE OF TENDERS

9.1 Except as hereinafter provided, the lowest or the most economically advantageous tender shall be accepted.

9.2 Tenders may only be accepted on behalf of the Council:-

- (i) in the case of tenders where the value or the amount does not exceed £1,000,000 by the appropriate Corporate Director or the Head of Legal & Democratic Services;
- (ii) in the case of contracts where the value or amount exceeds £1,000,000 by the Head of Legal & Democratic Services with authority from the appropriate Committee²;
- (iii) in any case, regardless of value, where the tender recommended for acceptance is **not** the lowest/most economically advantageous only by the Head of Legal & Democratic Services with authority from the appropriate Committee;
- (iv) in March and September of each year, each service shall prepare a note for members detailing all contracts which have been accepted in terms of SO 9.2 (i) and (ii) above.

9.3 **For the avoidance of doubt, it is specifically provided that no tender may be accepted unless it is the winning tender in terms of the relevant evaluation process.**

9.4 If the appropriate Corporate Director or Head of Service recommends that none of the tenders submitted should be accepted, the Head of Legal & Democratic Services or his/her authorised representative shall notify all tenderers accordingly.

9.5 No tender shall be accepted unless the appropriate Corporate Director or Head of Service and the Chief Financial Officer respectively are or have been satisfied as to the technical capability and professional fitness and financial standing of the tenderer.

10.0 REGISTER OF TENDERS

10.1 The Head of Legal & Democratic Services shall keep and maintain a register of all tenders received with the exception of those tenders relating to the procurement of Social Care Services under the value of £250,000 which shall be made available for inspection at any time, and in which shall be entered, in respect of each tender:

- (i) the number of tenders received in respect of each contract;
- (ii) the date and time of opening of each tender;
- (iii) the name and address of each tenderer, the value or amount of each tender and a statement as to the acceptance or otherwise of the tender; and

² Following the consultation process referred to at Regulation 6.10 of the Council's Financial Regulations

(iii) a statement of the names and addresses of persons to whom tender documents were issued but who declined or failed to submit a tender.

10.2 The relevant Head of Service shall keep and maintain a register of tenders relating to Social Care Services containing the information (where relevant) outlined in (i) – (v) above.

11.0 NEGOTIATED TENDERS AND EXTENSION OR TERMINATION OF EXISTING CONTRACTS

11.1 In **exceptional** cases, where the appropriate Corporate Director or Head of Service considers on the application of Best Value principles that a tender should be negotiated with one person, he/she shall, before entering into negotiations, obtain the approval of the appropriate committee both in respect of the negotiation and of the person with whom the tender is to be negotiated. In such cases, advice must be obtained from the Head of Legal & Democratic Services and the Corporate Procurement Manager before referring the matter to the appropriate committee.

11.2 An existing contract may only be extended provided its terms and conditions authorise such an extension.³

11.3 Where an existing contract was not let under EU Procurement Rules and a proposed extension to that contract will bring the total amount of the contract above the relevant EU Threshold, an extension to that contract is specifically prohibited.

11.4 In all cases where it is proposed to extend an existing contract, the relevant Head of Service must consult with the Head of Legal & Democratic Services and the Corporate Procurement Manager.

11.5 **Where the European Procurement Regime applies to a contract, the Negotiated Procedure and the Competitive Dialogue Procedure may only be used where permitted by and on a ground specified in the Regulations.**

11.6 Where an officer decides that a contract shall be terminated early/prior to the expiry date, a report on the circumstances prevailing shall be prepared in consultation with the Head of Legal & Democratic Services and submitted to the relevant Committee.

12.0 FRAMEWORK AND NON-EXEMPT COLLABORATIVE AGREEMENTS⁴

12.1 Where a Corporate Director or Head of Service deems it best value, they may enter into or participate in a Framework or non-exempt collaborative agreement provided, in the case of procurements where the Council's contribution exceeds the thresholds set out at Order 3.1.1, he/she has obtained the prior approval of the appropriate committee. Before doing so the Corporate Director or Head of Service shall consult fully with the Head of Legal and Democratic Services and the Corporate Procurement Manager.

12.2 A Framework or non-exempt collaborative agreement may be established/utilised by:

³ This alteration has been made to reflect the EU Rules and also to aid transparency.

⁴ Exempt Collaborative Agreements are set out at Order 3.4.

- (i) agreeing⁵ with another local authority or authorities or other public body or bodies to establish a Framework or otherwise work together for the purpose of co-ordinating a shared contract; or
- (ii) call off or by conducting a mini competition under an Framework that has been properly established by another local authority or authorities or any other agency of the UK or Scottish Government. Any such contracts must be entered into in accordance with the conditions applicable to the relevant Framework.

12.3 Where, in order to participate in an existing Framework of the type described in Standing Order 12.2(ii), the Council is required to enter into a participation agreement or other similar agreement regulating the use of the Framework by the Council, the Chief Executive shall have the authority to enter into the agreement on behalf of the Council, following discussion with the Chief Finance Officer and Head of Legal & Democratic Services.

13.0 POST TENDER CLARIFICATION

13.1 Where examination of tenders received reveals obvious errors or discrepancies which would affect the tender figures, these errors will be dealt with in the following manner:-

- (i) any obvious arithmetical errors will be rectified by the appropriate officer checking the tenders and the amount of tender shall be held to be the amount of the documents so rectified and the tenderer informed in writing of the corrected amount.
- (ii) where there is an obvious and genuine error in rates occurring, the tenderer will be given the opportunity of either (a) confirming that they agree to their tender being considered with the error remaining, (b) correcting the error providing such course of action does not put other tenderers at a disadvantage or otherwise distorts competition, or (c) withdrawing their tender. This procedure must be undertaken in writing. Should the tenderer decide to withdraw their tender, it will not be considered for acceptance. **The tenderer must not be given the opportunity to submit an amended tender.**

13.2 A full written record shall be kept by the appropriate Corporate Director of all contracts where post tender clarification has been used and the written record will be retained with the original tender. The written record will include the justification for authorising post tender clarification, the nature of the clarification undertaken, the outcome of such clarification and shall detail any additional terms agreed by the Council.

14.0 CONSULTANTS

14.1 Where appropriate, it shall be a condition of engagement of consultants that:-

⁵ Such agreement, which should be in writing, should set out the rights and responsibilities of each party involved in the collaboration.

- (i) they shall comply with these Orders as though they were officers of the Council;
- (ii) at any time during the performance of the contract the consultant shall, on a request by the relevant Head of Service produce all records maintained by them in relation to the contract and on completion of the contract transmit all such records to the Council, if so required; and
- (iii) copyright and intellectual property rights in and to all documentation produced by or on behalf of the contractor in the course of providing the services shall vest and remain vested in the Council.

14.2 In the event that a Head of Service wishes to deviate from these requirements, he shall only do so with the agreement of the Head of Legal & Democratic Services and the Corporate Procurement Manager.

15.0 FORM OF CONTRACT

15.1 Except where otherwise agreed between the appropriate Corporate Director and the Head of Legal & Democratic Services, every contract shall be in writing and in the name of the Council, shall be signed by the Head of Legal & Democratic Services or other officer designated by him/her for the purpose and shall be subject to the Laws of Scotland.

16.0 FREEDOM OF INFORMATION

16.1 All tender documents shall clearly state that the Council is a body to whom the Freedom of Information (Scotland) Act 2002 applies in accordance with the procedure detailed in the Procurement Manual.

17.0 EUROPEAN STANDARDS

17.1 All tenders for the supply of goods and materials or for the execution of works shall be based on a defined specification except where the Council otherwise decides.

17.2 Where there is an appropriate European Standard current at the date of tender, every contract shall require, as the case may be, that all goods, materials used or supplied, and all workmanship shall at least meet the requirements of that European Standard.

17.3 Where there is no such European Standard, if there is an equivalent International Standard, that shall be used.

17.4 In the absence of either European or International Standard an appropriate British Standard "or equivalent" shall be used, where available.

18.0 EQUALITIES & PREVENTION OF DISCRIMINATION

Where it is likely that a supply of goods or services will be required on a continuing basis for a number of years, for example, a maintenance contract, the anticipated duration of the continuing supply shall be taken into account when estimating the value of the contract for the purposes of these Orders.

5.0 TENDERING PROCEDURES – EU PROCUREMENT

- 5.1 Where the European Procurement Regime applies to a particular contract, the appropriate Corporate Director or Head of Service shall in consultation with the Head of Legal and Democratic Services and the Corporate Procurement Manager have authority to decide, subject to complying with the terms of the European Procurement Regime, whether to adopt the open or restricted procedures.
- 5.2 Where it is considered that the use of competitive dialogue or the negotiated procedure is the most appropriate method of procuring a particular contract, the matter shall be referred to the appropriate committee for consideration.

6.0 TENDERING PROCEDURES - GENERAL

- 6.1 Subject to Order 6.6 hereof, all contracts over the values specified in Order 3 require to be advertised in a sufficiently open manner to ensure that the principles of openness, transparency and equality are fully met.
- 6.2 Public Notice shall be given of all contracts over the values specified in Order 3 on the Public Contract Scotland Portal. Where, in particular circumstances, the Head of Service considers it necessary, Public Notice may also be given in appropriate trade journals or newspapers.
- 6.3 A sufficient number of tenderers must be invited to tender to ensure genuine competition which must not except as hereinafter provided, be less than four. Where fewer than four contractors express an interest, all those contractors meeting the minimum evaluation criteria must be invited to tender.
- 6.4 The Corporate Procurement Manual shall contain guidance in relation to the selection of tenderers where inviting all those who have expressed an interest in submitting a tender would result in the Council incurring disproportionate costs.
- 6.5 Where tenders are invited, no tender shall be considered unless it is contained within a plain envelope securely sealed and bearing the word 'Tender.....' followed by the subject matter to which the tender relates. The envelope shall not bear any mark that identifies the tenderer. All tenderers shall be advised of these requirements in the invitation to tender.

6.6 Evaluation

6.6.1 The evaluation methodology to be adopted in relation to a contract shall be transparent, fair, comply with Council guidance on Evaluation Criteria and shall be fully disclosed to prospective tenderers in the tender documentation.

6.6.2 In all contracts, whether above or below the European Procurement Thresholds, where the contract is to be awarded to the 'most economically advantageous tender', the balance between cost/quality shall not fall below 60/40, where 60 represents cost. Where the relevant Corporate Director is of the opinion that this ratio requires to be varied to the extent that cost represents a smaller percentage of the overall total, then prior to commencing the procurement process, he/she shall prepare a report for the consideration and approval of the appropriate committee. Any such report shall set out clear and robust reasons for the proposed variation and shall be prepared in consultation with the Chief Finance Officer and Head of Legal & Democratic Services.

6.6 Where the estimated value of the contract exceeds the European Procurement Thresholds, the requirements for advertisement, evaluation and selection specified within the relevant regulations shall apply.

7.0 LATE TENDERS

7.1 No tenders received after the closing date and time for submission shall be considered and arrangements shall be made for their rejection and return to the tenderer without further consideration. Tenderers shall be advised of this provision in the invitation to tender.

8.0 OPENING OF TENDERS

8.1 All tenders relating to a specific project shall be opened at the one time.

8.2 Tenders shall be opened in the presence of:

(i) in the case of contracts where the estimated value is not more than £250,000, an officer within or acting on behalf of the procuring service and an officer within Legal and Democratic Services, both of whom must be at not lower than Grade I; and

(ii) in the case of contracts where the estimated value or amount exceeds the levels specified in sub-para (i) above, an officer within the procuring Service and an Officer within Legal and Democratic Services, both of whom must be at not lower than Grade I and two Elected Members.

9.0 ACCEPTANCE OF TENDERS

9.1 Except as hereinafter provided, the lowest or the most economically advantageous tender shall be accepted.

9.2 Tenders may only be accepted on behalf of the Council:-

- (i) in the case of tenders where the value or the amount does not exceed £250,000 by the appropriate Corporate Director or the Head of Legal & Democratic Services;
- (ii) in the case of contracts where the value or amount exceeds £250,000 by the Head of Legal & Democratic Services with authority from the appropriate Committee;
- (iii) in any case, regardless of value, where the tender recommended for acceptance is **not** the lowest/most economically advantageous only by the Head of Legal & Democratic Services with authority from the appropriate Committee.

9.3 **For the avoidance of doubt, it is specifically provided that no tender may be accepted unless it is the winning tender in terms of the relevant evaluation process.**

9.4 If the appropriate Corporate Director or Head of Service recommends that none of the tenders submitted should be accepted, the Head of Legal & Democratic Services or his/her authorised representative shall notify all tenderers accordingly.

9.5 No tender shall be accepted unless the appropriate Corporate Director or Head of Service and the Chief Financial Officer respectively are or have been satisfied as to the technical capability and professional fitness and financial standing of the tenderer.

10.0 REGISTER OF TENDERS

10.1 The Head of Legal & Democratic Services shall keep and maintain a register of all tenders received with the exception of those tenders relating to the procurement of Social Care Services under the value of £250,000 which shall be made available for inspection at any time, and in which shall be entered, in respect of each tender:

- (i) the number of tenders received in respect of each contract;
- (ii) the date and time of opening of each tender;
- (iii) the name and address of each tenderer, the value or amount of each tender and a statement as to the acceptance or otherwise of the tender; and
- (v) a statement of the names and addresses of persons to whom tender documents were issued but who declined or failed to submit a tender.

10.2 The relevant Head of Service shall keep and maintain a register of tenders relating to Social Care Services containing the information (where relevant) outlined in (i) – (v) above.

11.0 NEGOTIATED TENDERS AND EXTENTION OF EXISTING CONTRACTS

11.1 In **exceptional** cases, where the appropriate Corporate Director or Head of Service considers on the application of Best Value principles that a tender should be negotiated with one person, he/she shall, before entering into negotiations, obtain the approval of the appropriate committee both in respect of the negotiation and of the

person with whom the tender is to be negotiated. In such cases, advice must be obtained from the Head of Legal & Democratic Services and the Corporate Procurement Manager before referring the matter to the appropriate committee.

- 11.2 An existing contract may be extended in the circumstances outlined in para 26.3 of the Council's Financial Regulations. Notwithstanding the provisions of para 26.3 of the Council's Financial Regulations it is specifically provided that an existing contract may only be extended provided its terms and conditions authorise such an extension.²
- 11.3 Where an existing contract was not let under EU Procurement Rules and a proposed extension to that contract will bring the total amount of the contract above the relevant EU Threshold, an extension to that contract is specifically prohibited.
- 11.4 In all cases where it is proposed to extend an existing contract, the relevant Head of Service must consult with the Corporate Procurement Manager.
- 11.5 **Where the European Procurement Regime applies to a contract, the Negotiated Procedure and the Competitive Dialogue Procedure may only be used where permitted by and on a ground specified in the Regulations.**

12.0 FRAMEWORK AGREEMENTS

- 12.1 Subject to Standing Order 1.3 hereof, where a Corporate Director or Head of Service deems it best value, they may enter into or participate in a Framework Agreement. Before doing so, or before presenting a report to the appropriate committee, the Corporate Director or Head of Service shall consult fully with the Head of Legal and Democratic Services and the Corporate Procurement Manager.
- 12.2 A Framework Agreement may be established/ utilised by:-
- (i) adopting the procedure outlined in the Council's Procurement Manual, the terms of which shall be binding; or
 - (ii) by call off or by conducting a mini competition under an existing Framework that has been properly established by another local authority, the Scottish Executive for contracts on a national basis, the Office of Government Commerce or any other agency of the UK or Scottish Government. Any such contracts must be entered into in accordance with the conditions applicable to the relevant Framework.
- 12.3 Where, in order to participate in an existing Framework of the type described in Standing Order 12.2(ii), the Council is required to enter into a participation agreement or other similar agreement regulating the use of the Framework by the Council, the Chief Executive shall have the authority to enter into the agreement on behalf of the Council, following discussion with the Chief Finance Officer and Head of Legal & Democratic Services.

² This alteration has been made to reflect the EU Rules and also to aid transparency. As previously worded, it also conflicted with the Fin. Regs.

13 POST TENDER CLARIFICATION

13.1 Where examination of tenders received reveals obvious errors or discrepancies which would affect the tender figures, these errors will be dealt with in the following manner:-

- (i) any obvious arithmetical errors will be rectified by the appropriate officer checking the tenders and the amount of tender shall be held to be the amount of the documents so rectified and the tenderer informed in writing of the corrected amount.
- (ii) where there is an obvious and genuine error in rates occurring, the tenderer will be given the opportunity of either (a) confirming that they agree to their tender being considered with the error remaining, (b) correcting the error providing such course of action does not put other tenderers at a disadvantage or otherwise distorts competition, or (c) withdrawing their tender. This procedure must be undertaken in writing. Should the tenderer decide to withdraw their tender, it will not be considered for acceptance. **The tenderer must not be given the opportunity to submit an amended tender.**

13.2 A full written record shall be kept by the appropriate Corporate Director of all contracts where post tender clarification has been used and the written record will be retained with the original tender. The written record will include the justification for authorising post tender clarification, the nature of the clarification undertaken, the outcome of such clarification and shall detail any additional terms agreed by the Council.

14.0 CONSULTANTS

14.1 Where appropriate, it shall be a condition of engagement of consultants that:-

- (i) they shall comply with these Orders as though they were officers of the Council;
- (ii) at any time during the performance of the contract the consultant shall, on a request by the relevant Head of Service produce all records maintained by them in relation to the contract and on completion of the contract transmit all such records to the Council, if so required; and
- (iii) copyright and intellectual property rights in and to all documentation produced by or on behalf of the contractor in the course of providing the services shall vest and remain vested in the Council.

14.2 In the event that a Head of Service wishes to deviate from these requirements, he shall only do so with the agreement of the Head of Legal & Democratic Services and the Corporate Procurement Manager.

17.3 Where there is no such European Standard, if there is an equivalent International Standard, that shall be used.

17.4 In the absence of either European or International Standard an appropriate British Standard "or equivalent" shall be used, where available.

- (ii) is not unlawfully discriminating within the meaning and scope of the Race Relations (Amendment) Act 2000 in relation to discrimination in employment.

- 22.2 In circumstances where the value of the land to be disposed is more than £10,000 and the difference between the proposed consideration and the best value consideration that can be obtained is greater than 25%, then the relevant Head of Service shall present a report to the appropriate committee which shall:-
- (i) appraise and compare the costs and other disbenefits with the benefits of disposal at less than best value consideration;
