

Report to:	Inverclyde Council, Local Police and Fire Scrutiny Sub-Committee
Date of Report:	15 September 2015
Report by:	Martin Gordon, Local Senior Officer (LSO) Scottish Fire and Rescue Service

Subject:	Scottish Fire and Rescue Service (SFRS) Report
----------	---

PURPOSE OF THIS REPORT

1. The purpose of this report is to inform the Scrutiny Sub-Committee members of Fire and Rescue performance and related activities during Quarter 1 of the 2015/16 reporting period.

PERFORMANCE

2. An SFRS performance report is attached as an Appendix to provide Elected Members with a Ward analysis performance report which relates to a range of Fire & Rescue operational activities within Inverclyde from 1 April 2015 to 30 June 2015.

The information provided in this report and Appendix continues to show reductions across a range of fire related performance indicators; however it also identifies those areas where further interventions are required in order to tackle those areas where operational demand is highest.

A summary of the report is detailed below:

- a. There were no fire fatalities within Inverclyde during the reporting period.
- b. There were 7 Non-fatal fire casualties within the reporting period which is a reduction from 9 in the previous reporting period.
- c. Deliberate fire raising has increased from 131 to 178 incidents. This is mainly due to an increase in deliberate secondary fires which increased from 114 incidents in the previous period to 161 in the current reporting period.
- d. There was a 13% reduction in the number of all accidental fires attended, from 47 in the previous reporting period to 41 incidents during the current reporting period, however accidental dwelling fires rose slightly from 26 to 29.
- e. Special service activity levels rose from 38 to 54 in this reporting period. This includes a rise from 27 to 39 in the number of incidents attended other than road traffic collisions and flooding incidents.
- f. The total number of false alarm incidents has decreased slightly (from 208 to 205 incidents) from the previous reporting period and this includes reductions in malicious calls and also incidents caused by fire alarm equipment failure.

PRIORITIES & INTERVENTIONS

3. SFRS is committed to working in partnership with Community Planning partners in the public, private, and voluntary sectors in order to work together for a safer Scotland. Strengthening our relationship with and working in partnership to add value to our communities is critical to the success of our work.

The following activities are illustrative of SFRS activities in terms of educational activities and interventions:

- a. SFRS continues to work in partnership with Community Planning partners in order to further reduce the number of fire and other emergency incidents attended in Inverclyde. Our participation at the multi-agency tasking and coordinating (MATAC) meetings is one of the key ways in which we work with partners including Police and Community Safety Services to tackle fire related ASB issues including deliberate fire raising and malicious calls. The SFRS LALO position is now fully established with the officer attending weekly Community Safety Partnership meetings at West Stewart Street in a multi-agency approach with Police, Community Wardens and Housing colleagues to deal with ASB and operational matters within Inverclyde.
- b. Fire & Rescue officers participate and contribute at SOA thematic and other Multi-agency committees including the Alcohol & Drugs partnership (ADP), Adult Protection Committee (APC) and the Safer & Stronger theme- Successful Communities Partnership (SOA2)
- c. Home Fire Safety Visits (HFSV) are seen as a key way of preventing accidental house fires and reducing fire related injuries by fitting smoke alarms and providing fire safety advice to occupants. A total of 341 HFSV were delivered in Inverclyde by Fire crews in the reporting period
- d. Schools education – dedicated fire safety staff provide a range of educational visits and talks within educational establishments in order to promote fire safety to young people. The aim is to promote safety and change the culture which may lead to fewer deaths and injuries from fire and road traffic collisions in future generations.
- e. The Greenock Fire Museum and Heritage centre within the Old Fire Station which is part of Inverclyde Councils Municipal buildings continues to promote the history of the fire service and fire safety within Inverclyde to residents and visitors

RECOMMENDATIONS

4. Sub-Committee members are asked to note the contents of this report.

Appendix – SFRS Performance Report for Inverclyde Q1 of 2015/16.
