| Subject: | Trust Funds Annual Accounts 2013-2014 | | |

1.0 PURPOSE

- 1.1 The purpose of this report is to ask the trustees to review and approve the Annual Accounts for two trust funds that are not registered charities. The accounts of the McLeod Trust that is administered by Port Glasgow High School are also included for information.

2.0 SUMMARY

- 2.1 It is good practice for trustees to approve the Annual Accounts and sign and date the Trustees' Annual Report and Balance Sheet no later than 9 months after the financial year end. The financial statements have been compiled in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2013/14 (The CODE), the same basis as the Council. These trusts are not registered charities and accordingly do not require to be filed with an external agency.
- 2.2 The two trusts concerned are:
- o Birkmyre Trust
 - o Watt Institution Trust Fund
- 2.3 The independent examination of the accounts of the trusts has been completed by David Connell CPFA free of charge and his signed certificate is attached to each set of accounts. In both cases, the certificate confirms that the financial statements present fairly the finances of the trust for the period.
- 2.4 The financial statements of both trusts continue to be included within the annual Audited Accounts for Inverclyde Council under the Local Authority Accounts (Scotland) Regulations 1985.
- 2.5 The accounts of the McLeod Trust are also included for trustees' information. The independently examined financial statements for 2013-2014 have been approved at a meeting of the school's Senior Management Team (which was also the AGM of the trustees) and are attached for information.

3.0 RECOMMENDATION

- 3.1 It is recommended that the trustees:
- a) Review and approve the Annual Accounts for the two trust funds for the year ended 31 March 2014.
 - b) Note the accounts of the McLeod Trust for the year ended 31 March 2014.

Alan Puckrin
Honorary Treasurer

4.0 BACKGROUND

- 4.1 The Council has four miscellaneous trust funds. Two of these trusts, the Birkmyre Trust and the Watt Institution Trust, have the elected members of the Council as trustees. The two other trust funds are the McLeod Trust and the Endowment for Talented Children and Young Peoples Fund (ETCYP Fund) and both have officers as trustees.
- 4.2 The trustees of the McLeod Trust are the Senior Management Team of Port Glasgow High School. The independently examined financial statements for 2013-2014 were approved at a meeting of the school's Senior Management Team on 18 September 2014 (which was also the AGM) and are attached for information.
- 4.3 The trustees of the ETCYP Fund are the Corporate Director Education, Communities and Organisational Development plus the Corporate Director Environment, Regeneration and Resources and the Chief Financial Officer. The approved accounts will be presented to the November meeting of the Education and Communities Committee.

Adam Birkmyre (1848-1906) of Shallot, Kilmacolm was a generous benefactor to Kilmacolm and donated to them **Birkmyre Park**. He also paid for the reading room and the library in the village.

In 1889 he purchased land in the middle of the village to provide a public park for the inhabitants of the Parish of Kilmacolm for their “use, benefit, enjoyment and recreation”.

The following year after work to lay out footpaths, play areas for children and pitches for sports, Birkmyre Park was formally opened to the public. In addition to the parkland, four cottages on the land were donated.

The cottages were subsequently converted into what became known as the Pavilion. A feature of this building was the decoration of the Birkmyre name and family emblem on its end walls. The Pavilion served various purposes over the years including a children’s nursery and accommodation for the park keepers.

By the turn of the Millennium, and after over 100 years of service, the Pavilion was in need of renovation. Starting in 2005, capital improvements were made to the Pavilion and its surrounds by the local authority.

In 2009, with financial assistance from the council, a further programme of very extensive refurbishment to the Pavilion was successfully completed. The building now houses modern leisure facilities.

The trust for the Birkmyre Park was established under the trust disposition of Adam Birkmyre to the Parish of Kilmacolm in 1897.

As the successor local authority Inverclyde Council is the sole trustee. The Chief Financial Officer of Inverclyde Council in his capacity as the Section 95 Officer is responsible for making arrangements for the proper administration of the Council’s financial affairs and, as part of that responsibility, administers the trust and reports to Council.

Structure, Governance and Management

Governing Document

The legal name of the charity is Birkmyre Trust. It is an unincorporated trust governed on the basis of the available evidence of its constitution. The Trust was established in terms of a disposition granted by Adam Birkmyre on 1 November 1987 and recorded in 1908.

In this deed, he conveyed to himself and others, including the Parish Council of Kilmacolm, as Trustees of the Trust, an area of ground known as Birkmyre Park, four cottages known as the Park Cottages and some related areas of ground. After his death, Mr. Birkmyre's testamentary trustees conveyed further ground to the Trustees of the Trust in terms of two further dispositions recorded in 1908 and 1916 respectively. The terms of the Trust have been amended by court approved *cy pres* schemes in 1995 and in 2005.

Appointment of Trustees

The councillors of Inverclyde Council are assumed as trustees on their appointment to the Council. Councillors receive training on the responsibilities of being a trustee and the accounts of the trust.

Organisational Structure

The Trustees meet to consider applications for support and that sufficient funding is available. At a special annual meeting of the Council, Trustees consider the income and expenditure levels during the financial year and that suitable arrangements are in place to manage the funds of the trust.

The Trustees, in order to discharge their responsibilities, rely on the advice and expertise of the officers of Inverclyde Council. The Council provides all administrative support to the trust including financial, legal and secretarial support. The Council also administers the payments from the trust.

The Council makes a charge for these services as agreed by the Trustees at the meeting of 4 October 2012. There are no other costs in connection with governance.

Related Parties

Trustees hold this position because they are elected councillors of Inverclyde Council. Inverclyde Council provides support services to the Trust.

Risk Management

The Council has assessed the major risks to which the charity is exposed, in particular those related to its operation and finances, and is satisfied that the systems are in place to mitigate the exposure to the major risk.

Management of Funds and Investment Policy

The Trustees rely upon the expertise of officers of Inverclyde Council to manage the investments to ensure the maximum return at least risk to the trust. In this way, the income stream for the future benefit of the charity is protected while allowing income for the current year's expenditure.

The funds of the trust are deposited with Inverclyde Council and receive interest at the average market rate for the short-term borrowing. The interest received from Inverclyde Council is shown in the Income and Expenditure Statement.

Object and Activities

Object

Its purpose is

"the said park . . . shall be kept open and free (except as mentioned) every day Sundays and holidays included for the use, benefit, enjoyment and recreation of the public for all time coming.

The area of the park so far as not occupied by walks, trees, buildings and other fixtures shall be devoted to the purpose of games and the inhabitants of

the Parish of Kilmacolm shall have the sole use of the said area for that purpose”

The end of the financial year is 31 March 2014.

Activities

The Trust meets the costs of the Park and its buildings not otherwise defrayed by the Council and receives income from chargeable activities. The balance of funds is invested with the Council.

Performance and Achievements

Performance

The current membership base of the leisure centre operated by Inverclyde Leisure in the refurbished pavilion is growing every year. It is currently sitting with 485 members, and the gym has around 35,000 visits per year (excluding the café). This is an average of around 675 visits per week.

Achievements

Charity fund raising [for national charities such as Children in Need] has been very successful and gym members took part in a 15 hour sponsored event including spin, running and gym floor exercises. The event raised over £2,500 for Children in Need.

New additions to the 2013 programme of exercise activities in the leisure centre were X-training and outdoor functional training classes on a Saturday morning.

Every September, the Kilmacolm Running Festival is held and is now a regular fixture in the participants’ running calendar. The event continues to grow year-on-year.

The day consists of a Toddle Waddle round the park for children, 3k and 10k races, and a half marathon event. The 2013 Festival had a record number of entries with 750 runners young and old taking part. The aim is to surpass this number next year, with the aid of an up-to-date entry system, chip timing and the

Park’s reputation of being a great place for a family day out.

The facilities in the Park host other sports and leisure activities such as the rugby club, cricket and cross-country events. There is also the MUGA (Multi Use game area) for football, tennis and basketball and there is a putting green. All of these are very well used.

Looking ahead, 2014 will see new investment into the indoor facilities within the fitness gym, and with the recent improvements to the membership systems in the leisure centre and the introduction of online booking and joining, an improved and efficient customer experience.

Two of the centre’s employees have taken their personal training qualifications and will soon be able to deliver personal training to members.

All of these facilities coupled with a motivated and professional workforce means that the Birkmyre Park has become a well-established hub of the Kilmacolm community - with the café catering for various social gatherings too.

Financial Review

Income and Expenditure for the Year ended 31 March 2014

The Income and Expenditure Statement on page 9 provides an analysis for the trust of the income and expenditure for the twelve months from 1 April 2013 to 31 March 2014.

The trust incurred expenditure of £11,392 covering insurance (£763), property repairs (£2,000) loan interest (£5,229), governance costs (£500) and an annual depreciation charge (£2,900). Income of £17,002 was received; £14,617 from rents, £1,933 from pitch hires and £452 from interest on short-term deposits with Inverclyde Council.

The aggregate surplus of £5,610 was added to the reserves brought forward: £8,510 was added to the Usable Revenue Reserves and £2,900 was taken from the Unusable Revaluation Reserve.

Assets and Liabilities at 31 March 2014

The Balance Sheet on page 10 provides an analysis for the trust of the assets and liabilities as at 31 March 2014.

The reserves of the Trust are £1,109,496. Usable revenue reserves are £101,212 and the unusable revaluation reserve stands at £1,008,284.

The net book value after depreciation of the land and buildings held by the Trust is £1,147,569. There are short-term deposits of £88,326 with Inverclyde Council. The trust has borrowings for capital investment of £126,399 owed to Inverclyde Council of which £8,141 is repayable in the next financial year.

Reserves Policy

The trust has been in existence for some time and the Trustees consider that its reserves are sufficient.

The Trust has always maintained a healthy balance of Revenue Reserves and as such there had been to-date no requirement to adopt a formal reserves policy. The free reserves at the financial year-end were £101,212.

Future Plans

The Birkmyre Trust will continue to work in partnership with the local authority to support the continued operation of the parkland and buildings in the Park.

Conclusion

The Trust's income exceeded expenditure during the reporting period and the surplus of £5,610 has been added to the reserves brought forward, £8,510 added to the usable revenue reserves less £2,900 taken from the Unusable Revaluation Reserve.

The Trustees look forward with some confidence. The Trust has a healthy balance of £101,212 of Usable Revenue Reserves. Funding is in place for the future with income from rents and pitch hires. Most importantly, the buildings have recently been extensively refurbished and now house modern nursery and leisure facilities to serve the local community.

Approved by the Trustees on Ninth October, Two Thousand and Fourteen and signed on behalf of all Trustees.

Honorary Treasurer

Independent Examiner's Report to the Trustees of the Birkmyre Trust

I report on the accounts of the charity for the year ended 31 March 2014 which are set out on pages 8 to 12.

Respective Responsibilities of Trustees and Examiner

The trustees are responsible for the preparation of the accounts in accordance with applicable law and International Financial Reporting Standards (IFRS) as adopted by the European Union, and interpreted and adopted by the Code of Practice on local authority accounting in the United Kingdom 2013/14 (The Code). The Chief Financial Officer of Inverclyde Council in his capacity as the Section 95 Officer is responsible for making arrangements for the proper administration of the Council's financial affairs and, as part of that responsibility, administers the trusts and reports to trustees. On the advice of the Honorary Treasurer, the trustees have determined that an independent examination be conducted. My responsibility is to examine the accounts as requested and to state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination includes a review of the accounting records kept by the trust and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material aspect the requirements:

- To keep accounting records, and
- To prepare accounts which accord with the accounting records have not been met, or
- To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Birkmyre Trust

Notes to the Accounts

Note 1 Accounting Policies

Basis of Preparation

The financial statements have been compiled in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2013/14 (The Code). The Code is based on International Financial Reporting Standards with interpretation appropriate to the public sector. The principal policies adopted in the preparation of the financial statements are set out below.

Incoming Resources

All incoming resources are included in the Income and Expenditure Account when the Trust is entitled to the income. All incoming resources are applied to usable reserves funds. Interest is included when receivable.

Resources Expended

All expenditure is included in the Income and Expenditure Statement on an accruals basis and is recognised when there is a legal or constructive obligation to pay.

Charges to Revenue for Non-current Assets

Depreciation, revaluation and impairment losses are charged to record the cost of holding fixed assets during the year.

Depreciation is charged on a straight-line basis over the useful life of the assets, assessed as 15 years for the recent refurbishment work to the Pavilion building and 10 years for the improvements to the nursery school area. No depreciation is charged in the year of acquisition; a full year's depreciation is charged in the year of disposal.

Cash and Cash Equivalents

Cash is represented by deposits with the Council repayable immediately. The Trust has no cash equivalents.

Borrowing

The amounts presented on the Balance Sheet are the outstanding principal repayable plus any accrued interest. The interest chargeable to the Comprehensive Income and Expenditure Statement is the amount payable for the year.

Property, Plant and Equipment

Assets that have physical substance and are held for use in the supply of services, for rental to others or for administrative purposes and that are expected to be used for more than one financial year are classified as Property Plant and Equipment.

Assets are included at fair value (that would be paid for the asset in its existing use) and are revalued sufficiently regularly to ensure their carrying value is not materially different from their fair value at the year-end (but as minimum every five years) by external independent professional valuers.

Increases in valuation are matched by credits to the Revaluation Reserve to recognise unrealised gains.

Reserves

The Trust has two reserve funds. The Usable Reserves (Revenue) is a fund available to support services at the discretion of Trustees.

The Unusable Reserves (Revaluation) holds unrealised gains or losses where the amounts would only become available to provide services if the underlying assets are sold.

Comparative Figures and Taxation

Figures for 2012-2013 are shown as appropriate for purposes of comparison. Irrecoverable tax is included in the expense or income to which it refers.

Note 2 Staff Numbers and Costs

The Birkmyre Trust has no staff. All support functions are provided by Inverclyde Council.

Note 3 Related Party Disclosures

During the year, Inverclyde Council recharged insurance premiums of £763 to the Trust (2012-2013 £1,500). Interest of £452 was received from, and interest of £5,229 was paid to, the local authority (2012-2013 £430 and £5,514).

As at 31 March 2014, Inverclyde Council owed the Trust £88,326 (2013 £87,616). The Trust owed £126,399 to Inverclyde Council (2013 £134,199).

The Trust received a rental of £12,000 (2012-2013 £12,000) from the local authority leisure company as independently determined by the District Valuer. The leisure company is responsible for all running and maintenance costs under the lease.

Note 4 Governance Costs

Inverclyde Council provides management services to the Trust at £500 (2011-2012 £500). The independent examination has been conducted on a “no-charge” basis and accordingly no accrual has been made for the examiner’s fees.

Note 5 Analysis of Property Plant and Equipment

The figure in the balance sheet reflects the depreciated existing use value of the parkland, and its buildings – the Pavilion, nursery school, garage and public convenience.

Transfer between Reserves: The annual depreciation charge in the above table relates entirely to unrealised gains from increases in valuation and is written out of the Unusable Reserves (Revaluation). This is achieved by a transfer between usable and unusable reserves that is shown on the Movement in Reserves Statement.

Note 6 Cash and Cash Equivalents

The Council acts as the banker for the trust and all transactions incoming and outgoing are made via the Council's accounts. The balance is repayable on demand. Interest is paid on balances.

Greenock Corporation took over responsibility for running the Watt Library, McLean Museum, Art Gallery and Watt Hall (known collectively as the Watt Institution) from the Watt Trust in 1973.

In July 1984, the existing trustees of three bodies - the Committee of Management of the Greenock Library; the Committee of Management of the Watt Hall and Museum and Greenock Art Gallery; and the James McLean Trust - were discharged from their relative trust obligations and the whole Trust estate was invested in the former Inverclyde District Council.

The Court of Session, at that time, declared a Scheme of Administration for the future management and use of the assets and funds invested in the Trust and all of the land and buildings and moveable assets transferred to the Council at that time.

The Council is responsible for holding the land and buildings in trust as a memorial to the late James Watt LLD and to use it as a library, museum and hall for the benefit of the inhabitants of Greenock.

Additionally, the Council is to hold and apply the whole of the moveable property the investments from time to time

representing the same and the income thereof in trust for the maintenance, preservation, repair, improvement and furnishing of the land and buildings and of the fixtures and fittings and for the provision, safekeeping and repair of suitable books and objects for the Library and Museum.

The Watt Institution Trust Fund has its own funds which are to be used for similar purposes and any expenditure from this Fund must meet the conditions listed above.

As the successor local authority Inverclyde Council is the sole trustee. The Chief Financial Officer of Inverclyde Council in his capacity as the Section 95 Officer is responsible for making arrangements for the proper administration of the Council’s financial affairs and, as part of that responsibility, administers the trust and reports to Council.

The councillors of Inverclyde Council are assumed as trustees on their appointment to the Council. Councillors receive training on the responsibilities of being a trustee and the accounts of the trust.

Organisational Structure

The Trustees meet to consider applications for support and that sufficient funding is available. At a special annual meeting of the Council, Trustees consider the income and expenditure levels during the financial year and that suitable arrangements are in place to manage the funds of the trust.

The Trustees, in order to discharge their responsibilities, rely on the advice and expertise of the officers of Inverclyde Council. The Council provides all administrative support to the trust including financial, legal and secretarial support. The Council also administers the payments from the trust.

The Council makes a charge for these services as agreed by the Trustees at the meeting of 4 October 2012. There are no other costs in connection with governance.

Related Parties

Trustees hold this position because they are elected councillors of Inverclyde Council. Inverclyde Council provides support services to the Trust.

Management of Funds and Investment Policy

The Trustees rely upon the expertise of officers of Inverclyde Council to manage the investments to ensure the maximum return at least risk to the trust.

The funds of the trust are deposited with Inverclyde Council and receive interest at the average market rate for the short-term borrowing. The interest received from Inverclyde Council is shown in the Comprehensive Income and Expenditure Statement.

The trust spent £15,689 on supplies and services - a contribution of £12,711 by the trust to Inverclyde Council towards the costs of a part-time archivist, and £2,978 on archival quality acid free boxes and other archival preservation materials. £500 was incurred on governance costs. Income of £683 was received from interest on short-term deposits with Inverclyde Council.

The deficit of £15,506 was deducted from the reserves of £148,854 brought forward.

Assets and Liabilities at 31 March 2014

The Balance Sheet on page 10 provides an analysis for the trust of the assets and liabilities as at 31 March 2014.

The reserves of the trust are £133,348 and are all deposited with Inverclyde Council.

Reserves Policy

The trust has been in existence for some time and the Trustees consider that its reserves are sufficient.

The Trust has always maintained a healthy balance of Revenue Reserves and as such there had been to-date no requirement to adopt a formal reserves policy. The free reserves at the financial year-end were £133,348.

Future Plans

The Watt Institution Trust Fund will continue to work in partnership with the local authority to support the operations of the museum, art gallery and library in the Watt Institution.

Conclusion

The Trust's expenditure exceeded income during the reporting period and the deficit of £15,506 has been drawn down from the reserves brought forward.

The Watt Institution Trust Fund has a healthy balance of £133,348 of Revenue Reserves. A bid for Heritage Lottery funding has been submitted and if approved will considerably assist the extensive refurbishment planned by the local authority to provide modern facilities for the library, art gallery and museum.

Independent Examiner's Report to the Trustees of the Watt Institution Trust Fund

I report on the accounts of the charity for the year ended 31 March 2014 which are set out on pages 9 to 12.

Respective Responsibilities of Trustees and Examiner

The trustees are responsible for the preparation of the accounts in accordance with applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union, and interpreted and adopted by the Code of Practice on Local Authority Accounting in the United Kingdom 2013/14 (The Code). The Chief Financial Officer of Inverclyde Council in his capacity as the Section 95 Officer is responsible for making arrangements for the proper administration of the Council's financial affairs and, as part of that responsibility, administers the trusts and reports to trustees. On the advice of the Honorary Treasurer, the trustees have determined that an independent examination be conducted. My responsibility is to examine the accounts as requested and to state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination includes a review of the accounting records kept by the trust and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material aspect the requirements:

- To keep accounting records, and
- To prepare accounts which accord with the accounting records have not been met, or
- To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Watt Institution Trust Fund

Notes to the Accounts

Note 1 Accounting Policies

Basis of Preparation

The financial statements have been compiled in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2013/14 (The Code). The Code is based on International Financial Reporting Standards with interpretation appropriate to the public sector. The principal policies adopted in the preparation of the financial statements are set out below.

Incoming Resources

All incoming resources are included in the Income and Expenditure Statement when the trust is entitled to the income. All incoming resources are applied to usable reserves funds. Interest is included when receivable.

Resources Expended

All expenditure is included in the Income and Expenditure Statement on an accruals basis and is recognised when there is a legal or constructive obligation to pay.

Cash and Cash Equivalents

Cash is represented by deposits with the Council repayable on demand. The trust has no cash equivalents.

Reserves

The trust has a single reserve fund. The Usable Reserves (Revenue) is a fund available to support services at the discretion of Trustees.

Comparative Figures

Figures for 2012-2013 are shown as appropriate for purposes of comparison.

Note 2 Related Party Disclosures

Interest of £683 was received from the local authority (2012-2013 £848). As at 31 March 2014, Inverclyde Council owed the trust £133,348 (2013 £148,854).

As part of the management arrangements of the Scheme of Administration, Inverclyde Council remains responsible for all costs and any income relating to the Watt Institution and is entitled to the unrestricted use of its assets.

Under accounting standards and the associated guidance, arrangements that convey the right to use an asset require to be accounted for as a lease even where they do not have the legal form of a lease. The local authority has assumed the risks and rewards of ownership and the arrangements have the substance of a finance lease. The Watt Institution and its collections require to be disclosed on the Balance Sheet of the local authority and accordingly are not included in the Trust Fund's accounts. The holding value of these assets in the Council's 2013-2014 Annual Accounts is £2.4 million for the Watt Institution and £18.1 million for its collections of heritage assets.

The Watt Institution Trust Fund has a notional investment in the lease-type arrangement, made up of the minimum lease payments expected to be received over the remaining term and the residual value anticipated for the assets when the arrangement comes to an end.

The value of the lease debtor and the investment is not considered significant because the arrangements under the Scheme of Administration are expected to remain in place for the foreseeable future.

Note 3 Staff Numbers and Costs

The trust does not employ any staff (see note 5).

Note 4 Payments to Trustees

No Trustee or any connected person was remunerated during the year, nor was there any requirement for any expenses to be paid.

Note 5 Supplies and Services

A contribution of £12,711 was made by the trust to Inverclyde Council towards the cost of one part-time worker (2012-2013 £11,654). £2,978 was incurred on archival quality acid free boxes and other archival preservation materials (2012-2013 £4,598).

Note 6 Governance Costs

Inverclyde Council provides management services to the trust at a fee of £500 (2012-2013 £500). The independent examination has been conducted on a “no-charge” basis and accordingly no accrual has been made for the examiner’s fees.

Note 7 Cash and Cash Equivalents

The Council acts as the banker for the trust and all transactions incoming and outgoing are made via the Council’s accounts. The balance is repayable on demand. Interest is paid on balances.

The McLeod Trust was established by two donations from Mr George F. McLeod of Wyomissing, Berks County, Pennsylvania United States, a former pupil of Port Glasgow High School, to provide scholarships for further education to pupils of Port Glasgow High School from disadvantaged backgrounds or from families of no history of further education.

The trust fund was established under a Deed of Trust in 2003. The trust provides for financial and other assistance and support to assist with the costs of further education.

The major part of the trust funds are invested in UK stocks and shares and managed by a firm of stockbrokers and investment managers under a discretionary agreement. Interest and dividend income is used to provide three and four year scholarships to former pupils to assist with the costs of their further education.

Normally, four or five awards are made each year. Awards were made to five people in September 2013.

The Trustees are the Head and Depute Head Teacher and the Finance Officer of the school plus a chaplain of the school.

If you wish to apply for financial assistance, or you are aware of a person who may wish to apply for financial assistance, then application forms can be obtained by

contacting the Head Teacher at McLeod Trust, Port Glasgow High School, Port Glasgow Community Campus, Kilmacolm Road, Port Glasgow PA14 6PP, Tel: 01475-715200 or e-mail: information@portglasgow.inverclyde.sch.uk.

Inverclyde
council

On behalf of the Trustees, I am pleased to present the 2014 Annual Report for the McLeod Trust.

We have been able to use the funds at our disposal to make awards to assist five of our students who have gone on to further education where they will have the opportunity to maximise their undoubted potential to the benefit of themselves and our community.

Structure, Governance and Management Governing Document

The McLeod Trust is an unincorporated trust governed on the basis its constitution in the Deed of Trust of May 2003.

Appointment of Trustees

The trust deeds provide for up to five trustees. Three of the Trustees are assumed on their appointment to one of the designated posts in the Trust Deeds – the Head Teacher, a nominated member of the Senior Management Team and the Finance Officer. The Trust Deeds provide for the appointment of up to two other persons and these appointments are decided by the Trustees. There is no set term of office.

Organisational Structure

At a special annual meeting, Trustees consider the income and expenditure levels during the financial year and ensure that expenditure remains within available resources and to maintain reasonable levels of reserves.

The School and Inverclyde Council provide support services to the trust. Neither the

School nor Inverclyde Council makes any charge to the Trust. There are no other costs in connection with governance.

Related Parties

Three of the trustees hold this position because they are senior teaching or administrative support staff of the school.

Risk Management

The Trustees have assessed the major risks to which the trust is exposed, in particular those related to its operation and finances, and are satisfied that systems are in place to mitigate the exposure to the major risks.

Management of Funds and Investment Policy

The Trustees have appointed a firm of external stockbrokers and investment managers to manage the capital funds of the trust. These funds are invested in bonds and shares. Under accounting standards, these investments are disclosed at market value (and not the historic cost value).

The Trustees conducted a periodic review of the trust's exposure to financial risk in November 2012, with assistance from the investment managers, and confirmed the investment approach as low risk/cautious with the primary objectives of capital growth and income for awards. In this way, the capital and income stream for the future benefit of the trust is protected. The investment gains and losses in the financial year are shown in the Income and Expenditure Statement.

The revenue funds of the trust are deposited with the school funds, with the investment managers as income cash balances and with Inverclyde Council as on-call deposits. Cash deposits with the stockbrokers receive bank interest. The deposits with Inverclyde Council receive interest at the average market rate for the Council's short-term borrowing.

Objects and Activities

Its purpose is “for the relief of poverty, suffering and stress and the advancement of education by providing further assistance for the University education of former pupils of Port Glasgow High School . . . who by reason of poverty, could not otherwise attain the benefit of a University education.”

Activities

The Trust makes educational scholarships in accordance with its purposes to former pupils of the school and invests its funds with the primary objectives of capital growth and income for awards.

The trust deeds provide a number of powers to trustees, key of which are:

- “to advance funds to former pupils of Port Glasgow High school to assist in the furtherance of their university education, the terms, extent and provision of such assistance to be determined by my Trustees in their sole discretion, subject always to the terms of the Trust. Generally, the Trustees should provide annual advances of funds, each installment being dependent upon written confirmation from the appropriate university of the successful completion of all assessments from the previous year of study.”
- “to invest any funds which are not immediately required for the administration of the Trust or for the Trust’s activities, in such investments as may be considered appropriate (and to dispose of and vary such investments)

Achievements and Performance

In line with policy adopted by the Council and the terms of the trust, the McLeod Trust made awards to five former pupils of the school to assist with the costs of their University education. These covered a diverse range of courses of study

including philosophy, law, primary education, chemistry and English literature and language.
