5.0	INCREASE IN ENTITLMENT			
5.1	This increase from the current entitlement of 600 hours to 1140 hours will mean that all			
3.1	children aged 3 and 4 years and 27% of 2 year olds will receive the equivalent of 30			
	hours per week of early learning and childcare.			
5.2	The increase to 1140 hours has significant implications. It will mean an approximate 95%			
5.2	increase in the number of 3 – 5 year old places across Inverciyed which is approximately			
	1500 places. An additional 127 places for 2 year olds will also be required.			
5.3	It is likely that these places will be delivered by a range of providers including local			
5.5	authority, private nurseries, 3 rd sector nurseries and childminders. Initial investigation			
	finds that there is not capacity across these sectors to deliver this entitlement.			
5.4	It should be noted that the current school estate proposals do not address this new level			
0.1	of entitlement and it is likely that additional capacity / accommodation will be required.
