Dear Mr. Malone

Inverclyde Council 19 February 2015
International Women's Day 8 March 2015

I write to request formally that you place the following item for discussion on the agenda for the Council meeting on 19 February.

I propose that the Council formally recognises and marks International Women's Day on 8 March, by:

- (1) the flying of the International Women's Day flag, and
- (2) through appropriate action by the Council's Senior Management Team, to celebrate the economic, social and political achievements of women locally and internationally.

I would also ask that the Council considers making this an annual event.

Yours sincerely

Vaughan Jones
Councillor
