

Report to:	<b>Inverclyde Council, Local Police and Fire Scrutiny Sub-Committee</b>
Date of Report:	<b>13 May 2015</b>
Report by:	<b>Paul Tanzilli, Local Senior Officer ( LSO)</b> <b>Scottish Fire and Rescue Service</b>

Subject:	<b>Scottish Fire and Rescue Service (SFRS) Report</b>
----------	---

## **PURPOSE OF THIS REPORT**

1. The purpose of this report is to inform the Scrutiny Sub-Committee members of Fire and Rescue performance and activities during the 2014- 2015 reporting period.

## **LOCAL SENIOR OFFICER UPDATE**

2. LSO Paul Tanzilli retires on 20 May 2015 and this will have occurred prior to the Fire Scrutiny meeting on 4 June 2015. Area Manager Martin Gordon has been appointed as the new LSO for Inverclyde, Renfrewshire and East Renfrewshire Local Authority Areas.

## **PERFORMANCE**

3. An SFRS performance report is attached (Appendix A) to provide Elected Members with a Ward analysis performance report which relates to a range of Fire & Rescue operational activities within Inverclyde from 1 April 2014 to 31 March 2015.

The information provided in this report and Appendix continues to show reductions across a range of fire related performance indicators; however it also identifies those areas where further interventions are required in order to tackle those areas where operational demand is highest.

A summary of the report is detailed below:

- a. There were no fire fatalities within Inverclyde during the reporting period.
- b. There were 21 Non-fatal fire casualties (including precautionary check-ups) within the reporting period which is a 25% reduction from the previous annual reporting period.
- c. Deliberate fire raising has fallen to 442 incidents which is the lowest in five years.
- d. There was a 9% reduction in the number of all accidental primary fires attended, from 161 to 146 incidents during the reporting period.
- e. Special service activity levels rose from 184 to 208 during this reporting period. This includes a rise in the number of Road traffic collisions attended which rose from 30 to 36 incidents.
- f. The total number of false alarm incidents has increased from 682 in the previous year to 746 during the current reporting period. The increase was mainly due to an increase in Fire alarm equipment failures.

## **PRIORITIES & INTERVENTIONS**

4. SFRS is committed to working in partnership with Community Planning partners in the public, private, and voluntary sectors in order to work together for a safer Scotland. Strengthening our relationship with and working in partnership to add value to our communities is critical to the success of our work.

The following activities are illustrative of SFRS activities in terms of educational activities and interventions:

- a. SFRS continues to work in partnership with Community Planning partners in order to further reduce the number of fire and other emergency incidents attended in Inverclyde. Our participation at the multi-agency tasking and coordinating (MATAC) meetings is one of the key ways in which we work with partners including Police and Community Safety Services to tackle fire related ASB issues including deliberate fire raising and malicious calls. The SFRS LALO position is now fully established with the officer attending weekly Community Safety Partnership meetings at West Stewart Street in a multi-agency approach with Police, Community Wardens and Housing colleagues to deal with ASB and operational matters within Inverclyde.
- b. Home Fire Safety Visits (HFSV) are seen as a key way of preventing accidental house fires and reducing fire related injuries by fitting smoke alarms and providing fire safety advice to occupants. A total of 1306 HFSV were delivered in Inverclyde by Fire crews in the reporting period
- c. Cook safe courses- 3 courses were run in Inverclyde in the reporting year to promote safe and healthy cooking.
- d. Greenock and Port Glasgow Fire Stations participated in Inverclyde Doors Open days in September 2014
- e. Schools education – dedicated fire safety staff provide a range of educational visits and talks within educational establishments in order to promote fire safety to young people. The aim is to promote safety and change the culture which may lead to fewer deaths and injuries from fire in future generations. This education included schools visits with Police Scotland and Inverclyde Community Wardens prior to Bonfire period in November 2014 and the multi-agency approach in schools is an annual occurrence
- f. The Greenock Fire Museum and Heritage centre within the Old Fire Station which is part of Inverclyde Councils Municipal buildings continues to promote the history of the fire service and fire safety within Inverclyde to residents and visitors

## **RECOMMENDATIONS**

5. Sub-Committee members are asked to note the contents of this report.

Appendix A – SFRS Performance Report for Inverclyde 2014- 2015.
