Subject: PROPOSED TRAFFIC REGULATION ORDER – A761 KILMACOLM ROAD, PORT GLASGOW (PART TIME 20 MPH) SPEED LIMIT ORDER 2013

1.0 PURPOSE

1.1 Local Authorities are empowered to make Orders under the Road Traffic Regulation and Roads (Scotland) Acts 1984 and under the Council's Scheme of Administration the Head of Environmental & Commercial Services is responsible for the making, implementation and review of Traffic Management Orders and Traffic Regulation Orders.

2.0 BACKGROUND

2.1 With the construction of the new "Shared Campus" secondary school, it is proposed to impose a part-time 20mph speed limit on a section of Kilmacolm Road, Port Glasgow adjacent to the school site.

2.2 The times of operation will be such as to warn motorists of the likelihood of children travelling to and from school before and after school time and over the lunchtime period. Although the part time 20 mph speed limit will coincide with such periods, precise times of operation will be determined, as required, following further consultation with the Police and Education Services. The part time speed limit will only be effective when displayed by flashing warning signs.

2.3 The proposals have been advertised in the Greenock Telegraph and full details of the proposals have been made available for public inspection during normal office hours at the offices of the Head of Environmental & Commercial Services, the Head of Legal & Democratic Services, Port Glasgow Library and Central Library. A copy of the draft Order is appended hereto for Members' information.

Appendix

2.4 No objections to the proposals have been received and, accordingly, the Committee is requested to approve the Order.

2.5 The Committee is asked to note that, if approved, the Order may not be implemented until the making of the Order has been advertised to allow any persons who so wish a period of six weeks to question the validity of the Order in terms of the Road Traffic Regulation Act 1984.

3.0 RECOMMENDATION

3.1 That the Committee recommend to The Inverclyde Council the making of the Traffic Regulation Order – A761 Kilmacolm Road, Port Glasgow (Part Time 20mph) Speed Limit Order 2013 and remit it to the Head of Environmental & Commercial Services and Head of Legal & Democratic Services to arrange for its implementation.
